Congratulations to Year 6 (6G, 6R, 6S, 6T and K-6B) for their excellent behaviour whilst on their major excursion to Canberra and Cooba this week. I am sure there will be lots of exciting stories around dining tables over the next few days. For many of our students this is the main highlight of their primary years. Well done, girls and boys!

Year 6 Staff: Mrs Kris Scarlett, Miss Rachel Gregory, Mrs Sarah Riddington, Mrs Helen Brady and Mr Ben Tasker also deserve a very big thank you for the non-stop support they extended to Year 6 students. They too will have some interesting stories to tell their loved ones. Year 6 Staff your blood is worth bottling!

In the coming week we will be holding our Kindergarten 2016 Open Day on Thursday, 28th May. All families with children eligible to attend Kindergarten in 2016 are encouraged to attend. Children who turn five years of age on or before 31st July, 2016 are eligible to enrol in Kindergarten next year.

Sometimes parents who have their older children with us opt not to attend as they already know a great deal about the school. However, this is the start of your pre-schooler getting a taste of big school and we would love to meet you both next Thursday. I thank Deputy Principal, Nicole Herrmann for her organisation of the day and to our students who will share with visitors what they are involved in at CPS.

At the present time there are a great number of initiatives that are being rolled out by the NSW Department of Education and Communities with one such initiative being The Wellbeing Framework for Schools under the title of Supported Students, Successful Students. Students will be encouraged to connect, succeed and thrive at each stage of their development and learning. Included in the Framework is a new Behaviour Code for Students which will be published in next week’s newsletter.

You are invited to look at the School Plan 2015 – 2017 which has been published on the school’s website. I thank the School Executive, Staff, School Council and Parents & Citizens Association for their involvement in the planning process.

The school’s vision is:
‘To prepare students for lifelong learning within a connected community that values focused leadership and strong partnerships’.

The strategic directions for the next three years are:

- Quality Teaching and Learning
- Focused Leadership
- Strong Partnerships

CyberSafety and Digital Citizenship - A Guide for Parents - Bookmark this page!

As your child spends more time on computers, portable devices and mobiles, it is important to understand how to help them stay safe and responsible. You don't have to be a computer whiz. The great news is, there is help out there! Learn about CyberSafety and Digital Citizenship at the Department of Education and Communities website: www.digitalcitizenship.nsw.edu.au. On this site you will find interesting facts, tips and interactive activities to support you and your child.

We have also found a great link to show children about safe searching on YouTube. Although they don't have access to it at school, it's a great quick video to help children surf safely at home. https://www.youtube.com/watch?v=tkMPZuNFBs&feature=player_embedded

Happy and Safe Searching!

DEPUTY PRINCIPAL’S REPORT

Year 6 Camp

An early start to a sunny Monday morning this week, saw many Year 6 students, (and staff), bleary eyed, as they set off early for an adventurous three day trip to Canberra and Cooba Sport and Education Centre, just out of Berridale. Year 6 arrived at Canberra mid-morning on Monday and set off to visit the War Memorial and Parliament House to gain a better understanding of how Parliament works. They then travelled to Cooba where they tUCKed into their warm beds for a good night’s sleep. On Tuesday and Wednesday the students and teachers participated in activities that fostered teamwork using a collaborative approach to problem solving, allowing students (and staff, we’re led to believe) to participate in new challenges, and encourage leadership skills and independence.

We’re looking forward to hearing all about Year 6’s wonderful adventures on their return to school today! Our sincere thanks to Mrs Kris Scarlett, Mrs Sarah Riddington, Mr Ben Tasker, Miss Rachel Gregory and Mrs Helen Brady for giving up their valuable family time over the three days to allow for the students to have such a meaningful experience related to their unit of work – Parliament and Leadership.

2016 Kindergarten Enrolments

We are now accepting enrolments for 2016 Kindergarten students. If you have a sibling who will be starting with us next year, could you please assist the school by either downloading an enrolment form through the Department of Education and Communities website – www.det.nsw.edu.au or by collecting one from the school’s Administration Office and returning it as soon as possible. This early identification of sibling enrolments assists us greatly with our forward planning for the Transition to School Program beginning in term 4.

OPEN DAY for 2016 KINDERGARTEN

We will be holding our Open Day for Kindergarten 2016 on Thursday, 28th May starting at 9:15am. If you intend starting a child next year or know of someone considering Cromer Public School for their child, this is a great opportunity to hear about the school and our programs.

Zone Cross Country

Congratulations to all the students who will be representing Cromer at the Zone Cross Country today. We wish you all the very best of luck and look forward to hearing about the results upon your return to school on Friday.

Healthy Eating

When lunch comes home ... again!

Almost nine out of 10 Australian parents say children’s resistance is a major obstacle in their efforts to provide a healthy diet, and in many cases school lunches are one of the battlegrounds.

But it’s a battle families can do without and there are some simple steps to help avoid it. Find out more at: http://bit.ly/K7IoJD

Cyber Security

The Federal Government’s cyber safety website www.staysmartonline.gov.au provides tips and info on how not to fall victim to online crimes such as identity theft, fraud, phishing, scams and cons and the issue of cyber bullying. There is also a section on smart socialising online as well as separate pages full of great advice for children and teens.

Also, check out School A to Z for plenty of technology info and the latest on cyber safety at: www.schoolatoz.nsw.edu.au/technology/cybersafety
Social Media Sites - How young is too young?

