FROM THE OFFICE…. PHONE APP

Just a reminder that we sent a test message on the phone app on Wednesday afternoon. If you did not receive the message please email the school and let us know what type of phone and model you have. We are trying to see how wide spread the problem is and are working with the phone app provider to try and resolve it.
PRINCIPALS REPORT

Big congratulations to our Regional Athletics Representatives. Mrs Riddington and Ms Nixon were thrilled with the way you participated giving your personal best to your events. Our Junior Girls Relay Team was starry in their heat and came fifth in the final which is an incredible achievement. Well done, girls!

We are gearing up for the start of the Kindergarten Transition Program that commences next week on Wednesday night, 17th September with the Kindergarten Parent Information Evening in our Hall at 7.00pm. If by any chance you have not enrolled your eligible child (turning 5 years of age on or before 31st July, 2015) can you please, please do so early next week.

In August we submitted our anticipated enrolment numbers for Kindergarten next year and we are down a full class. Every year we have parents who come in late in the year to enrol their child and their child has not had the opportunity to participate in the Transition Program. Enrolment numbers in Kindergarten are vital to any school as it impacts on staffing, accommodation and class organisation.

Similarly if you definitely know your child/children will not be attending Cromer PS in 2015 we really need to know and would appreciate written advice at the start of next term marked – Attention: The Principal. Naturally this does not include Year 6 students going onto High School. Even if there is a possibility your child/children will be not with us we would also appreciate this advice. Our enrolment numbers as we know it at present mean we will not have the same number of classes as this year and I will not be able to offer work to some of my temporary staff so I am absolutely desperate to have a more accurate picture of all grade totals.

Advance warning - we have been randomly selected as one of 100 schools that will be involved in a Research Study conducted by the University of Sydney (Physical Activity, Nutrition Obesity Research Group, School of Public Health, Faculty of Medicine) between Weeks 3 -8 Term 1, 2015. The research study is titled: “NSW Schools Activity and Nutrition Survey (SPANS) 2015”. Two Kindergarten, two Year 2, two Year 4 and two Year 6 classes will be involved with parent permission. Parents who grant permission will be asked to fill in a survey and their child will participate in an assessment of their fundamental movement skills. The results of such studies help to form government policy in the best interest of child health so I commend this study to you. More information will follow at a later date.

Mrs Johnson and Ms Herrmann have been attending the NSW State Deputy Principal’s Conference throughout Thursday and Friday. I am sure they will gain a great deal from their discussions with fellow colleagues who also hold the demanding role of a Deputy Principal and will appreciate the level of professional learning they will encounter. We will welcome them back to CPS on Monday.

STUDENT and STAFF SUCCESS
Education plays a significant role in constructing the future. Teachers play an important part in shaping our students into becoming moral literate – preparing them to be good citizens and future workers. On this note, we’d like to thank all the staff at Cromer for their professionalism and hard work this term and congratulate them not only on their exemplary teaching practices, but also for being able to impart knowledge not only into their students’ heads, but into their hearts!

The school’s Year 3 & Year 5 NAPLAN results are outstanding, which is a credit to all our staff who are continually looking at improving student outcomes. Credit must also go to the parents who assist many students across the school with their Literacy & Numeracy programs. Your assistance is also a valuable resource in improving student outcomes. The school’s results will be published early next term after the Literacy & Numeracy teams analyse the data.

DEBATING
Congratulations to the two Year 5 debating teams on their wonderful success this year in the District debating competition. Their ability to rebut and strongly debate their point of views has been a credit to them. A special congratulations to Nicholas C, Joel E, Anna B, Bea McG and Olivia L who will compete in the Regional Finals next week at the Debating Camp. We wish them all the very best in this competition.

ATHLETICS
On Monday, eight students from Cromer competed in the Regional Athletics Carnival at the State Athletics field at Homebush. These students competed extremely well, with the Junior Girls Relay team, made up of Amy M, Rose D, Emma D, Nina VH gaining 5th place in the finals. Congratulations to all the students on their remarkable achievement in gaining selection in the Sydney North Regional team, and many thanks to the parents who transported and supported the students on the day.

