PLEASE READ CAREFULLY

Once again, in utter desperation I am seeking parental co-operation and support in providing accurate student information for 2015. Schools face an uphill battle in planning for the next school year when parents do not let us know if their child or children will not be in attendance in the following year.

We really need to know if your child/children will definitely not be attending Cromer PS in 2015. We have had very little response from parents in writing but children have told their teachers they are going to other schools next year. Also, I would greatly appreciate knowing if there is even a slight possibility that your family may move. This helps us to plan for various scenarios for class formation. Every form of organisation is based on enrolment numbers.

Operating in the great unknown is totally frustrating. Planning classes for next year is also impossible without accurate enrolment numbers. We know our Year 6 students are moving onto high school therefore we do not need this advice in writing. At present we have 120 Year 6 students leaving but only 93 confirmed incoming Kindergarten students. This is a shortfall of close to 30 students combined with other known movements meaning we believe we will have two less classes K-6 next year. This means the loss of two teaching positions and two classrooms in 2015. It will also bring change to all other staffing allocations and the level of funding received.

Our Kindergarten numbers have changed on a daily basis. We enrolled a new child on Thursday but lost two others for Kindergarten with changed family circumstances. From what we know we are just scraping by holding 30 classes K-6 and one Special Education class. Without accurate information we could easily lose another class at the start of the new school year. We have had 34 classes in total in 2014 but will have 31 possibly 30 classes in 2015.

It is also imperative that written advice is provided if your family will be on holiday at the start of the new school year especially if you will be travelling interstate or overseas and cannot be contacted. Children cannot be included in total enrolment numbers unless they have been physically present. If schools have written advice that the child/children will be returning on a set date he/she/they can be included in the enrolment figures. Every Principal dreads facing having moved children into one organisational pattern then having to go back to the drawing board to collapse a class. In the majority of cases when this has taken place it can be attributed to lack of parental advice.

If you know your child or children will definitely not or possibly will not be attending Cromer PS in 2015 please put your advice in writing and mark the envelope: ATTENTION: JULIE JOHNSON and/or NICOLE HERRMANN and hand it in at the office by Friday 7th November. This will go some way in helping us to get a clearer picture on what class organisation model we can implement in 2015. I truly will appreciate your co-operation in this urgent and vital matter.

Thursday saw the conclusion of the successful Kindergarten Transition Program. It has been wonderful to see so many parents and grandparents attend these sessions and I know our incoming Kindergarten students have really enjoyed their visits to classrooms. Deputy Principal, Nicole Herrmann must be thanked for her fantastic organisation.

I also want to acknowledge staff and parent presenters for their informative talks in the various workshop sessions, thank the existing Kindergarten Team who have welcomed pre-schoolers into their rooms and offer a sincere vote of thanks to the rest of the school who absorbed our current Kindergarten students into their rooms whilst Kindergarten Transition took place. This was a big team effort by everyone involved in the various aspects of the Program. Many thanks students, staff and parents!

DEPUTY PRINCIPAL’S REPORT

2015 KINDERGARTEN ENROLMENT
Our Kindergarten Orientation program has now finished. Thank you to all the Year 5 students who were wonderful helpers in the Kinder classrooms, the dedicated Kindergarten teachers and our great support staff who assisted us with the four 1hr sessions over the past 4 weeks! Our young visitors had a terrific time at their new ‘big school’!!!

Many, many thanks to our 2014 parent presenters: Maria Berne, Georgie Wilcox, Sandra Fowler, Lisa Murray and Lou Hegarty for your wonderful insights into ‘Life in Kindergarten’! We truly appreciate your support.

Please enrol your 2015 Kindergarten child by filling out an enrolment form from the front office if you haven’t done so already.

CONTINUED PLANNING FOR 2015
A final reminder….. If you are planning on moving and your child WILL NOT be attending Cromer next year, please confirm this in writing to either Nicole Herrmann or Julie Johnson by the end of Week 5 (Friday 7th November).

If you wish to forward a request concerning your child’s educational or social needs/placement for 2015 this will also need to be confirmed in writing to either Nicole Herrmann or Julie Johnson by TODAY……the end of Week 4 (Friday 31st October).

Unfortunately, we will be unable to accept any requests after this date.

ASSESSMENT and REPORTING PARENT INFORMATION EVENING
Thank you to the parents who attended our special parent forum on Reports before the P&C Meeting on Tuesday evening. We explained the background to the new Australian Curriculums and how they have changed the way in which we teach, assess and report on our students’ achievements using 21st Century learning skills.

FINAL CLASS PARENT MEETING – Week 5
Next week will see our final Class Parent Meeting on Wednesday 5th November from 9am in the staffroom. We will be talking about all the important end of term 4 dates/events, recapping 2014 achievements and forward planning for 2015.

We wish to take this opportunity to thank Fiona Aldred for her coordination of this highly valued Cromer community parent group!

SPOTLIGHT MOMENT IN SPORT

Two of our Year 5 students have been selected to play cricket for Manly Warringah Junior Cricket Association. Ben E (5Q) and Tyco W (5F) have been selected from over 100 boys to represent Manly Warringah in the U11 Representative Team. The trials are vigorous & lengthy, starting back in April.

Ben & Tyco will travel around the Sydney Metro area playing games against other regions from November 14 through to February 15. They train every Friday night at the Narrabeen Sports Academy in addition to training & playing for their respective Clubs.

Congratulations boys on a wonderful achievement!

KIDS CLUB NEWS

Website: www.ooshnb.com.au Centre No: 9971 2332 or Office: 9984 8089 Email: manager@ooshnb.com.au

Kids club this week has been all about Halloween. On Monday morning at BSC, the children decorated the centre with all things Halloween including balloons, creepy bugs, spider webs, skeletons and window decorations. In the centre the children have made Halloween lanterns, creepy crawly pops, monster blow paintings and Halloween treat bags.

In the kitchen we have made angel pumpkin cake, Halloween cookies, eyeball cupcakes and cups of worms dessert. We have had Halloween trivia before afternoon tea and played games outside relating to our theme.

Have a great weekend!

CYBER SAFETY

CyberSafety and Digital Citizenship - A Guide for Parents - Bookmark this page!

As your child spends more time on computers, portable devices and mobiles, it is important to understand how to help them stay safe and responsible. You don’t have to be a computer whiz. The great news is, there is help out there! Learn about CyberSafety and Digital Citizenship at the Department of Education and Communities website: www.digitalcitizenship.nsw.edu.au. On this site you will find interesting facts, tips and interactive activities to support you and your child.

We have also found a great link to show children about safe searching on YouTube. Although they don’t have access to it at school, it’s a great quick video to help children surf safely at home. https://www.youtube.com/watch?v=tkMPZuNFBs&feature=player_embedded
