PRINCIPALS REPORT

Our students are eagerly practising for next week’s **CAPA Evening** to be held at Pittwater High School on Thursday, 28th August. Most groups have taken to the stage already this year in a range of assemblies, competitions, concerts and/or festivals. The staff has devoted a great deal of time to provide these additional opportunities for students and are very proud of their efforts. They also thank parents for their support especially with costumes. Our performers are sent many best wishes for their rehearsal and performance evening. I am sure families will enjoy seeing our Cromer Stars in “CAPA – A Night of Stars”.

**Congratulations to 4G and 4L who did a fantastic job judging Cromer Campus’ Science Fair “Best in Show” today.** I had a lecturer from Macquarie University singing our students and teachers’ praises. Well done, 4L and 4G!

I would also like to take this opportunity to **wish our Debaters all the best** as they go to Harbord PS next week. We also have Felix C from 6C representing Cromer PS in the **Regional Multi-Cultural Public Speaking Competition** being held at the Arts Unit. **Good Luck, Felix!**

Over the next few weeks I will be including the latest publications on “**Road Safety around your child’s school**” from the NSW Government Transport for NSW. Parents are asked to read this important information in the interest of student and pedestrian safety. The pamphlets will cover:

- Drop off and pick up by car
- Walking together to and from school
- In and out of the car
- Driving near school buses
- On and off the bus safely
- Hold your child’s hand
- Helmet and safety on wheels
- Driving and parking safely near the school
- Safety around school crossings
- 40km/h school zones.

Winter PSSA has now finished for 2014. A **BIG** congratulations goes to the Junior Netball B1 team for winning the Grand Final and the Rugby Junior B and Senior A teams for coming runners up. We also had many other Cromer teams make the semi-finals.

Well done and thank you coaches for a fantastic season!!

**BOYS AND GIRLS EAGLE TAG**

P.S.S.A. Eagle Tag will begin in Week 7 of Term 3. During Week 8 and 9 there will be no training or P.S.S.A. due to Council field closures. Eagle Tag will recommence in Week 10 of Term 3. Training in Week 7 and Week 10 will be held at St Matthews Farm on Friday mornings.

Mr Tim Shepherd

**PARENT/GRANDPARENT READING HELPERS**

Throughout the school we have a number of students who have been targeted as requiring extra support to progress with their literacy skills. To give these students the best opportunity to move forward with their reading we desperately need volunteers to work with them one on one. If you are able to spare 30-40 minutes a morning or afternoon we would love to hear from you. We would also love to hear from any aunts, uncles, grandparents or friends who might be able to spare some time. Each student will be working on a structured individualised program and you will receive training in how to support them.

If you would like to help out with these programs, or if you have any questions, please contact me via the school email (cromer-p.school@det.nsw.edu.au) or by phone on Monday, Tuesday or Thursday (99710499).

Thank you for your assistance.

**Book Week**

The Premier’s Reading Challenge closes on August 22nd. Make sure you get those reading logs updated.

This year Cromer Public School will be celebrating Book Week in Week 8 and we are looking forward to an exciting celebration. The students have been studying the Short Listed Books in class and are looking forward to the announcement of the winners.

On the 2<sup>nd</sup> and 3<sup>rd</sup> of September, illustrator Sarah Davis will visit the school to discuss her work with the students. The cost of her visit is $3.75 per child. This was listed on the statement of account posted last week. The book fair will arrive in the library on **Tuesday 2<sup>nd</sup> September** and books will be on sale from the Tuesday afternoon. On Wednesday 3<sup>rd</sup> eight of our library monitors will accompany me to a literary lunch in the great hall of St Patrick’s Manly. And finally, the most exciting event of all, our annual book parade will take place on Thursday 4<sup>th</sup> September from 9:15 to 10:30am. Get those costumes ready!

It has been a very “wet weather” week at Kids Club this week. We have had to change our program to suit the weather conditions. This week our theme has been “Space”. At BSC on Monday morning some of the girls decided to start a large mural by drawing the sun and planets and it continued to be an ongoing project until they finished it off on Wednesday afternoon.

In the kitchen, the children made chockie moon rocks, alien pops, strawberry and cream stars and honey joys (meteorites). We did space trivia at afternoon tea time, Lego and K’nex building and space drawings.

Have a great weekend!

Road safety around your child’s school

Your child’s safety depends on you

Drop off and pick up by car

Make sure your children are in an appropriate child car seat that is fitted and used correctly.

Stick to the 40km/h speed limit in a school zone as children are about.

Look for buses pulling out – watch for flashing wiper lights.

Always park and turn legally around schools.

Avoid dangerous manoeuvres such as U-turns and three-point turns.

Always give way to pedestrians particularly when entering and leaving driveways.

Drop your children off and pick them up on the school side of the road in your school’s designated drop off and pick up area. Calling out to them from across the road is dangerous – they may run to you without checking for traffic.

It’s safest for children to get out of the car on the kerb side of the road to be away from passing traffic.

Walking together to and from school

Plan your trip to school so you use pedestrian crossings where possible.

Always hold your child’s hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.

Drop off and pick up your child near the school gate and avoid calling them from across the road.

Talk with your children about Stop, Look, Listen and Think every time they cross the road.

STOP! one step back from the kerb.

LOOK! for traffic to your right left and right again.

LISTEN! for the sounds of approaching traffic.

THINK! whether it is safe to cross.

Young children can learn these safe pedestrian habits from you and continue them later on when they are old enough to travel alone.

Did you know your child is learning about road safety at school? Join in by visiting safetytown.com.au.
Key points to remember around schools

1. In and out of the car

To comply with national child restraint laws, your child should be restrained in the car as follows:

0 – 6 months
Approved rearward-facing child car seat

6 months – 4 years
Approved rearward-facing or forward-facing child car seat

4 – 7+ years
Approved forward-facing child car seat or booster seat.

Make a rule that every child passenger must be securely buckled into a seatbelt or child car seat before you start the car.

A sleeping child must remain firmly buckled up while the car is in motion.

Reward your child with lots of praise for good road safety behaviour.

Assist your young child to buckle up – always check the buckle and make sure the belt is not twisted.

Ensure your children always get in and out of the car through the ‘safety door’. This is the rear kerb side door of the car.

Never allow children to get out of the car on the traffic side.

When possible, children should remain in the car until an adult opens the ‘safety door’. This helps ensure that children get out of the car safely.

Children aged between four and seven years cannot travel in the front seat of a vehicle with two or more rows, unless all other back seats are occupied by children younger than seven years in a child car seat.

A child that is properly secured in an approved child car seat is less likely to be killed or injured in a car crash than one who is not.

NEVER leave a child of any age in a vehicle without supervision. A small child may rapidly suffer from dehydration, heat exhaustion and consequent organ failure. Older children could play games that may lead to danger.