PREMIER’S SPELLING BEE
This year is the 10th year of The Premier’s Spelling Bee. It was originally set up as a fun and educational way for primary school students to engage in spelling. The Premier’s Spelling Bee is open to all NSW government primary, central and community schools. The competition comprises of two divisions – Junior for Years 3 & 4 and Senior for Years 5 & 6. We have four students who have been successful in Cromer’s Spelling Bee competition and will participate in the Regional Finals next Tuesday at Collaroy PS. Congratulations and best wishes to Mitchell W and Isabella E representing Cromer in the Junior Division and Alex B and Elijza G in the Senior Division!
NAPLAN RESULTS

Families in Year 3 and 5 were given a note last week for their child’s assessment results to be picked up or sent home. Please send back your permission note, if you have not already done so, so that these results can be distributed immediately. There are still a number of student’s results being stored in the School Office.

2015 KINDERGARTEN TRANSITION PROGRAM AND ENROLMENT

It’s that time of the year again when we begin our Kindergarten Orientation to School program for next year’s students and their families! If you have a child attending school next year now is the time to enrol them as our Transition program will be starting in 2 weeks!

Our 2015 Kindergarten Parent Information Evening will be held in the school hall on **Wednesday 17th September from 7pm – 8pm**. All new families are welcome!

DEPARTMENT OF EDUCATION and COMMUNITIES NEWS - Parent Tips

The following links give expert advice on:

- **Starting high school**
  Year 7 is a huge learning curve for many kids. If you have a child starting high school next year, here are some videos and articles to have you and your child ready to go. Find out more at: [http://bit.ly/Sfp15Iff](http://bit.ly/Sfp15Iff)

- **Cyberbullying - prevention tips for parents**
  The statistics around cyberbullying are sketchy, mainly because it often goes unreported. What we do know is that the likelihood of children being bullied online or over the phone increases as they get older and use technology more frequently. Find out more at: [http://bit.ly/xHLLDH](http://bit.ly/xHLLDH)

- **How much screen time?**
  ‘Screen time' used to mean how many hours you spent watching TV and playing on the computer. However, with the growing number of digital devices on offer today, the question of what screen time means now is far more complex. Find out more at: [http://bit.ly/QFlqyz](http://bit.ly/QFlqyz)

- **When lunch comes home ... again**
  Almost nine out of 10 Australian parents say children’s resistance is a major obstacle in their efforts to provide a healthy diet, and in many cases school lunches are one of the battlegrounds. But it's a battle families can do without and there are some simple steps to help avoid it. Find out more at: [http://bit.ly/K7loJD](http://bit.ly/K7loJD)

Kindest regards,

Deputy Principals
This week at kids club our theme has been “Children’s Choice” with all games and activities chosen by the children. In the kitchen we made caramel toffee apples, popcorn marshmallow slice, hot chocolate, weet-bix slice, no bake cheesecake & chocolate bar brownies which have been favourites throughout the year. Outside we played group games of 44 homes, duck duck goose, cops & robbers, hide and seek and tip. Inside the children made knex and Lego creations.

It’s also time to book into our fantastic Vacation Care Program! These holidays we are going to be captivated by the performing animals & crazy clowns at Lennon Bros Circus, FitKids Australia will be coming to the centre to stretch the children to their limits, Farmer Dave will bring his team of trick dogs for an interactive show, A French Mime Artist named Leo Bonne will have everyone in stitches and we will be in centre for USA day and a party at the end of the holidays.

Spaces will fill up fast so get in early to secure your place.

Have a great weekend!

LEARNING AND SUPPORT

This year we have run a number of Parent Seminars. Our aim in running these seminars is to provide you with skills and information that will benefit both you and your children. For these seminars to remain relevant we would like to know more about what topics would be of interest to you and how and when you would like this information presented.

