On Thursday afternoon I went to the Hall with Year 5 students, Year 5 Teachers and the Senior Executive. I thanked all of the Year 5 students who had the courage to stand for the Student Leadership Team in 2015.

With so many wonderful candidates I know Years 3, 4 and 5 students had a far from easy task to select the ten boys and ten girls who would take on Ministers’ roles in Student Parliament next year. The Ministers will actually vote amongst themselves as to who they believe should become the Captains and Vice Captains.

I truly feel for those who were not elected. I understand that we have seven boys and eighteen girls who would have been disappointed. I want these students to know that they convinced me that they have much to offer fellow students. I hope those who take on the Ministerial roles will harness their fellow candidates’ energy and commitment to the school.

I have always found it fascinating to read of the achievements of some of the world’s great leaders as many were never elected as a captain, minister or prefect in their primary or secondary schools. Many were quiet achievers who were committed from a young age to make a difference on behalf of others because they wanted to make the world a better place. Sometimes it is our disappointments that make us stronger people so to those who missed out keep your chin up and be very proud of yourself because you too, are leaders from my observation.

The Ministers will need a lot of support and assistance from their fellow Year 6 members of Student Parliament as they represent all students from Kindergarten to Year 6. I believe the student body have selected twenty Year 5 students who will represent them to the best of their ability in the coming year.

It gives me great pleasure to congratulate the following students who have been elected as the 2015 Student Leadership Team:

Many best wishes from the entire school community of students, staff and parents. We now move onto the election of the Sports Captains and Music Captains next week. Good Luck to all candidates!

DEPUTY PRINCIPAL’S REPORT

Students Leaving in 2015
Thank you to those parents who have confirmed in writing that their child/children will not be attending Cromer Public next year. Your early notification will greatly assist with our planning of classes for 2015. If your child/children will not be attending Cromer next year, it would be greatly appreciated if you could put this in writing to Nicole Herrmann or Julie Johnson as soon as possible.

Late return to school in 2015
School resumes for Years 1-6 on Wednesday 28th January 2015. If your child/children will not return to school on this date due to your family being on an extended holiday, it would be greatly appreciated if you could put this in writing to Nicole Herrmann or Julie Johnson before the end of the year. It is imperative that we know this information before the start of 2015, as it will impact on the number of classes we form at the beginning of the school year.

PSSA SPORT – Primary School Sports Association
We would like to thank Mrs Sarah Riddington and Miss Julia Waugh, the school’s Sports Co-ordinators who have worked tirelessly across the year organising the PSSA teams. We would also like to take this opportunity to thank the many teachers/coaches who have also worked extremely hard in training teams both before and after school and participating in PSSA competitions throughout the year. Your expertise, dedication and commitment have been truly remarkable. The school community appreciates your time and effort in enabling the students to have this wonderful opportunity to participate in the many sports offered.

Home Sport Program
A huge thank you must also go to Mrs Sharon Newling, the school’s Home Sports Co-ordinator who has worked tirelessly across the year organising the home sport program at school each Friday. Thank you also to the many teachers and School Support Learning Officers who have also worked extremely hard in upskilling the students in the home sports program throughout the year. Your dedication, commitment, enthusiasm and support to the weekly activities have been outstanding. The school community also appreciates your time and effort in enabling the students to have this wonderful opportunity to assist in further developing the students’ skills.

2015 School Band and Strings Recruitment
The Music Committee is now seeking applications for new members to join the school’s Band and Strings programs for 2015. We have a growing and successful band and string program which is overseen by talented and highly accredited conductors and run by a dedicated committee of volunteers, supported by both the school and the P&C.

A reminder that 2015 Band and Strings recruitment forms are due back to school as soon as possible.

We’d like to take this opportunity to thank Mrs Fi Maurer, Mrs Karen Whiley, Mrs Nancy Chaffer and Ms Nicole Herrmann for the wonderful work they do behind the scenes, and all the parent volunteers who assist with making our Music programs so successful. Mr Kelvin Anderson and Mrs Kathryn Crossing, our very talented and highly accredited conductors also need to be thanked for their professionalism, commitment and dedication to the school’s band and strings programs.

Congratulations also to the students and parents who week in and week out attend tutoring sessions.

We’re looking forward to another rewarding year with our Music programs in 2015.

Road Safety
It has been brought to our attention that there are a number of parents in and around the “Kiss & Drop Zones” having their children embark from the vehicle on the road side of the vehicle. For our students’ safety, please encourage your child/children to embark from your vehicle on the kerb side. We don’t wish to see any of our students injured by any other parents or staff driving past.

PLEASE KEEP OUR KIDS SAFE!

**School A to Z Website**

Previous newsletters have recommended the Department of Education and Communities’ website [www.schoolatoz.com.au](http://www.schoolatoz.com.au).

It is a great place for parents to find information on preparing your child for school (both Kindergarten and moving into High School); on building resilience and assisting your child/ren with building friendship skills; and information about all of the Key Learning Areas, from Kindergarten to Year 12.

**Preparing for high school**

Sometimes parents think that when their child goes to high school they need to take a step back but teachers involved in the transition say it is more about a change of focus.

Here are some tips:
- In Year 5 start thinking about which high school your child should attend.  
- Help them become more responsible by encouraging independence and responsibility.  
- Get into a homework and study routine.  
- Put their school timetable somewhere obvious – like the fridge door.  
- Meet your child's high school Year 7 advisor and tell them if you have any concerns.  
- Stay interested and involved in your child’s high school life – they still need you.

There is a wonderful video from the School A to Z website featuring advice from teachers about how to make the move into high school less daunting. Click on the **WELLBEING** page and then the **Development title** on the left hand side of the page.

**School Buses – 2015 Information from Transport for NSW**

Please note that any students from this years’ **Year 2 going into Year 3 next year who already have a bus pass**, will need to apply for a new bus pass for 2015.

Students **moving from Year 6 to Year 7 in 2015** also need to complete a new form along with any student who has changed address. The forms are available from the front office.

Have a wonderful weekend.  
Kindest regards  
**Julie Johnson and Nicole Herrmann**

“Children’s Choice” was our theme at kids club this week. The children chose what games they would like to play, craft they wanted to make and what recipes we were going to cook in the kitchen.

In the kitchen we made ice cream choc wafers, snickerdoodles and coconut malteser slice. Group games played, included, 44 homes, ship shark shore, handball, cricket and pac man. The children wanted to make paper planes and by the end of the week the planes had become quite detailed and could fly further!

**Vacation Care:**
It’s time to book into our fantastic Vacation Care Program! These holidays we will be celebrating Christmas with cooking craft and games, having our own OOSH talent quest, cupcake competitions, kite making, water fun days and back by popular demand wheels day. We will also visit the Chinese Gardens, Movies at the Mall, AMF Bowling and the Crazy Scientist is back with 2 shows!

Have a great weekend!

Cromer PS has shown extraordinary generosity in the past and we feel that this is a positive experience for our students.
