This week has certainly been a celebration of student achievement at Cromer Public School. Today parents will receive their children's student progress reports for Semester 1.

On reading I am sure you will appreciate how well your child’s teacher knows your child. I thank all my teachers for the time and effort devoted to this important task. Our DPs’ blood is worth bottling as they have worked tirelessly to get 830 reports printed overcoming some major technical difficulties. Many thanks Mrs Johnson and Ms Herrmann!

You are asked to sit down with your child and go through the report together. Please praise his/her achievements and efforts and encourage your child if there are any areas for development.

You will also find an explanation in your child’s portfolio about the changes to our reports in line with the implementation of the new NSW English Syllabus K-10 (Australian Curriculum). This explanation will also be included in the newsletter.

Last Friday’s “Frozen' Movie Night for K-2 was a great success. Special thanks to Amanda Caroll, Gillian Hunt and the wonderful Parent Volunteers from Year 2 and other years that ensured our littlest people had a fun and enjoyable night. DP Nicole Herrmann also was a great MC and supervisor. This was a great Parents & Citizens Association event.

Junior and Senior Dance Groups were absolutely stunning at Sydney North Dance Festival held over the last two weeks at Glen Street Theatre. I know the girls have appreciated having family members in the audience and would wish me to thank Leah Wood, Louise Jacob and Alison Quinn for their choreography, training and support in preparation for each performance.

I drove up to the Central Coast on Monday afternoon to see the Senior Band and Senior Strings whilst on their band tour perform at Narara Valley HS with bands from Narara Valley HS, Kanwal PS, Chittaway PS and Niagara Park PS. Each of the schools worked so hard throughout Monday in the various workshops and mastered some very difficult music.

I was incredibly proud of Cromer as our Band and Strings performed for the Central Coast audience. As we were the visitors we were the only primary school who performed on our own. In watching our talented students it brought home to me how incredibly fortunate we are to have Kelvin Anderson and Kathryn Crossing as our teachers and conductors. They are both so incredibly talented and bring out the very best in our students through their expertise, dedication and commitment to Cromer students.

Nancy Chaffer, Fi Maurer and Judy Farr truly supported our senior musicians over the two days and I am sure all the parents would join with me in singing their praises for their untold support and care. Both Mr Anderson and Mrs Crossing conducted major presentation pieces for the audience from the five bands including our strings. Seeing them in action with over two hundred and fifty musicians was wonderful.

At the end of the performance I had a grandmother, a retired teacher come up to me to congratulate me on how stunning Cromer students were in their recital pieces. A further compliment came our way when she asked if we were designated as a School of Excellence in Performing Arts.

I was then rung on Tuesday from the Sport Recreation Camp in Gosford where the students stayed at overnight with another gigantic compliment. The manager sang our staff and parent supporters’ praises and said our musicians were absolutely wonderful. He told me he considered that we had the best school with the best students he had encountered this year staying in the facility. This was fantastic unexpected feedback from someone who has thousands of children each year utilise the camp!

Senior Band and Senior Strings performed at both Valley View PS and Niagara Park PS for their school communities. However, the icing on the cake came with the performances at Niagara Park PS with the school determined to now establish a Strings Ensemble. The Principal and staff were just so impressed by the level of expertise displayed by our musicians and want to expand their music program.

Wednesday saw our Canteen have a superb Red Day special lunch – sausage sizzle for students. With over 450 orders Laura Scheutz and the Canteen Crew with lots of wonderful parent volunteers fed over half the school very efficiently. Our refurbished canteen goes from strength to strength and has really been well worth the investment as catering for functions on a large scale is far easier as volunteers have room to work. Many thanks for feeding our students so well!
Wednesday night saw our grade artworks go on display at Mona Vale PS as part of the PCS NAIDOC Week celebrations.

The Art Exhibition “Land Beyond the Sea” certainly showcased some very talented artists across various grades K-12. I was out their voting for the People’s Choice award with Cromer leading the way, though I must admit I was somewhat biased. Well done to all our boys and girls who contributed to these stunning combined artworks.

