Welcome back to Term 4. We hope you all had an enjoyable, safe and relaxing holiday. A special welcome to all our new families who started at Cromer this week.

As we enter into the last school term for 2015, we’re looking forward to another rewarding term for all our students.

**PLANNING FOR 2016**

The school is in the beginning process of planning for 2016. Within this planning process we try to foresee the school’s enrolments for next year. If you are planning on moving from the area and your child **WILL NOT** be attending Cromer next year, please confirm this in writing to either Nicole Herrmann or myself by the end of **Week 6** (Friday 6th November). Thank you to those parents who have already confirmed this in writing.

**2016 KINDERGARTEN TRANSITION TO SCHOOL PROGRAM**

The first of the 2016 Kindergarten Orientation sessions for next year’s Kindergarten students was held today. We’d like to take this opportunity to welcome all our pre-schoolers and parents to the school over the next 4 weeks for their Transition to School Program.

Many thanks to Ms Nicole Herrmann, who has been instrumental in organising our 2016 Kindergarten Transition to School Program and to the Kindergarten teachers for openly welcoming our new students and their families.

Our 2016 Kindergarten students are invited to attend their second Kindergarten Orientation session next **Wednesday 14th October**. During this time, parents are invited to the staffroom for morning or afternoon tea and a Parent Forum presented by Mrs Louise Green, addressing “Literacy in Kindergarten”.

**ENTRY INTO SELECTIVE HIGH SCHOOLS IN 2017 – 2015 Year 5 Students**

Are you already thinking about your child’s **Year 7 placement in a selective school in 2017**? Selective high schools are government high schools that cater for highly-achieving, academically talented students by offering an educationally enriched environment. Please speak to your child’s class teacher if your child is interested in applying for a Selective High School placement in 2017.

Application for **entry to a selective high school in Year 7 in 2017** will be online only, from the **13th October, 2015** and close on the **16th November, 2015. NO LATE APPLICATIONS WILL BE ACCEPTED.**

**YEAR 2 SWIMMING SCHEME**

All of the Year 2 students began a Learn to Swim and Water Safety Program at Manly pool this week. We’d like to congratulate the students on their efforts and behaviour in and around the pool. We’re looking forward to hearing about their wonderful achievements over this two week program.

We’d also like to take this opportunity to thank Mrs Suzie Witts for her wonderful organisation of this extremely important program and the Year 2 staff for their support.

Nicole Herrmann and Julie Johnson
Deputy Principals
Welcome back to Term 4. Wow, this year is just flying by! We hope that you had a great break and enjoyed the holidays.

Vacation Care went really well. The children enjoyed the amazing program and had a great time. Check out our face book page for photos.

This week we have started our own OOSH garden. On Tuesday afternoon the children assembled the garden planters and planted in the new plants. We are now growing strawberries, lettuce, capsicum & tomatoes. The garden is situated in the garden bed near Kids Club. The children will now look after it each afternoon by watering it and taking care of it. We are making our centre more sustainable by now having this garden and being able to use the plants that are being grown in our afternoon teas and cooking experiences.

Parents, if any of you are keen gardeners or landscapers we would love for you to come in for a visit and talk with the children about looking after the garden and any other helpful tips you may have.

With the weather warming up, just a reminder to please make sure your child has a hat and drink bottle with them at all times. We know some of the children leave their hats in the classroom for the following day, so please pack a spare (doesn’t have to be a school one).

Have a great weekend!
