PRINCIPAL'S REPORT

Year 5 parents are advised that applications for Selective High School in 2016 can be found on the Department's website at www.schools.nsw.edu.au/shs_placement. Parents must apply between 14th October and 17th November 2014.

There are a number of changes to this process. They include:

- All applications must be made online.
- Late applications will not be accepted.
- Parents can make only three choices instead of four.
- Schools will receive application information booklets for distribution to parents. Paper applications are no longer printed.
- Family placement claims are not considered.

Today each Year 5 student has received an Information/ Intention Letter on blue paper. If you intend to apply for Selective High Entry for your child please return the slip: Intention to apply: Year 7 entry to selective high schools in 2016 by next Friday, 24th October. You will then receive the booklet Information about applying for Year 7 entry to selective high schools in 2016 which should be of assistance with the application process. Please read the booklet before going online to complete the application. Applicants will sit the Placement Test on Thursday, 12th March 2015.

As a school we have started our journey with the new planning process to set our strategic directions for 2015 – 2017. We have surveyed our teachers looking at Teaching and Learning. We will be seeking input from primary aged students and also from parents. We hope to use different forms of technology to gather data and will be letting you know more in the weeks to come. To date School Council and the School Executive have been involved in developing a Draft Vision and three Strategic Directions and are currently refining the purpose of the strategic directions before presentation to wider audiences.

The coming week is going to be exciting. Saturday night will see trivia lovers in their element. Year 3 parents have organised a fantastic Trivia Night as part of the Parents & Citizens Association Calendar of Events. This should be lots of fun. Year 6 and their teachers are on the countdown to the Year 6 Play that will be something special on Tuesday night.

On Wednesday we will welcome Grandparents to CPS at 12.00 noon. I am disappointed that I will miss Grandparents Day but will be attending the Australian Primary Principals Conference in Sydney from Wednesday through to Friday. This year’s theme: “Creating the future together” has a range of amazing speakers from Australia and overseas and will involve nearly 800 Primary Principals from the State, Catholic and Independent Systems.

Let’s all have a wonderful week!

DEPARTMENT OF EDUCATION AND COMMUNITY INFORMATION
Getting organised for Term 4
Welcome back to school! Keep track of the week numbers of each Term and help your family stay on top of the million and one things happening this time of year with School A to Z's monthly planners. They're easy to print out and pop up on the fridge for all to see. You might even want to print a spare for each child's bedroom so there are no excuses for them to forget homework, chores and other weekly activities. [http://bit.ly/UbmQz8](http://bit.ly/UbmQz8)

Public speaking made easier.
Many people rate speaking in public as one of their worst fears. But it’s an important skill for kids to master, which is part of the reason why we start them off with News in Kindergarten and progress to other presentation skills from an early age. Helping your child prepare their speeches and presentations at home will really boost their confidence. Here are practical tips any parent can use: [http://bit.ly/Kr3ukB](http://bit.ly/Kr3ukB)

Motivating “laid-back” children
Why do some children prefer to lead a lazybones life, while others love to tear around the sports field? Is it a hereditary trait? And what can parents do to encourage those children to get up off the sofa, or switch off the computer, and get a little physical?
Find out more: [http://bit.ly/1s5TN5Z](http://bit.ly/1s5TN5Z)
Lunch box ideas

Kids tired of the same old sandwiches for lunch each day? School A to Z’s Lunchbox section has some fresh ideas to help busy parents add some healthy, fresh variety to school lunches. [http://bit.ly/gsfDOE](http://bit.ly/gsfDOE)

HALLOWEEN REMINDERS DIRECT FROM THE LOCAL POLICE….

“Northern Beaches Police will be conducting a major operation targeting anti-social behaviour, especially egg throwing over the Halloween period. Any student having been identified as being involved in any of these offences will be dealt with accordingly under the Young Offenders Act or for more serious offences charges may be laid.”

*(Please see attached letter from the Police with full HALLOWEEN details)*

BIKE AND SCOOTER SAFETY

Please remind your child/children to wear their helmets when riding a bike and / or scooter to school. Students also need to take extra care at pedestrian crossings! Stopping at the kerb, looking left and right, then walking their bike and / or scooter across the road to help with their safety! A neighbour of the school has witnessed many near misses on Carawa Road near the shops.

