DEPUTY PRINCIPAL’S REPORT

Winter has really hit us this week!! It’s a good idea to send the children off to school with their jacket on (labelled clearly with their name and class) as the mornings are getting quite cool.

Sincere apologies, from Mrs Maureen Gray for this week’s newsletter as there is no Principal’s Report. Mrs Gray is out of the school, on a course and then at the NSW Principal’s Conference.

PUBLIC HOLIDAY MONDAY….. reminder
Monday is a public holiday and there is no school. Enjoy the extra-long weekend with your families! School will resume on Tuesday at 8:50am.

ART CAMP
This week saw our inaugural inclusion in the Northern Beaches Art Camp in Brookvale for interested artistic students from Years 3 and 4. We wish to thank Miss Kylie Nixon for her organisation, selection of students and attending the children’s presentation. All 12 participants had a wonderful 2 days and were very keen to show off their talented creations once they returned to school on Wednesday!

Year 4: Jade W, Tara E, Fin-ox H, Kai S, Phillip L, Charlize I.

SENIOR MUSIC TOUR
We are very excited to announce that Cromer Senior Band and Strings students will be participating in an inaugural Music Tour at the end of the term. The Tour package went home this week for families to read and return their completed forms.

Forms and payment must be received by Friday 13th June (the forms actually say the 14th June - apologies for the confusion). There are many forms to fill out such as permission, payment and health forms. Can we please ask that you take the time to fill out these forms carefully and in their entirety, as we are sure you can imagine checking through the forms and then sending forms back to be corrected or completed is quite time consuming!

We wish to thank Mrs Nancy Chaffer and Mrs Fiona Maurer for all their organisation and preparation for this wonderful opportunity!!! Please don't hesitate to contact Nicole Herrmann or Nancy Chaffer if you have any queries.

PCS ‘YOUNG LEADERS’ PRESENTATION AT TARONGA ZOO
On Thursday, 14 of our Year 6 School Ministers were accompanied by Mrs Nancy Chaffer to Taronga Zoo as part of the PCS Young Leaders program. These students have been working on a Green Sea Turtle Presentation along with other leaders throughout the PCS. More information from the Ministers will follow.

PARENT FORUM: Reading – on Thursday 12th June from 9am
Each Term we will be holding very popular Parent Forums in the staffroom from 9am. Last term we held a wonderful workshop on ‘Children with Anxiety’. This term our topic is Reading. Mrs Sue Battaglene (Reading Recovery and ESL Teacher) and Mrs Katie Woodley (Learning and Support Teacher) will explain the how and why of learning to read. We will also discuss strategies for supporting reading development at home and some of the support systems that are available at Cromer PS. Please RSVP to the school office on 99710499.

Department of Education and Communities: INFORMATION FOR PARENTS
Too sick for school?
As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice. School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser www.bit.ly/1hytn2E

Mental maths strategies
We teach children a range of different strategies to add and subtract numbers. By showing them several methods for solving maths questions, we’re helping them to look for patterns. All this builds a good sense of “number” which
means they understand the relationships between different numbers and why different ways to add and subtract work well. The goal is that your child will understand many ways to approach a maths problem and will be able to choose a way that makes the most sense to them. School A to Z has a lot of resources, including help sheets on mental maths strategies, here: www.bit.ly/ JkiUsY

Warm Regards

**CYBER SAFETY**

CyberSafety and Digital Citizenship - A Guide for Parents - Bookmark this page!

As your child spends more time on computers, portable devices and mobiles, it is important to understand how to help them stay safe and responsible. You don't have to be a computer whiz. The great news is, there is help out there! Learn about CyberSafety and Digital Citizenship at the Department of Education and Communities website: [www.digitalcitizenship.nsw.edu.au](http://www.digitalcitizenship.nsw.edu.au). On this site you will find interesting facts, tips and interactive activities to support you and your child.

We have also found a great link to show children about safe searching on YouTube. Although they don't have access to it at school, it's a great quick video to help children surf safely at home.
