PRINCIPAL’S REPORT

By now I hope every parent has read the letter and two page fact sheet sent home yesterday from Health Northern Sydney, Public Health Nurse Troy McNeill. We were advised that one of our students has been diagnosed with whooping cough. Pertussis (whooping cough) has a three week incubation period so all parents are encouraged to watch their child/children’s health at this time. You need to know a number of schools in the area have also had identified cases. The Department of Health contacts the child’s school when a case is reported to seek co-operation to getting information out to parents quickly.

The information went into every student’s hands on Thursday and they were asked to give it straight to Mum or Dad on arrival at home. We do realise some children for whatever reason forget to hand notes over. You were asked to keep the information on hand. If any of your children develop symptoms you were asked to take the letter with you to your GP. Let’s keep our fingers crossed that there are no more cases.

Also, yesterday all lost food containers and drink bottles were displayed for students to check if any of the property belonged to them. At the end of the day all the unclaimed containers were binned as there has been evidence of vermin droppings near lost property. We will no longer hold lost property for the lengths of time we have previously. If your child arrives home without their lunch box or water bottle please get them to check their classroom and Lost Property the following day.

After lunch on Friday unclaimed containers for the week will be disposed of from Lost Property as leftover food and mould attracts unwanted attention from mice, rats and possums. Children need to take personal responsibility for their containers as these items certainly mount up if you are faced with constant replacement. Many of our students have little regard for such articles. If their name and class are on their lunch containers we have some chance of matching owner and article. The amount of lost jackets is also incredible. We have a lovely parent who returns lost named articles of clothing to teachers’ pigeon holes every so often but the amount of un-named clothing continues to mount. A deep and meaningful conversation with your children on these matters will be appreciated.

During this week I have had a number of residents from Meehan Road contact me over the unsafe parent driving and parking practice that occurs every Monday to Friday in their street at school drop off and pick up times. Many residents have cars parked across their driveways on a regular basis. Residents cannot get into or out of their properties. Cars stop in the middle of the street and children are walking into the centre of the road to get into cars. Drivers have stopped to have a chat with friends and hold up traffic flow. The situation on Meehan Rd is currently before Warringah Council’s Traffic Committee and residents are being surveyed about remedial action that can be undertaken.

Next week there will be additional information in the newsletter about Traffic Control in the vicinity of the school. Meehan Rd is currently an accident waiting to happen! Please obey the rules of the road and respect our neighbours’ properties in the best interest of all school community members.

DEPUTY PRINCIPAL'S REPORT

PARKING AROUND CROMER PS!!!
As mentioned by Mrs Maureen Gray, please be respectful of our immediate neighbours when parking responsibly around our school. Traffic police will be notified if this situation does not improve. We aim to keep the safety of our 800 students paramount at all times!

P&C ‘WORKING BEE’ THANK YOUS
We welcomed the support of several Cromer families last Saturday for our first P&C Working Bee for 2015, however the turnout from such a large community was somewhat disappointing.

We were only able to carry out half of the jobs listed for the day. The front of the school now looks very neat and tidy with plenty of weeding, mulching of the garden beds and water blasting throughout.

Our true gratitude goes to the following Cromer families….
- The McGuire Family
- The Marshall-Witte Family
- The Erickson Family
- The Sadler Family
- The Milliner Family
- Mr Andrew Brooks
- The Herrmann Family and
- Mrs Julie Johnson (who also cooked a fantastic BBQ)!

Please see the fun photos included in this newsletter.

CROMER 2015 ACCOUNTS
All Cromer PS accounts have been sent home to families this week. Please take the time to read the accompanying explanation letter which walks through each cost within each child’s account. Please note that these invoices may be paid in full or in instalments over time. Band and Strings costs are for Semester One and Semester Two.

LIFE EDUCATION
We wish to thank Caitlin Clark who has led our whole school through the valuable Personal Development and Health program with ‘Healthy Harold’ and the Life Education Van. The children have all enjoyed their time learning about healthy life choices and keeping safe.

We farewell the Life Education Van for another year on Monday!

FIRST CLASS PARENT MEETING: TUESDAY 10th MARCH 9:00am
WE wish to thank Mrs Fiona Aldred as the Class Parent Coordinator for her wonderful job of ensuring that all Cromer’s 31 classes have a parent to liaise with and support each class teacher and class parent body throughout 2015.

The first Class Parent meeting will be held on Tuesday in the staffroom for a coffee and a chat with Mrs Maureen Gray, Mrs Julie Johnson and Ms Nicole Herrmann from 9:00am. These meetings will be held once a term to ensure our strong link with the school and community continues.

DEPARTMENT OF EDUCATION AND COMMUNITIES INFORMATION FOR PARENTS

Public speaking
Does your child suffer glossophobia? Fear of public speaking is common. Try creating opportunities for your child to present speeches to the family, without putting pressure on them to perform. Here are some tried and true tips to make your child’s next speech a success.

Science starters
Did humans live with dinosaurs? Does the moon disappear in the day? Kids love to know the answers to life’s mysteries but there are a few facts they often get wrong in the name of science.

Have a wonderful weekend.
Kindest regards
Julie Johnson and Nicole Herrmann

What a fun term it has been so far at Cromer Kids Club! Our new kindies have settled in well and the older children have been so helpful and friendly when showing them the ropes! We are looking forward to welcoming Dana back to Cromer next week.

At Cromer Kids Club we have been working hard to introduce some new routines for an even smoother running service! The staff have been so supportive which just proves what a great team we have!