Just a reminder that social media sites used by primary aged children and not supervised by parents can be an unsafe way of communicating to friends. Children under 13 years old are not permitted to register for Facebook and accounts will be deleted if the company is notified of an underage user.

Vice-chair of the Electric Frontiers Australia, Geordie Guy says, it's not an environment designed for younger children. "As a parent you need to think about whether you would want younger children in this environment ... think of it like a virtual party of young adults, and ask yourself if you would want an eight-year-old to go along," he says.

Another issue often overlooked is that social media sites like Facebook are a business. Advertising is Facebook's revenue stream and if kids link to brands and businesses via Facebook they are joining commercially valuable consumer data.

Educate your kids on how to protect their personal information and privacy

- Do not give out personal details about yourself or your family including:
  - full name, date of birth or age
  - where you live
  - where your children go to school
  - contact details including email addresses
  - bank account details
  - user names and passwords.

- Encourage family discussions about safe online practices, making it easy for kids and teens to ask you anything.

BOYS DANCE NEWS

Eisteddfod Information

It was great to see so many students at our special rehearsal on Saturday. It was very successful and lots of fun. Just a few reminders for our eisteddfods:

**Dates:** Sunday, 24th May and Sunday, 21st June

**Address:** UTS Kurin-gai, Eaton Rd Lindfield in the Greenhalgh Theatre

**Costume Requirements:** Students should arrive to all performances dressed in their costume. Costumes will be given to students at our final rehearsal. All dancers need to wear black canvas slip on or black lace up shoes (with black laces) no socks please. These can be purchased at a cheap price from various stores.

**Hair:** Boys hair will be done on the day by Miss Vicki. Girls are required to wear hair in a high pony tail with a black hair tie. Girls can wear a little makeup which can include brown eye shadow, black mascara and red lipstick (this helps them not to look washed out under the stage lights).

**Parking:** There is parking on the street. You can also park in the university grounds for a fee of $5 cash paid as you enter the car park.

**Cost to watch:** Adults are charged $15, children and concessions are $10. Payment is collected at the theatre doors.

**Meeting place:** We will meet each group at their allocated time in the foyer just near the cafe doors.

Kids Club this week has been busy learning about Sustainability. The children and staff had discussions about what is sustainability, including recycling, growing plants and the environment.

In the kitchen we made carrot cake. Our craft experiences were very different this week as we became busy little gardeners learning how to grow our own cactus and make our own terrariums. We also made coffee filter butterflies using food dye. The children were completely engaged with these experiences and enjoyed being able to take home what they have made and watch them grow! I would just like to thank my Mum for running around Narrabeen Markets on Sunday to get me all the cacti and succulents we needed for the week. Thanks Mum!!

Next week at kids club our theme is going to be “State of Origin”. In the kitchen we will make footy game related recipes as well as plenty of footy in the playground and NRL trivia. Go The Blues!!!

Have a great weekend.

NEW ITEMS!
Look out for our delicious steamed Dim Sims available over the counter at recess and lunch with or without Soy sauce for $1.50 per serve.

BIRTHDAYS
Hate baking & icing cupcakes? Don’t have the right size container to transport them in? Help is a click away…… Crunch @ Cromer are now offering Cupcakes or Frog in a Pond for birthdays. They are available to order Monday – Thursday via Flexischools with 3 days notice and delivered to your child’s classroom.
Choices are:
Chocolate or Vanilla Cupcakes iced & decorated with sprinkles $12 / dozen or Frog in a Pond $7 / ½ dozen.

TIP
To avoid disappointment & morning stress try ordering through Flexischools the night before. Mornings are extremely busy for ordering making it slow to process orders. Don’t miss out, order at night!

Price Rise – Effective Term 3
In keeping with price increases from suppliers Crunch@Cromer will have to introduce a price rise effective beginning Term 3. Prices have remained the same for the past 18 months, so we hope this will not adversely affect anyone. The price increase will be effective via both Flexischools orders and over the counter sales.

If you have any queries please drop in and have a chat.

Special Event

WRITERS LIVE
BRINGING WRITERS, BOOKS AND PEOPLE TOGETHER

Barrenjoey High School and Berkelouw Books invite you to meet Andrew Fuller when he speaks on Unlocking Your Child’s Genius at Barrenjoey High School.

Every parent wants their child to be the best they can possibly be, but how do you discover and encourage your child’s particular natural talents? Clinical psychologist Andrew Fuller believes that all children have an innate sense of inquisitiveness that is fundamental to creativity and lateral thinking. However, social conditioning and school can lead to a desire to conform and fit in which dampens that exuberance and curiosity.

Andrew Fuller’s interest in creativity combined with a lifetime spent working with people on a wide range of issues has led him to write Unlocking Your Child’s Genius: How to discover and encourage your child’s natural talents. It is a guidebook for parents to unleash their own genius and role models for children.

He examines the skill set parents (and other mentors for young people) need to foster lateral thinking in others as well as the environment and conditions essential for launching a child on a lifelong journey of exploration.

Time: 6.30 - 8.30 pm
When: Thursday, July 23rd, 2015
Where: Barrenjoey High School Hall,
Coonanga Rd, Avalon, NSW, 2107
Bookings are essential and can be made via
Berkelouw Books in Mona Vale
Ph: 9979 2112 Email: monavale@berkelouw.com.au
Cost is $ 7.00 per person.

Please note: 10% of the value of all ticket and book sales achieved at this event will be donated by Berkelouw Books to Barrenjoey High School.
