Welcome back to the start of Term 4! It was wonderful to have such great weather for the school holidays. I hope everyone had some special family time and enjoyed some rest and relaxation.

On Tuesday afternoon we came together for our Sports Assembly for Years 3-6 students. Mrs Sarah Riddington co-ordinated this event and is thanked for all her on-going PE and Sports organisation within and outside the school. We are very lucky to have a member of staff with her PD, Health and PE expertise.

Our Sports Captains: Ella S, Nathan W, Connor A, Hannah T, Naomi Mc P, Misha M, Ronan C and Hannah D did a great job leading the assembly. Their commitment and enthusiasm in leading the Sports Houses: Kulan, Banjora, Warreen and Bilba have been greatly appreciated this year. They acknowledged the efforts of all students and helped to congratulate the individual champions of the Swimming, Cross Country and Athletics Carnivals. The winning Houses also were acknowledged. We also thank Mr Anderson and the Training Band for their wonderful opening to the assembly.

On Wednesday the first session of the Kindergarten Transition Program commenced with Deputy Principal and Kindergarten Team Supervisor, Nicole Herrmann giving a presentation on “School Readiness”. It was wonderful to see so many mums, dads and grandparents in attendance. The current Kindergarten Team of Teachers: Mary Brissenden, Louise Jacob, Kymberley Lee / Nicky Stratton, Tim Shepherd and Leah Wood enjoyed meeting and getting to know our next year’s Kindergarten students. Well done, 2015 Kinders!

Wednesday evening we held the Parent Workshop: “Structure for Success”. This was organised by our Learning and Support Teacher, Katie Woodley. Everyone in attendance appreciated the presentation by Counsellor Jan Grant. Jan addressed parent concerns about age appropriate expectations for the middle childhood years. The night was informative, interactive and engaging as participants discussed examples on the Structure Continuum with most parents having a mixture of non-negotiable and negotiable rules as part of family life. Jan shared her wealth of knowledge as a parent, grandparent, Early Childhood Educator, Adult Educator and Counselor with those in attendance. Many thanks, Jan!

Year 5 students participated in their Leadership Training on Thursday in preparation for undertaking positions of student leadership in 2015. Grade Co-ordinator, Judy Farr, Caroline Coram, Kate Murphy, Alison Quinn and Ben Tasker were very proud of their students as they participated in the rotational workshop activities.

When I spoke to Year 5 about leadership I was very impressed with student beliefs about what qualities constituted good leadership. I firmly believe everyone can be a leader. As our most senior students next year, I am convinced the current Year 5 will be wonderful role models for our younger students. Each student will play a role in Student Parliament.

Now students are faced with the big decision whether or not to stand for election as a member of the Student Leadership Team. Thursday’s workshops will hopefully have provided Year 5 students with some additional skills that will be of assistance both now and in the future. Good Luck, Year 5!

I would again ask parents to please notify me in writing if you know your children definitely will not be attending Cromer PS in 2015. Also, I would appreciate knowing if there is even a possibility children may be moving. Written advice also must be provided if students will not be back for the start of the 2015 school year due to extended travel or holiday arrangements. Mark the envelope Attention: The Principal.

Naturally we already are aware that Year 6 will be moving onto high school so do not need written advice about these students. We anticipate a decrease in enrolments as we have more Year 6 departing than incoming Kindergarten enrolments. We are desperate to have accurate parental advice. We anticipate we will be down two mainstream classes but could easily lose another class and this will definitely impact on our staffing. Your co-operation in this vital matter will be sincerely appreciated.

DEPUTY PRINCIPAL’S REPORT

Welcome back to Term 4. We hope you all had an enjoyable, safe and relaxing holiday. It’s great to see so many smiling faces as we walk around the school. A special welcome to all our new families who started at Cromer this week.

As we enter into the last school term for 2014, we’re looking forward to another rewarding term for all our students.

PLANNING FOR 2015

The school is in the beginning process of planning for 2015. Within this planning process we try to foresee the school’s enrolments for next year. If you are planning on moving from the area and your child **WILL NOT** be attending Cromer next year, please confirm this in writing to either Nicole Herrmann or myself by the end of **Week 6. (Friday 7th November)**. Thank you to those parents who have already confirmed this in writing.

