Welcome back to the start of Term 4! I hope all Cromer students and their families had an enjoyable time throughout the school holidays.

As you are aware weather patterns have been fluctuating and we have experienced extremes of temperature this week. In all likelihood this will continue. Therefore, it is timely to ask parents to ensure their children bring their hats to school every day and that water/drink bottles are in school bags. We monitor weather carefully and remind children of the importance of playing in the shade and staying hydrated.

Students are continuing to practice for our CAPA Nights to be held on Tuesday 22nd and Thursday 24th October. This will showcase our talented performers and is something to really look forward to seeing. We also have a number of our dancers, choir members and students from K-6B who will be participating in this year’s Schools Spectacular so Term 4 is going to be a very special time for our students. It will also be the last term of primary schooling for our Year 6 students with a number of special events to look forward to in the weeks ahead.

Year 5 students have successfully participated in their Leadership Day this week. This will support students in preparation for standing for the 2014 Student Leadership Team. Many best wishes to all of Year 5!

DEPUTY PRINCIPAL’S REPORT

Welcome back to Term 4. We hope you all had an enjoyable, safe and relaxing holiday. It’s great to see so many smiling faces as we walk around the school. A special welcome to all our new families who started at Cromer this week.

As we enter into the last school term for 2013, we’re looking forward to another rewarding term for all our students.

PLANNING FOR 2014

The school is in the process of planning for 2014. Within this planning process we try to foresee the school’s enrolments for next year. If you are planning on moving from the area and your child WILL NOT be attending Cromer next year, please confirm this in writing to either Nicole Herrmann or Julie Johnson by the end of Week 6, Friday 15th November. Thank you to those parents who have already confirmed this in writing.

Class Organisation 2014

It is important for students’ social and emotional development that they make and retain healthy friendships at school. Teachers recognise that students are more comfortable starting a new class each year if they have at least one friend with whom they can relax and relate. This is an important aspect of class planning.

If you wish to forward a request concerning your child’s educational or social needs / placement for 2014 this will need to be put in writing to either Julie Johnson or Nicole Herrmann by Friday 25th October. Unfortunately we will be unable to accept requests after this date.

NAPLAN STUDENT REPORTS TO PARENTS

The Australian Curriculum, Assessment and Reporting Authority (ACARA) has advised that there will be a delay in the national distribution of NAPLAN Student Reports to schools. ACARA has identified an error in the placement of the national average marker in the Year 5 and 7 NAPLAN Student Reports for Language Conventions. ACARA is devising a strategy to address the issue, which will delay the distribution of Student Reports to schools.

It is anticipated that the 2013 NAPLAN student reports will be distributed to parents in the week of Monday 14th October to Friday 18th October 2013.
KINDERGARTEN ORIENTATION – SESSION 2
Our 2014 Kindergarten students are invited to attend their second Kindergarten Orientation session next **Monday 14th October**.

**Blue** and **Green** groups will attend from **11:15 - 12:15pm** and **Yellow** and **Red** groups from **1:45pm – 2:45pm**.

During this time, parents are invited to the staffroom for morning or afternoon tea and a Parent Forum presented by Ms Denise Jeffery addressing “Literacy in Kindergarten”.

**STUDENT SUCCESS**

**Senior Choir to Primary Schools Festival of Choral Music**

Congratulations to members of the Senior Choir who at the end of last term, travelled to the Sydney Opera House to rehearse for the Primary Schools Choral festival. Their behaviour was exemplary as was their singing. Many thanks to Mrs Jill Bradford for all the hours she puts in working with the choir and to Mrs Carr who assisted with the supervision of the students on this day.

The Senior Choir will be performing at the Primary Schools Choral festival on **Tuesday 15th October** to be held at the Opera House. We wish you all the very best of luck at this prestigious choral concert. We know your performance will be outstanding!

**Year 5 Leadership Day**

On Wednesday, our Year 5 students participated in a “Student Leadership” half day where they worked through a variety of activities that will provide them with an idea of what the life of a Cromer PS minister is like. Thank you to Mrs Judy Farr for coordinating the day and to the Year 5 teachers for modelling their own leadership skills with the students.

