“A Sky Full of Stars” was a wonderful celebration of excellence last night at Pittwater High School. Our Creative and Performing Arts Evening certainly showcased our very talented musicians, dancers, singers and drama groups. Our students have been trained and coached by a very talented group of teachers who have devoted many long hours of their personal time to assist students achieve the standards displayed. Boys and girls have given many hours to practice and you could certainly see why “practice makes perfect”. Well done, girls and boys!

So much has gone on to bring together over 300 students for such a performance. The CAPA Committee deserve big congratulations under the leadership of Judy Geeves and Nicole Herrmann. These two staff could have organised “D Day on the Beaches”. Special thanks must go to the following people: CAPA MINISTERS Isabel V and Felix C; Kelvin Anderson, Kathryn Crossing, Caroline Coram, Nancy Chaffer, Nicole Herrmann, Jill Bradford, Susie Witts, Mary Brisssenden, Debbie Haddrick, Judy Geeves, Miss Vicki, Kym Trevena, Sharon Lawson, Claudia Garcia Pereyra, Leah Wood, Louise Jacob and Alison Quinn. Each one of you is definitely a star in my book.

Behind the scenes so many staff and senior students volunteered their time to assist in holding rooms, manage back stage, collect tickets and direct parents to seating/parking. The Admin Team’s coordination of ticket sales is greatly appreciated. Without all of these helpers’ assistance the Show would not have been realised. To all those invisible people, many, many thanks. I appreciate your outstanding commitment to CPS.

Parents your support in organising costumes, hair, make-up etc does not go unnoticed. I am sure your darling/s would have been thrilled to have you see them perform once again. I could see many proud parents and other family members in the audience. You have every right to be extremely proud of your talented children.

I wish to acknowledge Pittwater High School, Principal Jane Ferris, Head Teacher Dr Martin Hardy and Retired Teacher Evan Jeffrey, who with Pittwater students went out of their way to offer their support with planning, rehearsal and performance. We certainly appreciate the support of one of our Peninsula Community Schools (PCS) learning partners. I was extremely proud of our students and staff and I know Cromer Stars, both little and big, will continue to shine brightly in the Creative and Performing Arts.

Congratulations to our Debating Team – Cromer Public Clique who became Zone 1 Winners being undefeated so far in the competitions. They move to the next stage of the 2014 Premier’s Debating Challenge for Years 5 and 6. We wish The Clique all the best for the Regional Finals.

The mums who manned the P&C Association’s Fathers’ Day Stall today did a great job. We had many excited shoppers K-6 who were taking gifts home to hide until Fathers’ Day. We are really looking forward to welcoming Dads/Father Figures to school next Friday morning (5th September) for the Fathers’ Breakfast hosted by our P&C Association. At last count we have had 550 RSVPs which is absolutely fantastic! You can imagine the task of preparing 550 BLT’s for Dads and their children. All catering arrangements must be finalised on Monday so if anyone has missed sending in their RSVP it definitely must be handed in to the Office on Monday morning. We would hate to disappoint anyone.

After the Breakfast, children will take their Dads/Father Figures to their classrooms. Children will be encouraged to read to their special visitors. Dads please have a look around your child/children’s classroom/s and other parts of the school. You may like to visit the Book Fair with your child/children that is being held in the School Library as we will also be celebrating Book Week (“Connect to Reading”) throughout all of next week. Our Teacher Librarians, Mrs Haddrick and Mrs Lindsay have been enthusiastically promoting the various wonderful literature for this year’s Children’s Book Awards and are getting excited about the Book Parade which will be held on Thursday.

In closing, I wish our Scientists good luck for the PCS Science Fair being held next Wednesday at Narrabeen Sports High. I am including the PCS website: http://pcssciencefair.weebly.com/ as parents may find it interesting to see the range of projects that are being presented by PCS student teams. Mrs Lawler and Mrs Pereyra have certainly enjoyed working with our Junior Scientists and I am sure this will be a wonderful learning experience for our presenters and for the group of students who will be visiting the fair.