Kindest regards,

*Julie Johnson and Nicole Herrmann*

Our theme this week at Kids Club has been Family & Community. We have had discussions with the children about workers in our community and what roles they play. In the kitchen we cooked apple pies and vanilla slices (Baker), sausage rolls (Butcher) and we cooked doughnuts with sweet fillings on the BBQ (Policemen).

On Friday we are hoping to have a visit from the RFS, to talk with the children about fire safety and what the RFS is all about. (Weather dependent)

Our trivia and group games were related to our theme while outside in the playground, and craft inside had the children drawing pictures of their families and community and decorating Chef hats.

Have a great weekend!

Dear Principal,

Re Halloween – Friday 31st October 2014

The Northern Beaches Local Area Command has in previous years experienced a number of problems with festive activities associated with the celebration of Halloween. This year Halloween is on Friday 31st October.

Some activities associated with Halloween involve egg throwing and the use of dye. Egg and potato throwing and the use of dye bombs etc have been used in the commission of a number of offences ranging from malicious damage to assaults. Malicious damage involves damage to public and private property, as well as to a number of motor vehicles. Although throwing an egg/ potato or squeezing dye on property may appear minor the clean up and financial cost to the victim can be quite substantial. The injury that may occur to a victim from an assault involving the use of an egg or dye can range from mild discomfort to a serious and permanent eye injury involving loss of sight.

I am seeking your assistance in addressing this issue with your students prior to this date. It is extremely important that your students are aware of the severity of these offences and that they are committing a criminal offence. The repercussions should they be involved in any of these offences can result in a criminal record. Having a criminal record also has consequences ranging from loss of employment opportunities, loss of financial assistance including loan applications, acceptance into voluntary services, acceptance into sporting clubs, as well as the impact on visa and travel opportunities.

Northern Beaches Police will be conducting a major operation targeting anti-social behaviour over this period.

Any student having been identified as being involved in any of these offences will be dealt with accordingly under the Young Offenders Act or for more serious offences charges may be laid.

Please report any information obtained regarding these offences or the purchasing and distribution of eggs for this purpose to Dee Why Police Station on 9971 3399.

Thanking you,

Rochelle Bird

Free Stepping Stones Triple P parenting support

The University of Sydney has launched a new project that will offer free parenting support to parents and caregivers of children with a disability aged 2 to 15 years, starting from early 2015. The Stepping Stones Triple P (CSTP) Project aims to significantly reduce emotional and behavioral problems in children with a disability by providing evidence-based parenting help.

Parenting is a challenging job, but parenting a child with a disability has additional challenges that can significantly impact upon the health and wellbeing of all family members. There is a need for affordable, widely available, effective support for children and their families. Helping parents to manage behaviour and emotional problems can reduce parent stress and increase confidence. However, parents often don’t have access to evidence-based help.

Stepping Stones Triple P is an evidence-based parenting program specifically tailored for parents caring for a child with a disability. It introduces parents to a range of proven strategies to encourage positive behaviour, teach new skills, and to more effectively manage challenging behaviour.

The Stepping Stones programs are supported by an extensive body of research showing decreases in parent-reported child emotional and behavioural problems and increased parent confidence after participating in a Stepping Stones program. These results have been found when delivered in research settings and in school staff in mainstream and special schools.

Stepping Stones programs will be offered free of charge to parents of children with a disability across New South Wales in 2015 and 2016, alongside free training for professionals.

The project’s first step is a 2014 survey of parents and professionals across NSW to benchmark families’ experiences and the need for parenting support. Parents and caregivers who have a child with a disability aged 2 to 15 years, and professionals working with families, can register their interest in the project by completing the MySay survey at www.mysay.org.au.

For more information, please contact the research team on (02) 9114 4060 or triplepsychotherapy@sydney.edu.au. You can also visit and “like” us on Facebook at http://www.facebook.com/SteppingStonesTriplePProject.
