RELIEVING PRINCIPAL’S REPORT

What a busy week we’ve had at Cromer!

PARENT/TEACHER NIGHT

The parent/teacher evenings held over Monday and Wednesday nights this week, were well attended in all grades and provided an informative evening for parents. To ensure that the relationship between home and school is quickly established, the teachers discussed their class programs, the teaching/learning activities, and the important classroom routines that the students would partake in throughout the year/term. Thank you to all the parents who attended.

I would like to congratulate and thank the staff for their efforts and professionalism in delivering these very informative evenings and for supporting our focus on ensuring that parents are our partners in the education of students at Cromer.

YEAR 6 LEADERSHIP PROGRAM

As part of the Year 6 Young Leaders Program, our Year 6 leadership team, Bea McG, Keeghan M-W, Frank McG and Lara B, participated in the Peninsula Community of Schools (PCS) leadership camp at Gibberagong on Wednesday. A fantastic day was had by all. The Gibberagong and PCS staff were very impressed by our students, their behaviour and their team work. Each week, these leaders will meet with other PCS student leaders to work on a group project which they will present at the end of the term. This program will be an opportunity for the elected student leadership team to mix with students from other schools and learn how to be effective leaders. Cromer has a very strong student leadership focus across the school, complemented by public speaking and debating for all students.

SWIMMING CARNIVAL RESULTS

Congratulations to all the students who this week received their swimming ribbons for gaining a 1st, 2nd or 3rd place in events held at the swimming carnival last week. A special congratulations to three of our senior students; Tahlia D; Tiffany W and Nikita N who broke records on the day. Tahlia broke the Senior 100m Freestyle, 200m IM, 50m Breastroke & 50m Butterfly; Tiffany broke the 11yrs 50m Freestyle, Breastroke & Butterfly; Nikita broke the 11yrs 50m Backstroke. Congratulations girls on an outstanding swimming meet!!

A further congratulations to the following students who were named Age Champions: Junior Boys - Hunter S; Junior Girls – Franke W; 11yrs Boys - Luke E; 11 yrs Girls - Tiffany W; Senior Boys – Lachlan P; Senior Girls – Tahlia D

KINDERGARTEN WELCOME BBQ – 20TH FEB

On behalf of our school’s P & C Association, I would like to extend an invitation to all Kindergarten families to attend the Kindergarten Welcome BBQ on Friday 20th February from 5pm – 7pm on the school oval. Thank you to those parents who are assisting with the organisation and cooking of the BBQ. Nicole Herrmann and I are looking forward to meeting you all next Friday evening.

PSSA & EXTRA CURRICULA GROUPS

PSSA team selections are in the final stages with our first competitive round commencing next Friday. Participants will need to return their permission note, Code of Conduct signed and payment to their coach before next Friday. I would like to congratulate all students who have “had a go” and trialed for either our Term 1 PSSA teams and/or our school extra curricula groups. Competition for these representative teams/groups is very high at Cromer and it is very difficult for coaches and extra curricula teachers to select a limited number of students. Unfortunately there are always going to be disappointments when we don't make these groups - but we congratulate everyone for their efforts.

Kind regards
Julie Johnson

WELFARE @ CROMER

MEDICAL CONDITIONS
If your child has Asthma, Allergies or any other serious medical condition, we are required to keep an updated Action Plan at school.

These plans need to be updated by your doctor each year. At the end of last year we asked parents to provide us with a new Action Plan. This action plan must have a current photograph and be signed by a doctor.

Please bring in your updated action plan and any medication required (eg Ventolin, Epipen etc). When medication expires it must be replaced at school. Please note your expiry dates and provide the school with medication when required. We thank you for your assistance in helping us provide the best possible care for your child.

SAFETY REMINDER
Student safety is everyone’s responsibility!

It was brought to my attention this week, that unfortunately we have many students climbing on the playground equipment after school without proper supervision, especially in the Kindergarten playground. Although it is very tempting for your child to play on the equipment after school with or without your permission, we encourage students not to use this equipment for safety reasons. Unfortunately we had many accidents that occurred after school last year with Cromer students and preschoolers, and one as recent as this week for one of our younger students, where students haven’t either been closely monitored on the equipment or they’re not strong enough to be climbing on some of the apparatus.

It would be greatly appreciated if we could gain your support in ensuring your child isn’t using the playground equipment after school (and before school, although we don’t seem to have the same issues) with or without your permission for safety reasons.