Maureen Gray
Principal
On Monday afternoon, all the staff of Peninsula Community of Schools (PCS) gathered together at Pittwater High School to hear Carl Warren, an inspirational speaker, ex classroom teacher and Principal speak about Behaviour Management Strategies. It was interesting to hear him speak about understanding student behaviour, effective communication and whole school management systems. He stressed that we as adults need to develop and build positive relationships with and engage students who display challenging behaviour.

Our appreciation and thanks go to Mrs Sharon Smithies, PCS co-ordinator, for organising this remarkable speaker to address what we believe is an important aspect of educating our future leaders.

STAFF and STUDENT SUCCESS

Creative and Performing Arts Evening

What a spectacular performance of talented students occurred last night, at our annual Creative and Performing Arts evening at Pittwater High School!! We were very proud of every student who performed and to see the enjoyment on their faces was exciting. Their dedication, commitment and enthusiasm not only over the performance evening, but week after week at their rehearsals has been exceptional. It was absolutely amazing to see over 500 students perform to the extremely high standard they did.

Evenings like this don’t happen without the hard work and dedication of our talented Cromer staff. A special thank you to all the staff who have coordinated and rehearsed their creative and performing arts group and worked with so many of the students to allow them the opportunity to shine. A huge thank you also to all the staff and parents who supported on the night, your teamwork and assistance was greatly appreciated. A special mention must also go to Ms Nicole Herrmann and Ms Judy Geeves for their amazing organisation and coordination of the event!

Our appreciation and thanks go to Dr Martin Hardy, Mr Evan Jeffrey and the staff at Pittwater High School for allowing us to use their facilities on the evening.

Our theme this week at kids club has been Favourite Books to life. In the kitchen we have cooked chocolate bar brownies (Willy Wonka), cat in the hats, green eggs & ham, monster blood milkshakes (Goosebumps), peach muffins (James and the Giant Peach) and piggy cupcakes (Nanny Piggins). We have also had a variety of colouring in to do relating to these books and trivia (book related) before afternoon tea. On our rainy day we watched Willy Wonka & the Chocolate Factory (old) which the children enjoyed.

It’s also time to book into our fantastic Vacation Care Program! These holidays we are going to be captivated by the performing animals & crazy clowns at Lennon Bros Circus. FitKids Australia will be coming to the centre to stretch the children to their limits, Farmer Dave will bring his team of trick dogs for an interactive show, A French Mime Artist named Leo Bonne will have everyone in stitches. We will be in centre for USA day and a party at the end of the holidays.

Key points to remember around schools

2 Driving near school buses

There is a 40km/h speed limit for traffic passing a school bus that is setting down or picking up school children.

This speed limit is for all traffic travelling in the same direction as the bus, whether the bus is stationary or moving.

The 40km/h speed limit must be obeyed when the rear wig wag lights on the bus flash.

Flashing headlights on these buses also alert oncoming motorists that children are close by.

As a driver, remember: When the lights on the bus are flashing, you must slow down to 40 km/h.

Never park in or near a bus stop or bus zone.

For information about fines and demerit points, visit rms.nsw.gov.au

3 On and off the bus safely

Your child is most at risk in the minutes after getting off the bus. You can reduce this risk.

Meet your child (or arrange for another trusted adult to meet your child) AT the bus stop, NEVER on the opposite side of the road.

Wait until the bus has been driven away before choosing the safest place to cross the road, then follow the usual road crossing procedures with your children.

STOP! One step back from the kerb.

LOOK! For traffic to your right, left and right again.

LISTEN! For the sounds of approaching traffic.

THINK! Whether it is safe to cross.

Teach your children to keep turning their head in both directions to look and listen for traffic as they cross the road.

While waiting at the bus stop, stand well away from the passing traffic. Never wait right at the kerb.

Remind your children that when a bus is fitted with seatbelts, they must buckle up.

Until they turn ten, hold hands with your child as you cross the road.