It would be very much appreciated if you could fill in the survey at this link https://www.surveymonkey.com/s/DYMS3V8 by Monday 15th September.

Learning and Support Teacher
Driving and parking safely near the school

School opening and closing hours are busy times for pedestrian and vehicular traffic outside the school.  
Always take extra care in 40km/h school zones, which operate on gazetted school days.  
Park safely even if it means walking further to the school gate.  
Observe all parking signs. They are planned with children’s safety in mind.  
NEVER double park as it puts children at risk.  
Model safe and considerate behaviour for your child – they will learn from you.  

Slow down near the school crossing.  
At a supervised crossing, observe the directions of the school crossing supervisor.  
Always park and turn legally around the school.  
Avoid dangerous manoeuvres such as U-tums and three-point turns.  
Always give way to pedestrians particularly when entering and leaving driveways.  
Avoid parking across the school driveway or the entrance to the school car park.  
Using your school’s drop off and pick up facility will help keep all children as safe as possible during the busiest times of the school day.  
Avoid parking in or near the school bus bay.

**When:** Wednesday 8\(^{th}\) October 7-8.30 pm
**Where:** Cromer PS Staffroom
All welcome, please RSVP to the school office by Tuesday 7\(^{th}\) October. A minimum number is required for this seminar.

There are only 24 tables available so it’s first come, first served !!!! It is not necessary to have a www.flexischools.com.au account. Log in as a guest.

2 - Class Basket Item
Ensure that you’ve sent your Class Basket item into school. The baskets are an essential fundraiser on the night so please bring in your $5-$10 item. Queries to your Class Parent. No later than Friday 10th October.

3 - Sell A Chair
Keep it local! The Trivia Committee are asking you to help sell advertising space on the back of the Trivia Night chairs. We are asking every single one of our 550 families to get behind this aspect of the fundraiser and sell just one chair to a local company, a friend that owns a business or even your local shop / take away. The company’s letterhead or logo will be advertised on a chair for the evening and their generosity will be gratefully acknowledged in the Cromer Weekly Newsletter for the five Fridays through October. The weekly reaches 550 Cromer families and fellow local business owners. BARGAIN! - Great local advertising for five weeks for a one off $50! An essential part of our 2014 Fundraiser. For details on how to participate, please see ‘Invitation to all of our Local Community Businesses’ letter in the Newsletter.
Do you know people who own a larger Northern Beaches business? Why not sell a table of chairs. Each table will generate $500. Huge collective return for a small amount of effort. Easy money to help our children. Don’t assume other people will sell the chairs - Take ownership - it’s a small effort to help our Cromer children! No later than Tuesday 30th September.

4 - ‘Gotta be in it to win it’ Raffle Tickets - iPad Mini / Child or Adult Bike
The Trivia Committee have put together a raffle which will enable parents, grandparents and friends of Cromer who are not able to attend the event to still participate in our fundraising. This raffle engages the entire school community and is still open to people going to the Trivia Night. Choice of two fantastic first prizes - either an iPad Mini or a $349 bike certificate to exchange for one of four models, male or female, sized to suit bike kindly donated by 99Bikes, Brookvale.
Raffle tickets are just $10 each and can be bought through www.flexischools.com.au. It is not necessary to have a flexischools account - log in as a guest. Raffle drawn and winner notified on Monday 20th October. Be in it to Win it - The more tickets you buy, the better chance of winning. No later than 19th October.

THIS IS ONE RAFFLE YOU CAN’T MISS - ABSOLUTELY PERFECT TIMING FOR CHRISTMAS!

5 - Record any Donations in your ‘Donations Log’
Please ensure that, any donations you have received to date or that you may receive for the event, are updated on your Donations Log. Email your completed donations log to fiieldred@bigpond.com on or before Tuesday 30th September. This log will be the only source used to compile the list of companies that we are obliged to acknowledge for their generosity. This form needs to be an accurate record of the donation.