School Gates
As we have many new Kindergarten students and it is the beginning of another school year, I’d like to ask parents to close the school gates once the school day commences to provide additional safety for the students. Sometimes parents enter or exit after the bell and leave the gates open. Could you please ensure that you close the gate after you enter or exit to assist in keeping our students safe.

We are fortunate to have so many performing arts opportunities offered to our children across Years 1 – 6 led by the talented and dedicated Cromer PS staff. These groups rehearse before school, at lunchtime and/or after school, almost 5 days a week! Our 16 groups include:

- Junior/Senior Dance

- Junior/Senior Choir
- Junior/Senior Drama
- 3 x Band and 3 x String Ensembles
- Senior Chamber Ensemble

Please see the extensive CAPA Timetable for 2015 attached to this Newsletter. All groups have now been finalised. Information will be sent home by group leaders as rehearsals begin and the groups settle into their routines.

P&C KINDERGARTEN WELCOME BBQ
Our annual Kindergarten Welcome BBQ for 2015 is set for next Friday. An invitation has been sent to all Kinder parents. Please send in the RSVP slip to the front office for catering purposes.

Many Year 6 students will be organising games, face painting, colouring in activities, live music and ball skills on the night. Members of the Canteen, Uniform Shop and P&C will be available to answer any questions!

WHERE: School oval and BBQ area (near canteen)
WHEN: Friday 20th February (Week 4) 5pm – 7pm
WHAT TO BRING: Picnic rug/chair/nibbles and drinks (THIS IS A NO ALCOHOL EVENT).

The school canteen will be open for drink and ice block purchases on the night.

LAST CALL FOR ETHICS LEADERS
Our new Ethics Coordinator, Sarah Leresche is wishing to work with and train anyone willing to lead an Ethics group during 2015. Ethics and Scripture classes take place for 30mins each Wednesday and begin in week 5. We currently only have one wonderful mum, and wish to add to the team. Ethics classes will not run in 2015 if we cannot get more class/grade leaders!

If this interests you, please read Sarah’s message below….

“We are looking for Primary Ethics Teachers for Cromer Public School!
The 2014 Primary Ethics program was a huge success at Cromer Public School. In order to satisfy the demand for 2015 we are looking for new teachers. Without the support of the community, we can’t grow Primary Ethics at Cromer!
Parents, grandparents, neighbours and friends are invited to apply. All you need is about 1 hour a week and an interest in helping kids learn how to think, not what to think. Thorough training and support is provided and the curriculum is well structured so no previous knowledge in Ethics is necessary.
For details about volunteering as a Primary Ethics teacher, including how to apply, please have a look at the Primary Ethics website: http://www.primaryethics.com.au/ethicsteacher.html or contact the Primary Ethics Co-ordinator for Cromer Public School, Sarah Leresche (ph. 0401 342 130). We are looking forward to hearing from you.”

DEPARTMENT OF EDUCATION AND COMMUNITIES INFORMATION FOR PARENTS
2015 homework planner
Kids and families run more smoothly when there’s a plan. The 2015 homework and study calendar includes key dates and school holidays. You can print it out month by month, or by the whole year.

Jargon buster
Wondering why your kids talk about playing under the school COLA? Baffled at parent-teacher discussions about KLA’s? This list of common abbreviations or terms will help you to become familiar with the world inside school.
**Maths questions**

Are you in search of an educational game to sharpen your child's maths skills and recall? Maths Monkey's Quest features maths questions on topics ranging from addition and subtraction to ratios and percentages. It's aimed at children from Years 3 to 8. 

Have a wonderful weekend with your families.

Kindest regards

Nicole Herrmann

**FROM THE OFFICE - URGENT**

A reminder to please let the office know if you have changed your address, telephone numbers or email addresses. It is important that we have the correct details on file in case we need to contact you in an emergency. This can be done by sending the school an email or using the school phone app - ‘Change of Details Form’ or a note with your child.

**PARENT/GRANDPARENT READING HELPERS**

Throughout the school we have a number of students who have been targeted as requiring extra support to progress with their literacy skills. To give these students the best opportunity to move forward with their reading we desperately need volunteers to work with them one on one. If you are able to spare 30-40 minutes of a morning or afternoon we would love to hear from you. We would also love to hear from any aunts, uncles, grandparents or friends who might be able to spare some time. Each student will be working on a structured individualised program and you will receive training in how to support them.

If you would like to help out with these programs, or if you have any questions, please contact me via the school email (cromer-p.school@det.nsw.edu.au) or by phone on Monday, Tuesday or Thursday (99710499).

Thank you for your assistance.