Students in Year 5 have now received paperwork relating to “Student Leadership” in 2014. Please take some time to read through the paperwork with your Year 5 child and return the required notes to your child’s teacher at your earliest convenience. We wish all Year 5 students the best of luck in their leadership campaign.

**YEAR 2 SWIMMING SCHEME**

Many of the Year 2 students began a Learn to Swim and Water Safety Program at Manly pool this week. We’d like to congratulate the students on their efforts and behaviour in and around the pool. We’re looking forward to hearing about their wonderful achievements over this two week program.

We’d also like to take this opportunity to thank the Year 2 staff for their support in this program.

**CROMER CREATIVE AND PERFORMING ARTS (CAPA) NIGHTS**

The CAPA nights will be held this term over two nights to allow all parents of children involved with a performing group in our school an opportunity to watch their child perform in the school hall. The days are: **Tuesday 22nd October 6:00pm and Thursday 24th October 6:00pm**.

Please restrict your viewing to **one performance only** so all families can be accommodated in the hall. Tickets are free, with a gold coin donation being used to support the upkeep of our aging sound system.

SELECTIVE HIGH SCHOOL PLACEMENTS: YEAR 7: 2015

Year 5 Parents are advised that applications for students seeking selective high school placement in 2015 will be available from 15th October 2013. Most parents are expected to apply online at www.schools.nsw.edu.au/shsplacement. We will receive a small number of paper applications for parents who do not have internet access.

If it is necessary to use the paper application it is imperative that time is taken to enter details accurately as the paper application will be electronically scanned by the Selective Schools Unit. Crossing out or the use of liquid paper may result in serious errors on the student’s record. If an error is made parents must request a new application form.

All students seeking placement in a selective high school will be required to sit the Selective High School Placement Test on Thursday 13th March 2014. Parents who wish their child to sit the test will need to apply by Friday 18th November 2013.

This advice will also be sent home to all Year 5 parents via letter for your consideration. There will be a tear off slip to be filled in so the school is aware of how many students will be applying so we can provide a school assessment score in English and Mathematics to the Selective Schools Unit.

KIDS CLUB NEWS

Welcome back to Term 4.
We hope you have had a great holiday.

Our Vacation Care program went really well. We went to a farm, watched Smurfs 2 and Turbo at the movies, had a crazy scientist come to the centre and our ever popular Wheels Day was back. We also tried some healthy afternoon tea including san choy bow and vegetable kebabs.

Next week at Kids Club we will be having our “Healthy Brain” week fundraiser to support the centre for Healthy Brain Ageing. Gold Coin donations will be collected and Kids Club have organised a range of exciting healthy and fun activities for the week including healthy cooking and active play. There are notes going out this week to inform parents about what we will be doing. If you don’t receive a note, please see a staff member.

CYBER SAFETY

CyberSafety and Digital Citizenship - A Guide for Parents - Bookmark this page!

As your child spends more time online, it is important to understand how to help them stay safe and responsible. You don't have to be a computer whiz. The great news is, there is help out there! Learn about CyberSafety and Digital Citizenship at the Department of Education and Communities website: www.digitalcitizenship.nsw.edu.au. On this site you will find interesting facts, tips and interactive activities to support you and your child.

I found a great link to show kids about safe searching on YouTube. Although they don't have access to it at school, it's a great quick video to show them to help them surf safely at home.

CHESS MAKES KIDS SMART
Studies show Chess is the best game there is for developing logical & precise thinking. The game teaches kids to: focus, think ahead, analyse, plan, weigh up options etc. Chess is a game which brings together people of different ages, races, abilities and genders.

We are very fortunate at Cromer to have a wonderful and professional chess coach in Miro. Your child DOES NOT need any prior knowledge of the game to join the Cromer Chess Club. The Cromer Chess Club is for kids from Years 1 to 6.

Please return Membership Form with payment (make cheques payable to Cromer Public School) for each child to the School Office by 25 October 2013.