To help us with these new routines may we please remind you of a few important things!

- Casual Families- We LOVE having your children at our service! However, we MUST be notified that they are coming either via PHONE, TEXT or EMAIL BEFORE THE SESSION BEGINS or alternatively pop in and write a note in the communication diary located at the sign in/out desk to avoid receiving a CASUAL ATTENDANCE CALL FEE of $5.00! This also avoids the issue of your child turning up and not being able to attend because we have reached capacity for that session!
- Absent Children- If your child is away from school, picked up early or not coming to OOSH one afternoon, PLEASE contact either Head Office or the Centre and let us know BEFORE THE SESSION BEGINS. Alternatively you can leave a note in our diary which is located on the sign in and out desk to avoid receiving a NON ATTENDANCE FEE of $5.00
- Please check the “COMMENTS” section on the roll when signing out your child. Staff often write notes or reminders for you!
- If your child has ANY medical conditions including, ASTHMA, ANAPHYLAXIS or ALLERGIES, you need to provide us with the appropriate action plans signed by their doctor (please make sure the plans have clear photos), appropriate medication CLEARLY LABELLED, and complete an OOSHNB Authorisation form for Administering Medication (available from the centre).
- A perk of living in this beautiful country is the amazing sunshine! PLEASE make sure your child/ren have a hat with them EVERYDAY! If you know they leave them in their classrooms overnight then please pack a spare one!

OOSH NB Head Office have also had a crazy start to the year, working hard on creating our AWESOME new website!! Check it out at www.ooshnb.com.au and while you are on there, why not check out our AMAZING Vacation Care program which will be up on online by the end of week 7!

If you have any questions or would like to come in for a chat or to meet the staff, we are available at before school care after 8:30am or in the afternoons after 3:30pm Monday- Friday.

Have a great weekend!

SPOTLIGHT MOMENT IN SPORT
Congratulations to Ben E and Tyko W from Year 6 for their selection in the Zone PSSA Cricket team. This is an outstanding achievement for two students who represent the school with pride whenever they participate in PSSA. Congratulations Ben and Tyko.

Cricket coach

PARENT/GRANDPARENT READING HELPERS
Throughout the school we have a number of students who have been targeted as requiring extra support to progress with their literacy skills. To give these students the best opportunity to move forward with their reading we desperately need volunteers to work with them one on one. If you are able to spare 30-40 minutes of a morning or afternoon we would love to hear from you. We would also love to hear from any aunts, uncles, grandparents or friends who might be able to spare some time. Each student will be working on a structured individualised program and you will receive training in how to support them.

If you would like to help out with these programs, or if you have any questions, please contact me via the school email (cromer-p.school@det.nsw.edu.au) or by phone on Monday, Tuesday or Thursday (9971 0499).

Thank you for your assistance.

CROMER PUBLIC SCHOOL P&C WORKING BEE
Saturday 28th February 2015
10am – 2pm

Thank you to the wonderful handful of Cromer families who came along on Saturday and for all your hard work throughout the day!
Cromer Public School EVENTS TEAM .......... REQUEST for VOLUNTEERS

We need your HELP!! We are looking for a team of creative organisers to support our EVENTS TEAM.

This includes Community Events as well as money raising events so there is something for everyone. We are proud of the events that the P&C organised last year and our wish is to keep them rolling with fresh ideas. However we truly do need more assistance from the Community to ensure these programs can keep running.

Last year our P&C Sponsored Events raised money to fund the following programs:

- $45,000 towards the LAST (Learning & Support Teacher) program, ensuring 5 days of Teacher Support.
- $1,200 for new microphones for the hall as the old ones were no longer compatible.
- $1,000 for student support, ensuring all children can attend year level camps.
- $1,000 towards transportation costs for Schools Spectacular.
- $4,600 to purchase band instruments to ensure our children have quality instruments on which to learn.
- $500 towards participation fee for the Festival of Choral Music.
- $2,200 for maths storage units to ensure teachers and students had easy access to maths games and equipment.

Contributed: $55,500 for the year above the costs of Social & Community Events and programs.

Social and Community Events / Programs Sponsored by the P&C:

- Kindergarten Welcome Packs for new Kindergarten Parents.
- Kindergarten Welcome BBQ.
- Easter Eggs for children on Easter Hat Parade day.
- Father’s Day BBQ – a hugely successful event and great for our children and their father figures.
- Working Bees – to ensure our grounds are kept neat and tidy, a job sometimes too big for Mr Meade.

Successful 2014 Fund Raising EVENTS Organised via the P&C

- Car Raffle – Netting $19,500 and 11 Pizza Parties for the children....how many can we have this year?
- Mother’s & Father’s Day Stalls – so much fun to see the kids shopping for their loved ones.
- Trivia Night – A ‘Not to be Missed’ event in the School Calendar.
- Christmas Carols – although this event was rained out, it brought together our Band, Strings and Choir programs and was a much looked forward to event.

Being part of the Events Team is rewarding and fun. Our programs make a huge difference to our school community and the experiences we can offer your children. Please let us know if you are able to contribute your support this year.

Please return to the Office ASAP. Although our events are supported by different year levels, we still need to brainstorm and co-ordinate these as some events fall under the P&C umbrella. Your contribution may be big or small, front of house or behind the scenes (marketing, PR, design, counting money, setting/ cleaning up, putting together packs & prizes). Any assistance is always welcomed.