Class Organisation 2015

It is important for students’ social and emotional development that they make and retain healthy friendships at school. Teachers recognise that students are more comfortable starting a new class each year if they have at least one friend with whom they can relax and relate. This is an important aspect of class planning.

If you wish to forward a request concerning your child’s educational or social needs / placement for 2015 this will need to be put in writing to either myself or Nicole Herrmann by **Friday 31st October**. Unfortunately we will be unable to accept requests after this date. We have attached a copy of the School’s Class Organisation Policy for you to refer to.

2015 KINDERGARTEN TRANSITION TO SCHOOL PROGRAM

The first of the 2015 Kindergarten Orientation sessions for next year’s Kindergarten students was held earlier this week. We’d like to take this opportunity to welcome all our preschoolers and parents to the school over the next 4 weeks for their Transition to School Program.

Many thanks to Ms Nicole Herrmann, who has been instrumental in organising our 2015 Kindergarten Transition to School Program and to the Kindergarten teachers for openly welcoming our new students and their families.

Our 2015 Kindergarten students are invited to attend their **second Kindergarten Orientation session next Tuesday 14th October**. During this time, parents are invited to the staffroom for morning or afternoon tea and a Parent Forum presented by Mrs Louise Jacob, addressing “Literacy in Kindergarten”.

PARENT FORUM

Many thanks to Mrs Katie Woodley for organising a very informative Parent Forum on Wednesday evening about **“STRUCTURE FOR SUCCESS”**. Mrs Jan Grant, an early educator who now works as an Adult Educator and Counsellor presented a workshop which explored parental expectations, defined self-esteem and discussed skills needed for children to become competent adults. We’d like to take this opportunity to thank Mrs Grant for her wonderful interactive presentation and to the parents who participated in this valuable workshop.

SAVE THE DATE!!! Parent Forum - TUESDAY 28th OCTOBER

The next parent Forum will be conducted on **Tuesday 28th October, from 7 – 8pm**; prior to the P&C meeting. Nicole Herrmann and myself will present a workshop on “**What you need to know about your Child’s Report**”. We will be explaining the structure of your child’s report and how the new NSW English & Maths curriculums have changed the way we report.

SELECTIVE HIGH SCHOOLS

Are you already thinking about your child’s **Year 7 placement in a selective school in 2016**? Selective high schools are government high schools that cater for highly-achieving, academically talented students by offering an educationally enriched environment.

Application for **entry to a selective high school in Year 7 in 2016 will be online only, from 14th October, 2014**. You’ll find more information about selective schools and dates for examinations at: **http://bit.ly/selectiveHS**
STUDENT SUCCESS

Year 5 Leadership Day

Our Year 5 students participated in a “Student Leadership” day where they worked through a variety of activities that will provide them with an idea of what the life of a Cromer PS minister is like. Thank you to Mrs Judy Farr for coordinating the day and to the Year 5 teachers for modelling their own leadership skills with the students.

Next week, students in Year 5 will receive paperwork relating to “Student Leadership” in 2015. Please take some time to read through the paperwork with your Year 5 child and return the required notes to your child’s teacher at your earliest convenience.

Year 2 Swimming Scheme

All of the Year 2 students began a Learn to Swim and Water Safety Program at Manly pool this week. We’d like to congratulate the students on their efforts and behaviour in and around the pool. We’re looking forward to hearing about their wonderful achievements over this two week program.

We’d also like to take this opportunity to thank Mrs Gabi Connor for her wonderful organisation of this extremely important program and the Year 2 staff for their support.

WELFARE @ CROMER

School Uniform

It’s great to see so many students wearing their school uniform with pride. Just a reminder as we come closer to the end of the year, students are required to be wearing their school hat, not a brand named hat, black shoes on the days where sports shoes are not required, white or grey socks (not ankle socks that get hidden by the shoe) and the correct school uniform at all times.

Unfortunately, we have some students wearing “skins” (black lycra shorts) underneath their sports uniforms on the days of their Physical Education lessons and sports days. “Skins” are not part of the school’s sport uniform and an unnecessary piece of clothing worn at this time of the year. It would be appreciated if parents could encourage their child/children to wear their correct uniform and sports uniform at all times.