Mrs Katie Woodley
Learning and Support Teacher

**ENVIRONMENT CLUB NEWS**

Jake S, Lochie B, Hayden B and Nathan M (Year 5) entered a competition to win a native bee hive for our school. They individually designed a bee hive for solitary native bees and as a result took out first prize. The boys and myself will soon be involved in installing the hive in our school grounds. Our food supply relies on the survival of bees. The native bees are small compared to European bees and DO NOT sting. We plan to involve many students in bee activities and I’m hoping it will inspire writing and research. Congratulations boys!

If any parents are involved in landscaping or tree lopping we are looking for a hollow log with approximately a meter diameter. Please see me if you can donate such a stump to the school.

Mrs Lawler
Environment Club Teacher

**STEWART HOUSE CLOTHING APPEAL**

Steward House clothing appeal bags will go home today or early next week for clothing donations. This is a good opportunity to sort through the clothing that is no longer needed. Please can you return the bags to school by MONDAY THE 2ND MARCH.

Donations can be left at the bike shed.

Thank you for your support.

Chess Stimulates Minds

Chess Club aims to provide an opportunity for children to learn and utilise chess skills and to develop related skills such as fair play, strategic decision making and focus. There are significant benefits that accrue to a child’s broader learning from playing chess including:

- Improving critical thinking skills and concentration
- Learning good sportsmanship – the ability to win and lose with grace
- Developing decision-making and planning skills
- Making new friends and having fun!

We are fortunate to have secured professional coach George Winter to guide our club. George has played competitive chess for 45 years and has experience coaching the primary school age group.

Classes will be split into two streams: a beginners and a more advanced group, so each child can play and learn at an appropriate level.

If your child has not played with our club before, they are most welcome to come along for a free trial.

Do You Really Know Enough About Digital Technology To Protect Your Child?
Recent studies show that 70% of students are hiding their online behaviour from their parents. This is why most parents feel their children are safe online. But are they?

How Cyber Smart Are You?
1. Which apps are the worst for cyber bullying and most used by predators?
2. What important steps should you take if your child has been bullied online?
3. Why is hiding your friends list on Facebook essential, how do you do it?
4. What setting shows you what strangers can see about your child on Facebook?
5. What are “In App Purchases” And why should you turn them off?
6. Where are the settings on Google/Youtube Devices to filter out adult content?
7. Best way to supervise your child online without spying?
8. What is the most effective way to get children to switch off?
9. What safety settings have you enabled on your child’s laptop/iPad/phone for school?
10. What are “Whisper” “Yik Yak” “Secret” “Snapchat” and “MeowChat”?

For those amongst you who weren’t able to answer these questions we are thrilled to announce an up-coming parent forum on cyber safety.

Through funding provided by Rotary and the NSW Police we have been able to secure a free presentation by Leonie Smith, also known as ‘The Cyber Safety Lady’. Leonie is an Educator and Consultant with 20 years experience building online communities and using the internet for marketing, multimedia and now education.

Leonie will provide up to date information on the latest online trends and apps. She will give parents practical tips on how to parent in the digital age and allow time for questions and sharing. Find out more about Leonie at www.thecybersafetylady.com.au

Cromer Public School Hall, Tuesday 24th March from 6.45PM for a 7pm start
This week at Kids Club our theme has been “Valentine’s Day”. In the kitchen we have made love heart cup cakes. Children have been making cards, colouring in pictures & a butterfly lollipop card for their loved ones. We have also made salt dough foot print frames.

Our kindy children are settling in well and are aware of Kids Clubs’ rules and routines. On Sunday, Dana will be getting married and will be away on her honeymoon for 3 weeks. Bess & Lachlan will be in charge of the centre, so if you have any questions don’t hesitate to ask.

I would like to say a BIG thank you to all of you for the love, support and wedding gifts I have received over the past few months. Richard & I are extremely grateful and appreciate the thoughts. I will definitely bring in photos of the day when I return.

Again, a reminder to all parents (existing and new) that you need to fill out a registration form and a booking form each year. If you have not completed these forms you can download them from our website www.ooshnb.com.au and drop them into the centre or email them through to the office at manager@ooshnb.com.au. We also have copies of these at the centre if you cannot access them from the website.

If your child has ANY medical conditions including, ASTHMA, ANAPHYLAXIS or ALLERGIES, you need to provide us with the appropriate action plans signed by their doctor (please make sure the plans have clear photo’s), appropriate medication CLEARLY LABELLED, and complete an OOSHNB Authorisation form for Administering Medication (available from the centre).

Have a great weekend!