Special thanks must go to Nicola Stratton, Sarah Riddington and Leah Wood for their inspiring commitment to Aboriginal Education at CPS and throughout the PCS. I know our students who attended the PCS workshops on Thursday afternoon and evening as part of NAIDOC Week appreciated the opportunities presented to them.

It was also my privilege to see many of our talented Strings performing at the Opera House on Thursday Night. Our Strings were one of thirty five schools who came together in the Combined Public Schools String Ensemble for the Mimosa Concert Program of the Festival of Instrumental Music.

This was an absolutely impressive site as every student from the 35 schools had mastered the three performance pieces with aplomb. You can just imagine there was no room for music stands with such a large ensemble so our Strings have worked incredibly hard to know their pieces off by heart.

Special thanks to Kathryn Crossing and Jill Bradford for their ongoing teaching and developing the skills of Strings players. Caroline Coram and Nicole Herrmann are also instrumental in furthering the development of the Strings Program at CPS. I just loved the finale of the concert when over 1000 musicians came together to perform “Prince Ivan and the Grey Wolf”. This was an absolutely magical experience to witness.

Now we come to Friday 27th June…I would like to say: “Well done, Cromer students and staff!” You have survived a truly action packed Term 2 achieving success in both academic, cultural, performing, public speaking and sporting endeavours.

Happy Holidays!

Maureen Gray

2015 KINDERGARTEN ENROLMENTS

We are now accepting enrolments for 2015 Kindergarten students. If you have a sibling who will be starting with us next year, could you please assist the school by either downloading an enrolment form through the Department of Education and Communities website – www.det.nsw.edu.au or by collecting one from the school’s Administration Office and returning it as soon as possible. This early identification of sibling enrolments assists us greatly with our forward planning for the Transition to School Program beginning in term 4.

STUDENT and STAFF SUCCESS

Pittwater Festival

Last weekend saw many schools perform at Pittwater High school. Cromer’s three Bands and Intermediate String Ensemble performed outstandingly at this event. Not only did they perform outstandingly, but they also represented Cromer Public School extremely well. All the students looked professional, were respectful of their peers and teachers and played with passion and enthusiasm. Congratulations to all the students who performed over the weekend on your remarkable achievements.

Thank you to all the parents who supported the students on the day and for also supporting their children through attending tutorial sessions and encouraging lots of practice at home.

Thank you also to our dedicated staff members, Mr Kelvin Anderson, Mrs Nancy Chaffer, Mrs Kathryn Crossing and Ms Nicole Herrmann who spend countless hours supporting our band and strings programs each and every week. They are an amazing team!

Music Tour to the Central Coast

On Monday 23rd and Tuesday 24th June, the Senior Band and Senior Strings took part in the inaugural Cromer Public School 2014 Music Tour to the Central Coast.

The tour provided both mentoring/tutoring opportunities as well as performance opportunities. On Monday, our Music students were mentored by Narara Valley High School band and string students along with Mr Kelvin Anderson and Mrs Kathryn Crossing, our band and string directors. Rowen McBride, the Central Coast schools’ band director also assisted with the mentoring. Later that day, our musicians then played along with band and string students from Kanwal PS, Chittaway Bay PS and Niagara Park PS. At the conclusion of the day, Cromer students performed in a concert at Narara Valley High School alongside the high school students. On Tuesday our entourage travelled to Niagara Park PS and Valley View PS where they performed for these two school communities.

We wish to take this opportunity to acknowledge and thank Mrs Nancy Chaffer who initiated this wonderful event. Her research in the mentoring opportunities for the students, organisation and tireless hours of effort and preparation for this event was outstanding and greatly appreciated.

Congratulations and another thank you to Mr Kelvin Anderson, Mrs Kathryn Crossing, Mrs Fi Mauer, Mrs Judy Farr and Rowena McBride for all their assistance and support with the Music Tour. It wouldn’t have been such a successful tour without them.
Finally, congratulations to all the students who went on Music Tour for their enthusiasm and dedication to their Music programs and a huge thank you to the students and staff of Narra Valley High school, Chittaway Bay PS, Kanwal PS, Niagara Park PS, and Valley View PS for their hospitality.

