It was my very real privilege to attend the Festival of Instrumental Music held in the Concert Hall of the Sydney Opera House on Wednesday night. Eighteen of our very talented Strings players joined the Combined Public Schools String Ensemble to perform in The Jacaranda Concert Program with the presentation of ‘The Hunter’s Funeral’, ‘Dooverlackie Blues’ and ‘Bushwhacker Stomp’ as well as play an important role in the finale with ‘Rocky Hammond – Private Investigator’.

I can assure you the standard of performance was absolutely breathtaking. The entire night was a true celebration for all of us who love music. There were so many proud Mums and Dads in the audience as well as siblings. It was also wonderful to see so many grandparents who had travelled long distances to come along in support of their grandchildren. I think every person there who was associated with Cromer PS Strings was so incredibly proud of our students. Well done, girls and boys!

As I sat looking down on the Concert Hall stage I thought what a wonderful experience this was for our talented and dedicated musicians. To actually perform in such a prestigious Concert Hall would be a dream come true for so many performing arts students. I must admit I found it difficult to locate each of the wonderful 18 in the sea of strings as they were distributed across the enormous stage but I certainly tried my hardest.

All of our Strings Players’ hard work, effort and practice receive a great deal of support and guidance from our very talented Strings Tutor, Mrs Crossing; our wonderful Music Teacher, Mrs Jillian Bradford and Executive supervisor, Ms Nicole Herrmann. Together these teachers with students’ loving parents certainly have every right to be extremely proud of the children’s achievements. Mrs Bradford and Miss Crossing were with our musicians throughout the entire long day through the dress rehearsal to the actual performance and I thank them both sincerely for their non-stop support on behalf of our students. Instrumental music certainly is an additional string to Cromer PS’ bow.

On Thursday, the entire school celebrated Book Week with our Book Character Parade and Book Fair. This major school event was organised by our Teacher Librarians, Mrs Deborah Haddrick and Mrs Catherine Lindsay. This was the 68th continuous celebration of Book Week in NSW schools – no small undertaking. Both Teacher Librarians are highly skilled and certainly foster a love of quality literature amongst our students. Even in this digital age there is nothing like sitting down and enjoying a really good book as it helps open up so many different experiences for readers. I believe the Library is the true Resource Centre of the school and so maintaining a large collection of quality literature should always be a priority.

This year’s theme ‘Read Across the Universe’ gave creative parents and staff the opportunity to devise some incredible costumes to signify greatly loved book characters. My goodness some incredible costumes designed by some very clever and talented parents were on display. Well done, big girls and boys! It was great to see parents come along for the parade and support the school with purchases from the Book Fair. Book donations to the Library were also greatly appreciated.

We have emailed you a copy of the Cromer Courier for all parents’ information. Cromer Campus of Northern Beaches Secondary College has embraced Teaching and Learning in the Flexible Learning Space for which they have received a grant and have also embarked on this exciting way to deliver 21st Century learning with the support of parents and their Parents & Citizens Association.

Principal, David Pickering, and Deputy Principal, James Laird, from Cromer Campus gave our P&C Association a very interesting and informative presentation at our last meeting that was very well received. I would ask all parents to take the time to read the Deputy Principals’ Report in the Cromer Courier to find out about the creation of the Flexible Learning Space at Cromer Campus and how the Year 7 students are involved in Global Citizenship. I believe this to be an innovative teaching and learning practice that we all need to know about as this will be offered to all Year 7 students at Cromer Campus in 2014.

Cromer Campus hopes to hold an Open Morning for parents from local primary schools in Week 10. I know I certainly will make sure I attend and would encourage parents to go along and see how our local secondary school is leading the way in making learning meaningful and relevant in today’s world. This model of learning is very exciting as it will truly provide secondary students with an opportunity to take ownership of their learning in a highly engaging way whilst being a member of a learning team. I will advise the time and date of this visit in the Weekly Times.

Good Luck to all students representing Cromer PS at Regional Athletics. I am sure we will see some great performances from our talented Sports people.

Maureen Gray
Principal
I’d like to take this opportunity to thank Mrs Karen Mitchell for her outstanding role as relieving Deputy Principal whilst I was on leave. Karen did a wonderful job in supporting students, staff and parents during this time as well as leading staff in professional learning experiences associated with the new NSW English curriculum.

On Tuesday afternoon, all the Peninsula Community of Schools (PCS) gathered at Pittwater High School to hear Mr McQueen, an inspirational speaker, social researcher and bestselling author speak about 21st Century Teaching and Learning. It was interesting to hear him speak about what tomorrow’s students believe in, strategies to engage our future students in their learning, the importance of storytelling both in the classroom and at home and the use these stories have as a powerful tool for teaching and learning. He stressed that we, as parents, need to pass family stories onto our kids! By doing this we connect better with our children.

Our appreciation and thanks go to Mrs Sharon Smithies, PCS co-ordinator, for organising this remarkable speaker to address what I believe is an important aspect of educating our future leaders.

Supervision BEFORE school
It has been brought to our attention there are a number of Year 2 & Year 3 students arriving at school at 8am. We’d like to remind parents and carers that staff are not on duty for supervision in the playground until 8:20am each morning. It is for the safety of your child that they’re not at school before this time.

