PRINCIPAL’S REPORT

As you are aware, Winter has descended. All students should be in their Winter uniforms by now. Parents are asked to ensure that children leave home wearing their jackets. I am amazed that children can get out the door at home without a warm covering. I have asked students to wear their jackets to and from school. Once inside their classrooms jackets can come off. Please reinforce this with your child for their health and wellbeing and that of their class peers and staff.

At present we have so many sick children with lots of coughs, sneezes and running noses. Children need to have tissues with them at school. A few reminders and demonstrations at home on how to blow noses would be appreciated as a number of children have not mastered this self-care task. It has been publicised widely that the flu will be really bad this year so please keep a close eye on your child’s health. If children are off colour, coughing, sneezing and generally miserable get them to the GP and keep them home until they are better. In this way they will have a chance of recovering far more quickly and they will not be infecting other children in their class.

I would also appreciate it if parents could ensure any child riding a bike or scooter to school is fully aware of how to cross roads and crossings safely. Today we have had two very concerned members of the public ring to advise us that one of our younger students, a girl wearing a pink helmet aged about 6-7 years old was nearly hit on a crossing. The student did not look at all and just rode from her road straight onto the crossing, where she fell off her scooter onto the road. An oncoming car coming the other way just managed to stop in time. Children do not develop road sense until at least 10 years of age and some children never develop road sense. Younger students, those under 10, should be accompanied by an adult to ensure their safety. In this case the motorists would have been devastated if they had hit the little girl who came from nowhere so quickly without any awareness of caution, as she approached the crossing. Help parents! Please spend some time over the long weekend ensuring that your child understands fully how to be safe at all times on roads and crossings.

Maureen Gray

DEPUTY PRINCIPAL’S REPORT

2016 KINDERGARTEN ENROLMENTS

It is now time to enrol your child for Kindergarten in 2016. Our Kindergarten Orientation/Transition Program will begin in September with a parent information evening. The school visits for pre-schoolers will take place in October and November. 

If you have a sibling who will be starting with us next year, could you please assist the school by either downloading an enrolment form through the Department of Education and Communities website – www.det.nsw.edu.au or by collecting one from the school’s Administration Office and returning it as soon as possible.

To ensure your child can be placed in an orientation group with pre-school friends, please enrol them before August. Letters will be sent home to parents regarding the Transition Program once we have enrolment details next term.

PARENT-TEACHER INTERVIEWS

To ensure that the relationship between home and school continues to be established, we will be holding our annual Parent - teacher interviews in Week 1 of next term. More information regarding these interviews will come shortly.

Here are some tips for getting the most out of these important meetings. Prepare a few questions to ask, and walk away with a plan. Find out more:  http://www.schoolatoz.nsw.edu.au/en/homework-and-study/planning-for-the-future/parent-teacher-interviews
NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY

From 2015, all Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with additional learning and support needs and/or disability.

All Australian schools, including Cromer, will collect data on students who are receiving adjustments within their classroom, to meet additional learning and support needs. We will collect, record, store and use this data in line with The NSW Department of Education and Communities requirements of the Privacy and Personal Information Protection Act 1998 and the Health Records and Information Privacy Act 2002. Students’ personal details will be kept confidential.

This information will help teachers, principals, education authorities and families to better support students with additional learning and support needs and/or disability to take part in school on the same basis as students without disability. The national data collection is also an opportunity for schools to review their learning and support systems and processes to continually improve education outcomes for their students with additional learning and support needs and/or disability.

For more information, please see attached flyer and the following website:  http://education.gov.au/fact-sheets-nationally-consistent-collection-data-school-students-disability.

YEAR 6 LEADER’S “GREEN SEA TURTLE” PROJECT

Come along to the Coastal Environment Centre, Pelican Path, Lake Park Road, North Narrabeen on Saturday 6th June from 10am – 12noon to view presentations created by the Peninsula Community of Schools’ young local school leaders.

Our Year Six Leaders have been involved in a “Green Sea Turtle” Project with other Peninsula Community of Schools’ leaders. The leaders have been involved in raising environmental awareness of marine debris and how we as a community can protect the Green Sea Turtle.

Under the guidance of Mrs Nancy Chaffer, the leaders have designed three mosaic turtles (green, amber and red) which are displayed in the playground to remind all of the students to be responsible for their litter around the school. Each turtle visually displayed, represents the need to clean the playground area so as the litter doesn’t end up in our drains and then in the waterways at Dee Why lagoon and beach.

We’d like to congratulate Mrs Chaffer and the Year 6 Leaders on this great initiative! Our playground certainly looks cleaner and we’re definitely assisting with keeping the “Green Sea Turtles” alive. We’d like to wish the leaders the very best of luck with their presentation on Friday and Saturday at the Coastal Environment Centre.

YEAR 2 GRANDPARENT /GRANDFRIENDS DAY

A reminder that Year 2 students will be holding a Grandparents/friends day from 11:45am, on Tuesday 9th June. This will consist of an assembly and group discussions about ‘the olden days’, culminating with a picnic lunch on the oval (weather permitting).