**Sydney North Dance Festival**
Throughout this week, the Junior and Senior dance groups have had the honour of performing in the Sydney North Dance Festival at Glen Street Theatre. Their performances have been outstanding as has their dedication to their dance rehearsals and their behaviour at the festival.

Many thanks to all the parents who supported the dance groups by attending the performances and to Mrs Jacob, Mrs Wood and Miss Quinn for their time and effort in choreographing and rehearsing the dancers. A special thank you also, to the staff and parents who helped out back stage at the dance festival.

Congratulations to all the dancers on a truly magnificent performance!

**NSW Instrumental Festival - Strings**
On Thursday evening, 20 of our talented violinists with our amazing teachers Mrs Jill Bradford and Mrs Kathryn Crossing headed off to the Opera House to perform at the prestigious NSW Festival of Instrumental Music. Thousands of violins and hundreds of recorders resinated in the concert hall! What an amazing event!! Congratulations to our brilliant violinists, and talented teachers, Mrs Bradford and Mrs Crossing on their magnificent performance. Many thanks also to all the parents who supported the staff and students throughout the evening.

**Peninsula Community of Schools NAIDOC celebrations – Guringai Festival and the Land Beyond the Sands**
To acknowledge the culture, history and achievements of our Indigenous people during NAIDOC week which will be held from the 6th – 13th July, the Peninsula Community of Schools (PCS) organised two special events; the Guringai Festival and the “Land Beyond the Sands” which were held at Mona Vale Public School on Wednesday and Thursday of this week.

It was great to see so many Cromer families at the Guringai Festival to see the wonderful artwork on display from all the Peninsula Community of Schools (PCS) students. The artwork was amazing and a credit to all the students and staff of the 13 schools.

Chloe H, Ella E, Jackson D, Alec H, Zara W and Ruby D along with students from the other 13 PSC schools arrived at Mona Vale Public school on Thursday at lunch time and participated in art activities and games as part of the “Land Beyond the Sands” festivities. They then watched an Indigenous performance, participated in an Indigenous Smoking Ceremony and had Dreamtime stories read to them.

A BBQ dinner was provided for the students and their family, with some students then heading for home and others sleeping over. Those that slept over were woken with some didgeridoo playing early this morning and were treated to warm damper for breakfast, before they were transported back to school. It was great to see so many students and their families celebrating this important event.

Many thanks to Mrs Sharon Smithies, PCS coordinator for organising this fabulous event, Mrs Sarah Riddington, Mrs Leah Woods and Mrs Nicky Stratton for assisting with the afternoon and evening activities with our Cromer students and the Artworks designed. A huge thank you also to the parents and guardians of these students for transporting them to and from Mona Vale Public School.

For students polishing their spelling skills, the **free Spelling Bee mobile app** also allows them to record a list of their own words and then test themselves. On behalf of the staff at Cromer, we hope you have a restful and safe holiday and we look forward to seeing you all back for an exciting Semester 2.

FROZEN
The K-2 movie night last week was a great success. The children had a thoroughly nICE time chillin’, raising $1062.00!! This will go towards installing the much needed new microphone system in the School Hall. A big thank you to all the volunteers as it couldn’t have happened without them and we would especially like to thank Gillian Hunt, Class Parent 2R, for all her hard work in helping to make the movie event such a wonderful night.

Thank you.
Kind regards

As your child spends more time on computers, portable devices and mobiles, it is important to understand how to help them stay safe and responsible. You don’t have to be a computer whiz. The great news is, there is help out there! Learn about CyberSafety and Digital Citizenship at the Department of Education and Communities website: www.digitalcitizenship.nsw.edu.au. On this site you will find interesting facts, tips and interactive activities to support you and your child.

We have also found a great link to show children about safe searching on YouTube. Although they don't have access to it at school, it’s a great quick video to help children surf safely at home. https://www.youtube.com/watch?v=tkMPZuNFBs&feature=player_embedded