Don’t forget, the new Senior girls summer skirt is available from the Uniform Shop now!

KINDER and YEAR 2 ETHICS CLASSES

Unfortunately we are no longer able to run the Kindergarten and Year 2 Ethic classes that were formed this year. After many weeks of advertising in the Weekly, we have been unsuccessful in being able to seek teachers for these classes. All Kinder and Year 2 Ethics students will return to Non scripture classes for the remainder of the year. If you would prefer your child to attend Bahai, Catholic or Protestant scripture, please put this in writing to your class teacher.

WORLD TEACHERS DAY – Friday 24th October

Internationally World Teachers’ Day is celebrated on the first Friday in October. However, as this is usually during Australian school holidays, Australia celebrates the day on the last Friday in October of each year.

Every day, in classrooms, our teachers are making a difference. They are transforming lives and giving our students a sense of wonder, hope and opportunity. Teacher quality is well known to be the single biggest influence on a student’s ability to learn. When it comes to the education of children, teachers are the most important resource. Cromer Public School is very fortunate to have so many teachers of such high quality. We’d like to take this opportunity on behalf of the Cromer Community to thank our colleagues for their tireless work in providing the high quality of education they do, every day, for all our students. Your hard work doesn’t go unnoticed.

Everyone has fond memories of being at their nan and pop’s place – it’s where you go to get the kind of love that only a grandparent can give. Cromer Public School will celebrate our shared memories of being at home with our grandparents on:

Event Date: Wednesday, 22nd October, 2014
Start Time: 12 noon
Where: In Classrooms and then a picnic lunch on the oval.
Invitations will go home next week.

Kindest regards,
Julie Johnson and Nicole Herrmann

SENSORY GARDEN

We are very excited that Cromer Public School has won a grant from Telstra to create a new Sensory Garden. The new garden will be established so children can explore, investigate and build relationships within a safe and inclusive environment. The garden will have games tables, dinosaur digs, blackboards, a fairy garden and some fragrant plants.

We are hoping that we have some talented parents who would be able to assist with the design – so we can start the garden as soon as possible. Please contact the school and we will be in touch.

Mrs Kym Trevena
Chairperson
Student Welfare Committee
Welcome back to term 4! We hope you all had a great break and are looking forward to another busy term at kids club.

Vacation Care: Our vacation care program went really well, with our numbers increasing again, especially on our excursion and incursion days. The children went to Lennon Bros Circus (which was fantastic!) with a picnic lunch after the show, bowling at Dee Why, which is always a favourite with a walk to Dee Why Park for lunch and a play. A French Mime Artist came to the centre along with Fit Kids Australia, Mutty Crew and Things that creep & crawl, which were all enjoyed by the children.

Our theme this week at kids club has been Grand Finals (sport). In the kitchen we have made mini pizzas, savoury pies and cupcakes with the winning team colours. Staff have organised group games of soccer, footy, basketball and handball for the children to play together.

Have a great weekend!

Boys Dance Group

Could all our current dance boys please return their costumes to Mrs Trevena ASAP as they need to be returned to Miss Vicki.

2015 Boys Dance Groups are starting next Wednesday

Could all boys from K-4 please come to the hall Wednesday 29th October, first half lunch, if they are interested in participating in the 2015 Boys Dance Groups.

The boys must be prepared to:

- Give up half a lunch time on Wednesdays.
- Attend two eisteddfods in 2015 usually in May and July (Dates to be confirmed in early 2015)
- Attend Creative and Performing Arts night in Term 3.

Looking forward to seeing you there.
Mrs Trevena, Mrs Lawson and Miss Vicki

Class Organisation Policy

In the formulation of classes at Cromer Public School the following factors will guide the decision making:

- Department of Education and Communities staffing formula,
- A balanced distribution of students abilities and genders,
- Professional skills and preferences of teacher,
- Parental Information, and
- Student relationships – see Note 1.

In the allocation of students to particular classes the following factors will guide the decision making process:

- Needs of individual students, and
  - these may be social, intellectual, emotional, or physical.

