PRINCIPAL’S REPORT

WHITE RIBBON DAY
Yesterday senior classes buddied up with junior classes to ring our black fences with white ribbon. Boys and girls with their teachers decorated their allocated areas in individual styles. This was great to see as we reinforced what respect should look like for boys and girls, men and women. The enthusiasm of students as they participated in this activity was wonderful.

Everyone wore white and from gold coin donations we raised over $850.00. This was an overwhelming response for which we are extremely grateful. The money will be forwarded on to White Ribbon Australia to help further their work. We also thank parents for your generous support.

The Canteen held their stall with white goodies at recess. Canteen staff had been very busy baking and produced a fantastic range of appetising fare. The staff really appreciated the additional donations of cakes, slices and biscuits that parents delivered in the morning. A big thank you goes to the mothers who manned the stall. The Canteen also donated 50% of their over the counter sales of $375.00 to White Ribbon Australia. Students really loved choosing their white goodies and then tucking in to them. The Canteen Staff and Canteen Committee are acknowledged for their efforts in making this event a great success.

Together, the School and Canteen will be sending over $1225.00 to White Ribbon Australia. Congratulations to our fantastic school community for your support and generosity, with this being our very first White Ribbon Day at Cromer Public School.

FAREWELL OF STAFF
As this is our second last newsletter for the year I have decided to take this opportunity to write about three key members of staff who have provided devoted service to the Cromer school community over the years. Together Pat Tizard, Sue Battaglene and Lynne Hand’s contribution has been truly significant and on behalf of our students and staff they must be acknowledged.

Miss Patricia Tizard has been an amazing classroom practitioner at Cromer Public School. She is a highly skilled and innovative teacher who has made learning exciting, rewarding and challenging for her students. She has also been actively engaged in offering different clubs for students across the school. Miss Tizard creates a learning environment where children are fully supported to reach their potential. Student engagement has been maximised. Technology enabled learning has been embedded into her classroom practice which she has readily shared with colleagues. Miss Tizard has offered significant training to staff in how to use various forms of technology to enhance classroom practice.

Having expertise in computer education and all forms of technology, Miss Tizard has been the driving force behind much of what has been achieved by the Technology Project Team. Her leadership in this area has been instrumental in getting the school ready for change, in how we deliver various aspects of teaching and learning in our rapidly expanding technological world. Miss Tizard was responsible for our improved website and its management. With the Project Team she has planned the best use of the rollout of T4L hardware and the extension of Wi-Fi throughout the school. She has also acted as a mentor throughout the Pilot Study conducted this year and has been the trouble-shooter for our live connections to Kensai Elementary School in Japan.

Miss Tizard will be married in the school holidays and we wish her a great deal of happiness as she commences the next exciting chapter in her personal life. She has also been successful in gaining a transfer to Cessnock West Public School in 2016. Miss Tizard will be a massive loss to us, but we thank her sincerely for everything she has done for CPS. I also wish Pat ongoing success in her professional career and won’t be surprised to hear of her success in undertaking leadership positions in the future.

Mrs Susan Battaglene is a truly experienced class and specialist teacher who has undertaken various roles including relieving executive positions at Cromer Public School. She has taught classes in both K-2 and Years 3-6 including boys only classes enhancing staff knowledge in the field of boys’ education.

Mrs Battaglene completed training in Reading Recovery a number of years ago. She has successfully fulfilled the role of Reading Recovery Teacher working with Year 1 students who have required additional intensive support to acquire literacy skills. Mrs Battaglene has made such a real difference in these young students' lives. She has ensured the students were supported both at home and back in their classrooms by regularly liaising with parents and class teachers in how to support them. The gift of literacy acquisition can never be underestimated as literacy factors in all learning at school. She has also undertaken the school’s English as a Second Language (ESL) Teacher position supporting children requiring additional assistance in language and literacy development. ESL Teachers are now called EALD Teachers in acknowledgement that work with children who have different languages and dialects as their first or mother tongue. Mrs Battaglene has taught students in every year K-6 requiring this form of support at Cromer and has worked closely with their Class Teachers to enhance student learning, especially in language, reading, writing and
comprehension. She has also worked closely with the Learning and Support Teacher, Mrs Katie Woodley to provide additional support to grade groups of students in the area of comprehension. Mrs Battaglene has a passion for excellence in teaching of literacy and has lead the school's Literacy Project Team for many years. She has been instrumental in providing training to all staff with regard to the implementation of the new Australian curriculum in English. Her in-depth knowledge of student needs makes, Mrs Battaglene a highly valued member of the school's Learning and Support Team.

Mrs Battaglene is retiring at the end of this year but will continue to do some part-time work for us next year. I sincerely thank Sue for the valued added difference she has made in many students’ lives both at Cromer and in other schools throughout her long and successful teaching career, and wish her well for the new adventures that lie ahead.

Mrs Lynnette Hand walked into Cromer Public School on 31st January 1985 when her lovely daughter started Kindergarten, and commenced an absolutely incredible thirty year journey of support, commitment and dedicated service to this school community. Mrs Hand is a hard working member of the School Administration and Support Staff (SASS).

As a Kindergarten parent all those long years ago she told the Class Teacher “I will support you in whatever way I can so put me to work”. That teacher took her at her word, and many others that followed, accepted her wonderful support as a parent helper. This was not just confined to her children's classes but included all aspects of school life. Her assistance in classrooms is well known by staff. Eventually Mrs Hand was offered paid employment of three hours a week and that grew through various roles to a full-time SASS position. She has worked as a Teachers’ Aide in classrooms, in the Library and in the Duplicating Room and as a SASS Team Member in the Administration Office. For many years Mrs Hand has often been the person who has answered the phone and relayed messages galore for parents as well as handling numerous telephone enquiries on a daily basis. She has been that friendly known person at the end of the line who has gone out of her way to be of assistance. Mrs Hand has often been the first point of contact with regard to Kindergarten enrolment and has loved being involved in the administration side of this aspect of her job.

