Welcome back to the start of Term 2!

I am sure the school community will join with me in welcoming Mrs Louise Green and Mr Ben Tasker to Cromer Public School. Mrs Green has taken up one of our Assistant Principal positions through merit selection. Importantly she becomes 2AP’s Class Teacher and will be leading the Year 2 Team. In a class meeting the children from 2AP would now like their class name to become 2G. Similarly Mr Tasker’s class was 5P and they will now become 5T.

At the end of Term 1, a merit selection panel was conducted for the other vacant classroom teacher position we had on Year 5 (5N). One of our Temporary Teachers, Mrs Leah Wood was successful in gaining that position. We sincerely congratulate Mrs Wood on gaining permanency with the Department. Mrs Wood had been covering a permanent member of staff on a full year’s leave. To cause as least disruption all round Mrs Wood will remain on Kindergarten and Ms Kate Murphy will continue teaching 5N. We have taken this opportunity to rename 5N to 5M. This will mean Class Names and Teachers Names on student progress reports will align.

I would like to offer many sincere congratulations to Mrs Nancy Chaffer for her superb organisation of the school’s ANZAC ceremony held on Wednesday. Our School Captains (Lauren & Patrick), Vice Captains (Kate & Christopher) and Ministers (Eva & Rhys) played a significant role throughout this moving assembly. I was so very proud of each one of them. Students in the audience from Years 3-6 were also fantastic.

Our special guests Major Chris Ballantine and Mr David Newell from Dee Why RSL Sub-branch, Ms Kim Picking-Jones with her beautiful voice and four amazing war veterans from ANZAC Village made this one of the school’s most significant events to date this year. Each of our special visitors is inspirational in their own right and we thank them for spending time with us. Michael D very kindly came back to his primary school to play the ‘Last Post’ and Joel E played ‘Reveille’. Their efforts were commendable. I would also like to thank Lynne Hand from our Office and wonderful mums Tammie West, Kate Smith and Kim Holst for arranging the floral tributes.

In closing, the Mothers’ Day Stall was a great success today due to the efforts of the Fundraising Committee and their groups of wonderful volunteers. Mothers are such special people in all our lives and I hope all mums and grandmas will enjoy Mother’s Day at the end of next week.

OPPORTUNITY CLASS PLACEMENTS for 2015

Government schools use a range of strategies to meet the educational needs of gifted and talented students. One strategy is opportunity class placement which provides intellectual stimulation and an educationally enriched environment for gifted and talented students.

Offers for opportunity class placement are made on the basis of the Opportunity Class Placement Test results and school assessment. The Opportunity Class Placement Test will be held on Wednesday 23rd July 2014.

Online applications close on Friday 16th May 2014. Applications after Friday 16th May 2014 WILL NOT be accepted. If parents do not have internet access, commercially printed application forms will be available on request from the school on Monday 28th April 2014. They must be completed and returned to the school by Friday 16th May 2014.

Detailed instructions on how to apply online will be available from Monday 28th April 2014 at www.schools.nsw.edu.au/ocplacement.

NAPLAN 2014 Timetable

NAPLAN tests are held in May each year for students in Years 3, 5, 7 and 9. For students in Years 3 and 5, there are four tests covering numeracy, reading, writing and language conventions (spelling, punctuation and grammar).

Parents or carers of students who sit for the NAPLAN tests will receive a written report of their child’s achievement in September.

CYBER SAFETY
CyberSafety and Digital Citizenship - A Guide for Parents - Bookmark this page!

As your child spends more time on computers, portable devices and mobiles, it is important to understand how to help them stay safe and responsible. You don't have to be a computer whiz. The great news is, there is help out there! Learn about CyberSafety and Digital Citizenship at the Department of Education and Communities website: www.digitalcitizenship.nsw.edu.au. On this site you will find interesting facts, tips and interactive activities to support you and your child.

We have also found a great link to show children about safe searching on YouTube. Although they don't have access to it at school, it's a great quick video to help children surf safely at home. https://www.youtube.com/watch?v=tkMPZuNFNBs&feature=player_embedded

Happy and Safe Searching!

SENIOR DANCE STUDENTS

Due to unforeseen circumstances, this weekend’s rehearsal has been cancelled. The weekend rehearsal will be re-scheduled for later in the term, closer to the Sydney North Dance Festival.

I sincerely apologise for any inconvenience this may cause.

LEARNING AND SUPPORT

During their school life some students will require additional support to achieve the learning outcomes appropriate to their grade. This support may be required for any number of reasons; students may require support for their academic progress or to assist their social and emotional development. Some children will require support around a specific area for a short time, and other students will require ongoing support throughout their school years.

All class teachers are both obligated and equipped to differentiate their teaching to support a range of students. If you have any concerns about your children’s education your first contact should always be with their class teacher.

In addition to the support and adjustments provided by classroom teachers, Cromer Public School is also given an allocation of a Learning and Support Teacher for four days a week. The school P&C very generously funds an extra day a week of Learning and Support meaning that we have a Learning and Support Teacher at our school five days a week.

The Learning and Support Teachers at Cromer PS target different grades across the year to ensure equity for all students. The Learning and Support Teachers at Cromer can provide support in many ways. They can provide collaboration and planning support to classroom Teachers or team-teach with them. They may provide in class support to specific students or work with small groups of students on a specific outcome, they may also facilitate a range of other supports such as volunteer programs. The Learning and Support Teachers are directly guided by the schools Learning and Support Team and work very closely with the School Counsellor.

To give these students the best opportunity to move forward with their reading we desperately need volunteers to work with them one on one. If you are able to spare 30-40 minutes of a morning or afternoon we would love to hear from you. We would also love to hear from any aunts, uncles, grandparents or friends who might be able to spare some time. Each student will be working on a structured individualised program and you will receive training in how to support them.

If you would like to help out with these programs, or if you have any questions, please contact me via the school email (cromer-p.school@det.nsw.edu.au) or by phone on Monday, Tuesday or Thursday (99710499).

Thank you for your assistance.
Mrs Katie Woodley
Learning and Support Teacher

**KIDS CLUB NEWS**

Welcome back to all our families for Term 2 at Kids Club. We hope you had a fantastic break!

**Vacation Care:** Our Vacation Care Program went really well. Our numbers increased, especially on our excursion days to the circus and the Australian Museum (dinosaur exhibit). The children had a great time at both as well as enjoying our incursions and in house days.

This week at Kids Club our theme has been “Space”. We had discussions about space with the children, played games, made spacemen for craft and had cooking recipes related to space including “moon rocks”, strawberry and cream stars, egg toast spacemen and moon craters.

We celebrated Bess’s birthday on Wednesday afternoon with the children making wrapping paper and singing her Happy Birthday.

Have a great weekend!

Cromer/Dee Why Scout Group
Family & Community Service since 1932

Scouts Australia’s prime focus is to enrich young people’s lives, encouraging, mentoring and empowering them to do their best so they will enjoy a self-satisfied and constructive future. It is through the development of life skills such as self-confidence, resilience and caring for others that our scouts become responsible, active, and committed citizens and help create stronger communities.

We are starting a Joey Mob for girls and boys aged 6 to 7 years.

Joey scout learn to help other people (HOP) through a program based on the Australian bush, its native animals, birds and plants.

Scouting is about learning through fun and adventure. Children/youth members learn by doing and we hope to make good Scouts of them, i.e. fully developed socially, physically, intellectually, environmentally and spiritually.

We are community based and welcome parent involvement. In fact, we rely on voluntary helpers for our volunteer leaders.
