PRINCIPAL’S REPORT

This week I have attended a number of important meetings with students, staff and parents. It never ceases to amaze me that we have such a depth of leadership capacity within our school community. Earlier in the week I was delighted to be able to spend time meeting with our Class Parents. Fiona Aldred does a great job as the Co-ordinator assisting parents to disseminate information to class groups throughout the school. Class parents you are a vital link in our communication network and we do appreciate all you do in support of your child’s class.

On Tuesday afternoon I attended Primary Assembly and it was wonderful to see this year’s Captains and Vice Captains leading the assembly so effortlessly. We came together to celebrate student achievement, success and community service. Mrs Johnson and I made presentations to many of our Year 6 boys and girls who volunteered to run a range of special activities at the Kindergarten Welcome BBQ. The Kinders certainly appreciate spending time with their big buddies. Many thanks, Year 6 girls and boys!

This week Trolley Tuesday entered the K-2 playground for Kindergarten at Recess time. Our youngest students enjoyed going shopping with their 50 cents. The trolley provides a gradual introduction to the lovely goodies that are available from our healthy canteen without having to join the rest of the school. Approximately 78 little people lined up excitedly waiting to spend their money. Naturally the trolley is dependent on parent volunteers for its operation.

An urgent cry for help is put out to all Kindergarten parents who would be willing to operate the trolley once or twice a month. High finance is not required as everything on the trolley costs just 50 cents but a good dose of loving patience is necessary as little people make the tough decisions about what to purchase. The Canteen Team prepare the goodies so parents are not expected to prepare the food on offer. If you would be willing to go on the trolley roster please contact our Canteen Manager, Laura as only one Kindergarten parent has come forward out of nearly 100 to assist. Toddlers are allowed to accompany their parents during this 20 minute activity. Kinders just love seeing their Mum or Dad helping at school. Many parents have told us they would love to volunteer in the Canteen but can’t because of pre-schoolers.

Naturally the pre-schoolers’ safety is the reason why children are not allowed in the canteen so this voluntary service of Trolley Tuesday is ideal for busy parents with younger children. This task certainly puts a smile on our youngest students’ faces and it would be great if this service was not dependent on parents who have had their turn over the years but no longer have anyone in Kindergarten.

I also had the privilege of spending time with Year 6 and Ms Gregory, Mrs Scarlett, Mrs Riddington and Mr Tasker at Student Parliament this week. I was impressed with Madame Secretary and the Members of Parliament for the way they demonstrated their understanding of the democratic process and the way parliamentarians presented their points of view on issues up for debate. I will look forward to attending again.

In closing, parents are again reminded to exercise caution when driving in the vicinity of the school especially at drop off and pick up times. Drivers are also asked to be respectful of our neighbours’ properties and to not obstruct their driveways as this is completely frustrating and annoying when residents cannot get out or get into their homes on a regular basis especially at home time.

DEPUTY PRINCIPAL’S REPORT

Best Start Kindergarten Assessment
All Kindergarten students have participated in the Best Start Kindergarten assessment process. The student data has been entered into the software program and parent feedback will be provided in the form of a report which has been sent home this week. If you have any queries or concerns regarding this report, please don’t hesitate to make an appointment to discuss these with your child’s class teacher.

P&C Meeting
The P&C and School Council have a strong partnership with the school and allow the school community to play a part in setting the schools vision and directions as well as in preparing the school's plan. They also give invaluable feedback on how well programs are working and raise ideas on how to improve on classroom resourcing.

The next P&C meeting is to be held on Tuesday evening (17th March) 7:30pm in the staffroom. Many important issues are raised and discussed at these meetings. It would be great to see some new faces as well as the old! Please come along to the P&C meeting and have a voice in your child’s education.

Class Parents
Many thanks to all the parents who have nominated themselves for 2015 Class Parents and who attended the first class parent meeting this week. It was discussed at the meeting that the role of the class parent is to liaise with and support the class teacher, provide parents with information on special school events and help organise social class get-togethers. If you have any concerns regarding individual class matters these need to be directed to your child’s classroom teacher not the class parent.