Mrs Hand’s in-depth knowledge of students and families comes into its own when students arrive in Sick Bay. She knows when a five minute rest is all that is needed, when to contact parents and how to look after the truly ill child whilst awaiting their parent’s arrival. This one area alone demonstrates her care, nurturing, compassion and support. Her lovely manner often provides much needed reassurance to students and parents. Thirty years is a major commitment to a school community. Mrs Hand has worked with different Principals, Executive Teams, groups of Teachers and her fellow SASS Team colleagues and always displaying her lovely warmth and willingness to undertake the various tasks asked of her. I have certainly appreciated her ongoing support of myself especially when I am snowed under as she juggles appointments for me. Over the last three years I look at the thousands of letters and merit certificates that she has prepared for my signature and smile when I remember how she always provides me with one of her special ‘Lynne’ pens for me to use. She does like things to look nice!

It has been a far from easy decision for Mrs Hand to decide to retire, but she is doing so for family reasons. Her very large school family will be sad to see her go. She will be truly missed by Cromer students, staff and parents. Mrs Hand will commence Long Service Leave at the end of the school holidays and we will be farewelling her in style next year at the end of her leave. I sincerely thank Lynne for her dedicated service to the entire school community and wish her a great deal of happiness as she commences new projects, and takes some special time for herself and her family.

LIBRARY STOCKTAKE
Parents’ assistance is urgently needed for those children who have outstanding books on loan from the school Library. Teacher Librarian, Mrs Debbie Haddrick has advised students and parents of missing books. Numerous overdue letters have been sent to some families requesting the return of the books borrowed by their child/children. There is approximately $1,200.00 worth of books that are overdue. The school cannot afford to sustain such a loss. If the family has searched absolutely everywhere and cannot locate the books it will be appreciated if the Library can be reimbursed for the replacement value. This is an instance when students need to take responsibility for their actions and parent support will be appreciated.

KINDERGARTEN PRESENTATION ASSEMBLY
Congratulations to the Kindergarten Team and students from KG, KL, KR, KS and KW for your wonderful graduation assembly today. Mums, dads and other special visitors really enjoyed seeing you shine! Well done Kindergarten!

In closing, I can’t wait to see Cromer students perform in the Schools Spectacular tomorrow night. Special thanks must go to our wonderful Teachers and SLSEO’s who have supported children in the lead up to their major performances. Good Luck to all our performers!

We will also look forward to seeing Parent Helpers at next Monday’s Parent Helpers Morning Tea in the Staffroom and parents at our other Presentation Assemblies for Years 1 -6.

END OF YEAR ASSEMBLIES BEGIN!
Congratulations to all the Kindergarten staff and students for an outstanding Graduation Assembly today! It was so lovely to see the bright smiles on the faces of our youngest students as they each received their special certificate. NOT RETURNING IN 2016?
With less than 3 weeks until the end of the year, please let the front office know in writing, NOW, if your child will not be returning to Cromer Public School in 2016. We need this information as the process for 2016 planning and class organisation has already begun.

We hope you have a wonderful weekend with your family and friends.
Kindest regards
Julie Johnson and Nicole Herrmann

TOYS 'N' TUCKER

It has become tradition at Cromer PS to contribute to those who are not so fortunate in our community. We will have a “giving tree” in the Admin foyer and will happily collect gifts of toys and food until Friday 4th December. Cromer Public School has shown extraordinary generosity in the past and we feel that this is a positive experience for our students.

White Ribbon Day
What a day we had. We had such a lovely selection of things for the kids to buy. Thank you to our wonderful helpers & to the families who donated such lovely cakes. Because of this, the canteen has made a fabulous contribution of $375.00 to the White Ribbon Foundation.

Volunteer Christmas Catch up
Hip Hip Hooray – we’re having an end of year / Christmas get together. It will be lovely to catch up with you all without a sandwich or 40c ice block in sight! Thursday 10th December at Dee Why Hotel from 6.30pm. Call by for a drink or stay for dinner. Hope you can make it.

HELP!!!!!
In the canteen we are DESPERATE…………for volunteers of course. In the last few weeks of term we understand that everyone is busy and that also means we are too. If you can call by for even just 30mins, any time of day that would be fabulous. Even if you just chop up some salad, wash up or serve over the counter. Anything helps enormously. It feels wonderful to finish off the school year having a laugh with us.

Thanks everyone.

BOAR DGAME REPUBLIC

Dear Cromer Public School Parents,

Board Game Republic would like to help Cromer Public School raise some much needed funds. As parents we all buy games & puzzles - for our kids, for other kids, Birthdays, Christmas or just because we need something new to keep them busy during the holidays! Now you can earn money for your school just by doing something you’re doing already. It’s that easy - no volunteering your time, and no boxes of chocolate sitting around the house!

How it works:

Shop online at www.boardgamerepublic.com.au from November 11th 2015 to November 30th 2015. Use this unique Voucher Code CROMER15 at the checkout to remove the shipping fee and group your purchases with Cromer Public’s total. In the address section, please note which class (eg 1L) you would like the games collected from. At the end of the timeframe your items will be delivered to the school for you to collect. (Friday 11th December 2015).

Cromer Public School will then receive a cash payment of 20% of the total spent during that time!

Feel free to share the code with friends and family as the voucher can be used an unlimited number of times before the expiry date & every purchase will generate more funds for your school!
