The wet weather appears to have arrived with a vengeance. All students need to bring some protective clothing to school on rainy days as moving around this school is a challenge when it is pouring. Unfortunately, we do not have walkways so even getting to the toilets can be difficult. All rain gear including umbrellas should be labelled with your child’s name as we have some chance of returning it when it gets forgotten, as quite often happens.

Some older children do not think it is ‘cool’ to wear a raincoat but sitting in wet clothing only leads to colds and flu which spreads rapidly through classrooms. Please encourage your older darling to wear a parka or additional jacket that can be removed on arrival at school and at least their uniform will be dry.

School arrival and dismissal time also takes on a different complexion when torrential rain hits. Parents as drivers need to exercise extra care and caution in the vicinity of the school. One afternoon this week apparently Weroona Avenue (the back gate) was a clogged disaster zone and as one observer put it “the street was an accident waiting to happen”: parents parked in the bus zone which is illegal so the bus could not get in; cars parked in such a way that the flow of traffic was impeded and idling cars could not move; and some cars actually reversed up the street to get out.

The only reason we did not have an accident was due to the two parents who got out of their cars and directed traffic. Whoever you are, you put the safety of our students as a priority and your blood is worth bottling!

I have actually taught at a school where a child was hit by a car shortly after dismissal and died at the scene of the accident in pouring rain. This was absolutely devastating for the parents who lost their only child, for all of the students who witnessed the accident, for the teacher who applied CPR to no avail and for the school as a whole. The driver of the car involved in the accident was a parent who was shattered and never recovered.

Primary aged children take some time to develop road sense and many think they are invincible. Therefore, it is imperative that the adults in their lives and all members of a school community take road safety seriously and act accordingly in all types of weather. Drivers obeying the rules of the road do make a difference. I urge all parents to take extra care especially at dismissal time. If it is wet, please be super vigilant when picking up your child/children and be aware of other children in the vicinity. Let’s keep Cromer students safe!

Next week Nicholas J in 6M will be in the Infants Quadrangle each morning before school selling NSW Primary Schools Sports Association raffle tickets at a cost of $2 each. The sale of these tickets helps the NSWPSSA get NSW representatives to national championships and provides state uniforms, travel etc. Nicholas has a large number of events in the National Swimming titles. As you are aware Nicholas will be representing Cromer PS, North Sydney Region and New South Wales. It would be fantastic if we can get behind Nicholas and support him in this way.

On Tuesday 28th May we will hold our Open Day for incoming Kindergarten students in 2014. This is a big event in our school calendar each year. New families get their first look at Cromer PS. Even if you have children already at Cromer PS and you have a little one who will commence school next year please come along as we would love to have you join in the tours.

Later on Tuesday afternoon we have been asked to host a group of 15 Korean educators from Gyeonggi Provincial Office of Education. These Korean educators specifically asked DEC if they could visit Cromer as they are keen to see how we deliver curriculum and cater for students’ varying learning needs. I personally would like to thank Mrs Sharyn Lawler for her wonderful co-ordination of this visit.

In closing, a BIG THANK YOU must go to Troy from B A PRINTING who has donated the colour printing of flyers for the FAIR to be held on Saturday 10th August. The flyers will proudly display the artwork of Lauren H in 5Q who won the Promotional Artwork Competition for the Fair. Congratulations, Lauren!

CLASSROOM TEACHER/PARENT MEETINGS
A reminder to parents that you are always welcome to make an appointment with your child's classroom teacher throughout the term, if necessary. Likewise, a teacher should always contact parents if there is a concern with any aspect of a child's learning. Please don’t hold-off until our formal interview nights early next term!

P & C MEETING
I had the pleasure of presenting the results of our 2012 School Survey to the P&C this week. There were many points of great group discussion. Below is a very quick summary ….

Areas of strength at Cromer PS include:
- Discipline, great environment, well resourced, good variety of communication methods, put children first, wide range of extra curricula activities, sense of pride in the school, literacy and numeracy support for students, excellent and varied CAPA program, extensive reward system.

Areas for improvement at Cromer PS include:
- the awards system restructured, end of year medallions and awards, playground space, continued communication between parents and staff, social development programs for senior students before High School, P&C minutes widely available and involving more parents throughout the school – not just the same ones at each meeting!

Our P&C President, Jen Webster, has the full survey results – and you are more than welcome to have a closer look! Thank you to all the Cromer families who took the time and participated in the end of last year’s School Survey online. We truly value all of your feedback.

OPEN DAY FOR 2014 KINDERGARTEN FAMILIES
Next week, on Tuesday 28th May from 9:15am, we will be holding our annual Open Day for new (and ‘old’) families to Cromer Public School – especially those who will be joining our wonderful community next year in Kindergarten.

All welcome!

Our showcase of Cromer performing talent will begin in the hall with an assembly which will include Senior Band, Senior Strings, Senior Choir, Senior Dance and two Kindergarten student speakers. We will then take families on a school tour with the help of some Cromer Year 6 Ministers followed by morning tea with the staff back in the hall.

**DATE SLICE with WEET-BIX**

90g butter, at room temperature  
4 Weet-Bix, crushed  
1 cup chopped dates  
1 cup caster sugar  
1 tsp bicarbonate of soda  
1 cup boiling water  
1 egg, lightly beaten  
1 cup self-raising flour

1 1/2 cup chopped walnuts  
Icing sugar, for dusting

1 Grease an 18cm x 28cm rectangular slice pan. Line base and two long sides with baking paper.
2 Cut butter into small cubes.
3 Place in a large bowl with Weet-Bix, dates, sugar, bicarbonate of soda and water. Mix ingredients until thoroughly combined. Allow to cool.
4 Stir in egg, flour and walnuts. Mix well. Pour mixture into prepared pan. Smooth top with a knife.
5 Cook in a moderate oven (180C) for about 30 minutes, or until cooked when tested. Cool slice in pan.
6 Lift slice out of pan. Cut into rectangles. Serve dusted with sifted icing sugar.

**Canteen News**

**Trolley** – Even if the weather is wet, the trolley still rolls on. Don’t forget Trolley Tuesday is every week, located in the Kindy area.

**New Items** – Next term we will be bringing the hugely popular chicken curry to the Flexischools menu, so keep an eye out. If you need a brochure about Flexischools come and see us, or jump online for the full menu at [www.flexischools.com.au](http://www.flexischools.com.au).

**Lunch Orders** - Please remember that you cannot give your child money and expect them to come to the counter at lunch time and order a lunch – all lunches need to be pre-ordered via Flexischools before 8:50am for it to be received in time.

**Volunteers** – Please, please, please, the Canteen still needs helpers, especially on Wednesday, Thursday, Friday – our busiest days. If you have some time to spare this term why not come down and help us out. We’re making lots of food from scratch now and many hands make light work. Call us on 9971 0499 or email us at cromer.canteen@det.nsw.edu.au.