SAVE THESE DATES!!!
Cyber Safety Presentation – Tuesday 24th March 7pm – 9pm
The FREE “Raising Responsible Digital Citizens” presentation with Leonie Smith the Cyber Safety Lady will be held in the school hall on Tuesday 24th March from 7-9pm. Bookings are essential at youthbookings@warringah.nsw.gov.au

Harmony Day – Thursday 19th March
This year’s theme for Harmony Day is about the cohesive and inclusive nature of Australia and promotes a tolerant and culturally diverse society. 2015 celebrates 15 amazing years of Harmony Day. On Thursday students are to wear mufti and will participate in buddy activities throughout the day. Students will have their lunch together with their buddy on the oval.

Student Success
Today many of our students attended the Manly Warringah Zone PSSA Swimming Carnival at the Warringah Aquatic Centre. We’d like to congratulate all the students who represented Cromer as members of our school team. Each competitor tried their very best in each event and supported their team mates. We were very proud of the attitude and effort displayed by every student. Many thanks to Mrs Nicky Stratton and Mrs Sharon Newling for their support of the swimmers and making sure that each and every competitor knew which event they were participating in. Congratulations also to all the Cromer competitors on your outstanding behaviour and sportsmanship. Results to come in next week’s “Weekly”.

Manly Sea Eagles Rugby League Player and Ex Student help out with Kindergarten Reading
KS along with Mr Shepherd had a surprising visit from one of our ex-students and up and coming Sea Eagles player, Clinton Gutherson from the Manly Sea Eagles on Tuesday morning. Clinton and his team mate, James Hasson helped KS with their reading. KS and Mr Shepherd would like to thank Clinton and James for their assistance within the KS classroom.
School Photos

Our K-6 photos will take place during the day on Wednesday 1st April between 8:50am and 2:50pm.

All students are to wear full summer school uniform – including black school shoes, with hair neat and tidy. If students have fitness/sport on this day, they are to bring their joggers to change into. A schedule for the day’s organisation will be included in next week’s Weekly.

Welfare @ Cromer

Bullying-Teasing-Harassment

Bullying practices are not accepted at Cromer. With a ‘zero-tolerance’ approach we expect that arising issues are dealt with promptly.

Bullying is generally considered to include repeated incidents over time, and may include more than one person against another exercising unequal power. This may include verbal, psychological or physical forms. One-off incidents do not usually constitute bullying.

Sometimes issues of bullying, teasing or other forms of harassment occur and it can be difficult to provide a black-and-white response and implementation of consequences. The issues often become clouded when incidents go un-reported, or there are reporting delays, or students in turn retaliate, often on more than one occasion. The best professional judgment of teachers is implemented during investigations and applying consequences. These may not always accord with the wishes of other people, but we continue to work with the best interest of the students in mind.

At the start of the school year, and then on a regular basis, all class teachers teach anti-bullying lessons with their students as well as the school’s Positive Behaviour Engaging Learners (PBEL) values of RESPECT, RESPONSIBILITY and ACHIEVEMENT. Students are expected to make every effort to follow the steps taught and it is only when the early stages are not successful that a teacher should be consulted. However, we do not expect and will not tolerate continued bullying and violence toward any student. Students must expect to come to school feeling safe, secure and happy.

Briefly, the Cromer ‘bully-busting’ program for students teaches the following:

- try to ignore the incident (several times unless serious or physical violence is involved)
- tell the bully to stop in a confident manner
- tell the bully that the bullying will be reported to a teacher
- report the bullying to a teacher.

If the student is not satisfied that the bullying has ceased after following these steps they should report the matter to their parents or to their class teacher, then to an executive in the school, where they can expect that the matter will be investigated carefully, calmly and with an appropriate resolution occurring.

The simplest advice to every child – don’t let the bully win, stand up to the person doing the bullying (repeated incidents over time), then report the bullying if it doesn’t stop, or re-occurs.

We hope you all enjoy your weekend with your families

Have a wonderful weekend.

Kindest regards

Julie Johnson and Nicole Herrmann

PARENT/GRANDPARENT READING HELPERS

Throughout the school we have a number of students who have been targeted as requiring extra support to progress with their literacy skills. To give these students the best opportunity to move forward with their reading we desperately need volunteers to work with them one on one. If you are able to spare 30-40 minutes of a morning or afternoon we would love to hear from you. We would also love to hear from any aunts, uncles, grandparents or friends who might be able to spare some time. Each student will be working on a structured individualised program and you will receive training in how to support them.

If you would like to help out with these programs, or if you have any questions, please contact me via the school email (cromer-p.school@det.nsw.edu.au) or by phone on Monday, Tuesday or Thursday (9971 0499).