The identification of these needs will be achieved through:

- Professional deliberations of staff who are familiar with the student,
- Consideration of academic and welfare data,
- Student’s educational history (previous classes, special circumstances etc.),
- Parental presentation of significant information about their child (health, history, social or emotional factors) See Note 2.

Note 1.

It is important for students’ social and emotional development that they make and retain healthy friendships at school. Teachers recognise that students are more comfortable starting a new class each year if they have at least one friend with whom they can relax and relate. This is an important aspect of class planning.

There are situations, however, when teachers believe that certain children’s learning can be enhanced if they are placed in a separate class from a friend or group. This can present some students with a period of difficulty as they adjust. Teachers monitor the situation to ensure a successful start to the year.

Note 2.

Parents are naturally interested in their child’s happiness and are keen that their child adjusts well to school and to the new class each year. The school welcomes any information which will assist your child in this process. Parents are asked to present information to the Principal or the Deputy Principals in writing prior to the end of Week 4 Term 4 when the school is planning class organisation. These requests, while considered, may not always be able to be accommodated. These requests need to be made annually as previous requests are not carried forward each year.
Chess Stimulates Minds

Chess Club aims to provide an opportunity for children to learn and utilise chess skills and to develop related skills such as fair play, strategic decision making and focus. There are significant benefits that accrue to a child’s broader learning from playing chess including:

- Improving critical thinking skills and concentration
- Learning good sportsmanship – the ability to win and lose with grace
- Developing decision-making and planning skills
- Making new friends and having fun!

We are fortunate to have secured professional coach George Winter to guide our club. George has played competitive chess for 45 years and has experience coaching the primary school age group.

In Term 4, classes will be split into two streams: a beginners and a more advanced group, so each child can play and learn at an appropriate level.

COMMISSION FREE

HOUSE SALE

Are you or anyone you know thinking of selling your house in the next 6 -12 months?

Peter Capindale, Ray White Narrabeen & Narraweena has kindly offered to donate a property sale to the highest bidder in lieu of his usual agents commission. This is a fantastic opportunity for anyone thinking of selling their property to make a substantial saving whilst helping Cromer Public School raise much needed funds.

Interested? For further details or for a copy of the general terms and conditions of this offer please contact Kate Smith on 0402 944 523. For contract details, call Peter Capindale, Ray White on 9984 7100 or 0457 334 791. Following an obligation free consultation with Peter, should you wish to participate in this incredible fundraiser please call Kate to officially register your interest.

The Ray White team have also generously donated a vintage bike which Peter will be auctioning at the Trivia Night. This would be a great opportunity to come and meet Peter.

The closing date of this incredible offer is Friday 19th December 2014 at 5pm. The person offering the highest donation will be committing to selling their property with Peter Capindale from Ray White Real Estate.

This opportunity is open to any potential sellers on the Northern Beaches, not just the Cromer Public School community.

Please spread the word Cromer -

It’s a terrific opportunity for our school!

The simplest way
...to food shop on a budget

Here are our 5 top tips for saving money at the checkout:

1. Create a weekly menu plan
2. Write a shopping list according to the menu plan + stick to it!
3. Compare unit pricing - often you will be able to save a lot of money this way
4. Buy fruit and vegetables that are in season - this can save you up to 35% than other times of the year or buy canned/frozen where fresh is not available
5. Limit your purchases of processed snacks/meal - these are often unhealthy and expensive

Collaroy Swimming Club

Our club offers a great family environment for swimmers aged from 5 to 85. Children improve their swimming by competing in races over distances which increase as their ability increases. Parents can improve their fitness by swimming at the same time. You don't need to be an Olympic champion! Just a spirit of fun for some friendly competition.

We swim all strokes over distances of 15, 25, 33, 50 and 100 metres. All races are time handicapped to ensure that everyone swims against members of similar ability and wins a few races during the season. We also offer free stroke correction to members and learn to swim for juniors.

We swim every Sunday at 10:00 am but you must be registered by 9:45. All races are usually finished by 12:30. So why not come down to the Collaroy rock pool and see how it works before you decide if it is the Club for you.

Enquiries please email collaroyswim@gmail.com.au or contact the Club President, Anthony Brown on 9992-7114.