It would be greatly appreciated if you could discuss this with your child/children and encourage them not to be at school before 8:20am, unless of course they are being supervised by a staff member for sports training, music or dance rehearsals. If your child needs to be dropped off at school prior to this time, please contact OOSH for care.

Strings
What an amazing event!! Thousands of violins and hundreds of recorders being played! What a superb sound it was!! On Wednesday evening, 18 of our talented violinists with our talented teachers Mrs Jill Bradford and Mrs Crossing headed off to the Opera House to perform at the prestigious NSW Festival of Instrumental Music Jacaranda Concert. Congratulations to the students, Mrs Bradford and Mrs Crossing on their magnificent performance. Many thanks also to all the parents who supported the staff and students throughout the evening.

Book Week Celebrations
Each year, books for young people and the joy of reading are celebrated for a full week. Children’s Book Week is the national celebration of books and reading for youth.

The theme for Book Week this year is “Read across the Universe”. It was great to see all the students and staff keeping to the Book Week theme by dressing up in a book character yesterday at our Book Character Parade. A special mention and thank you to Mrs Haddrick and Mrs Lindsay who inspire so many of our students to read through all the wonderful things they have in the library. Thank you to Amber H, Lewie S, Kate L and Callum E for their superb work in explaining why Book Week is such an important event.

Thank you also to the many parents who took part in our morning’s events and supported the library by visiting the Book Fair.

Kindergarten 2014 Transition to School Program
On Tuesday 3rd September a Parent Information Evening is being held in the School Hall for 2014 Kindergarten Parents from 7:00pm – 8:30pm. Following this, on Wednesday 11th September our first 2014 Kindergarten Orientation session will be held.

Australian National Flag Day
Australian National Flag Day will be celebrated across our nation on Tuesday 3rd September 2013. This day commemorates the first occasion that our national flag was flown, 3 September 1901. On this day, Prime Minister Edmund Barton announced the winning design from a competition to select our new nation’s flag. Our flag represents our nation when it is flown both in Australia and across the world. This day is a wonderful opportunity for us to reflect on how our flag unites us as a nation, celebrating pride in our achievements.

The classes teach children how to approach ethical issues and develop their capacity for considered moral judgment which will assist them to respond more thoughtfully to problems and issues. Mrs Gardner has been appointed Ethics Co-ordinator for Cromer and will also be available to answer questions to help parents make an informed choice about enrolling their child in Ethics in Term 4.

A very big congratulations to Christopher S and Shelly L in Stage 3, and Jacob G and Matthew J in Stage 2 who will represent Cromer Public School at the Regional Spelling Bee finals on Wednesday 11th September. PARLIAMENTARY PATTER

Last week, Year 5 had the biggest week of the year and had experiences that they will remember for the rest of their lives: Year 5 camp. They started their journey at 5:00 in the morning. They stopped at the Blue Mountains and stayed at Bathurst and Hill End for the rest of the camp. They all came back to school very tired but had a wonderful time.

This week, in Maths, they have been learning about area and perimeter, averages and means. In PDHPE they have been doing touch football and have been learning about prescription drugs. In English they have been writing camp recounts.

Also this week Years 3 to 6 had an author, Oliver Pommavanh, visit our school. We thought he was very funny.

Year 6 has also been practising very hard for the Year 6 play and we hope you all love it as much as we do.

ELECTION DAY BBQ AND CAKE STALL FUNDRAISER: 7th September 2013

Just in case you are not aware (!)...there is a federal election coming up on the 7th September. Since voting takes place at the School the fundraising committee has been asked to run a BBQ and cake stall. We know that this is close on the heels of the School Fair and you may be all volunteered out, however we also know that there are some AWESOME cooks out there, so any way you can help is a bonus. Plus it was a lot of fun last year, as was the fair this year, and many hands do make light work.

It would be an enormous help to the very small fundraising committee if you could bring a plate of baked goods to the election when you come to vote from 7.00am onwards or to the meeting room on Friday for items that don’t need refrigeration. We will have cake boxes available in the office from Thursday 29th August (Book Parade day) if this will make it easier for you to transport your cake(s). Remember we also need to list ingredients with the cakes as this is now a requirement.

Big cakes, cookies, cupcakes, slices, brownies and homemade sweets...all baking is welcome! Money made through the Fundraising Committee this year will fund our Covered Learning Areas.

We also need help running both stalls and are asking for volunteers for just 1 hour. Each grade will be responsible for a time slot on the Cake Stall and BBQ to make it easier:

If you can’t make your designated hour due to other commitments, please put your name down for a time that suits. Please email Jeanette Williams on j.williams4@bigpond.com with your name, mobile, time slot and preference for either cake stall or BBQ so we can make up a roster. A lot of fun was had by the volunteers last year, and we would love to see some new (and ‘old’) faces.

Many thanks

KIDS CLUB NEWS

This week at Kids Club we have been busy making lots of craft and nice things to give to Dad on Father’s Day. We have made cards using scratchboards, magnets and hand painted soap. We have had no cooking this week to focus on Father’s Day and the children have really missed those experiences!

Next week is the first week of spring, so Kids Club will be cooking some “spring” recipes. Flower cupcakes and colourful cooking were some ideas the children have come up with.

We wish all Fathers a great day on Sunday!