STUDENT SUCCESS

On the 5th - 7th May, Hailey F represented Sydney North region in the NSW PSSA State Basketball championships. Her team came 4th overall. Hailey has also been selected to attend a Basketball NSW under 13 all-star camp in late June. Congratulations on this wonderful achievement Hailey and we wish you the very best in your future basketball endeavours!

CROMER vs ALLAMBIE and CURL CURL DEBATE!

Congratulations to our two senior debating teams who planned for and participated in their first debate for the year! Both Cromer teams were very excited and keen to showcase their speaking skills in front of an enthusiastic Cromer audience last Thursday morning. Well done boys and girls and their talented coach, Mrs Judy Geeveres!

YEAR 6 BIGGEST MORNING TEA

Last Thursday, Year 6 students and their teachers organised a very successful Cake Stall for The Biggest Morning Tea – raising over $1,300.00 for Cancer research, prevention and support.

Many thanks to all the Year 6 families who baked the delicious “goodies” to sell. Well done and congratulations Year 6, on this remarkable effort!

We hope everyone enjoys time with their families over the long weekend!

Nicole Herrmann and Julie Johnson

Lights, Camera, Action!!!

Last week the amazing children in KG ventured out to ABC studios at Artarmon to STAR in a kids show called Imagination Train. The children experienced the magic of television; vivid lights and massive cameras. They also learnt about some of the realities; like lots of ‘wait time’ between the ‘action’. The children were awe-struck as they watched each other perform and were excited when it was their turn. They truly looked like super stars!

I was impressed by the exemplary behaviour of these 5 year olds on their first big adventure together. A special thank you to the wonderful parents (Lana and Larni) and Miss Chong (our wonderful prac teacher) who helped make the day such a success. We will let you know when our super stars will be appearing on T.V.

Louise Green
KG Teacher

Here is what some of our superstars wrote about their experience.

At the studio we got to go on T.V. Some people were being superheroes and some people picked fruit. On the bus we talked and we laughed. When we got off the bus we waited in the waiting room. Then we went to the studio. I was feeling happy and excited. It was fun and I was a superhero. I imagined. That’s why it was called the imagination train. Jenny

We stamped on the berries at the ABC studio. Alyssa

At the studio, we played superheroes. Isla

At the ABC studio there were cameras and we were picking fruit. Casey
Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

From 2015, all Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

Privacy Protection

The NSW Department of Education and Communities follows the requirements of the Privacy and Personal Information Protection Act 1998 and the Health Records and Information Privacy Act 2002. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students' personal details will be kept confidential.

Under Clause 52 of the Commonwealth Australian Education Regulation 2013, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth Privacy Act 1988 when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department's website at http://education.gov.au/notices

If you have any questions about the data collection please do not hesitate to contact Katie Woodley or Nicole Herrmann.
You are Welcome
A special invitation is extended to Staff, Parents and Community Members

The Principals, Staff and Students of The Peninsula Community of Schools cordially invite you to join us

**When**
Saturday 6th June 2015 - 10am to 12 Noon

**Where**
Coastal Environment Centre
Pelican Path, Lake Park Road, North Narrabeen

**Why**
To view presentations created by our young local school leaders, designed to raise environmental awareness of marine debris and how we can protect the Green Sea Turtle.

We look forward to welcoming you on Saturday 6th June

Winter Wonderland was definitely appropriate for this week’s theme as the weather has been very “Wintery”! In the kitchen the children made jamellows, melting snowmen cookies, vegemite breakfast quesadilla & sultana bran muffins. In the centre the children have been busy making snowmen pots & snow globes using a plastic plate and their own painting. Outside we have made snowmen sandcastles and played group games involving our winter theme. As it is the Queen’s Birthday long weekend, Kid’s Club’s theme next week is going to be “All things British”.

Vacation Care:
It’s time to book into our fantastic vacation care! These holidays we have a jam packed program filled with some really exciting excursions, incursions, and in house days. These include, FX Zone Sports centre where we are going to bounce & flip off the walls; Macquarie Ice Rink, where we are going to learn to skate or show off our own skills; the Crazy Scientist is back for his new Crazy Dinosaur workshop and we are going to have our own drive in movie day where we are going to make our own cars and watch some great movies.

The service will be situated at St John’s Kids Club Narrabeena behind the St John’s Catholic Church off Waratah Pde, Narrabeena. Pupil Free Day will also be available. Check out our website for details or ask us in the centre. Visit our new & improved website www.ooshnb.com.au or click: http://www.ooshnb.com.au/resource/file/vacation-care.pdf to go straight to our forms. Spaces will fill up fast so get in early to secure a spot.

Have a great long weekend.
Kids Club Staff

SPECIALIST COACHING FOR JUNIOR CRICKETERS
AGES 7-17

- Lyon Cricket is a leading coaching entity providing group clinics and individual sessions tailored specifically to junior cricketers.
- We focus on developing batting, bowling and fielding techniques.
- Our coaches are highly qualified and experienced and provide a very focused, interactive and enjoyable approach to cricket coaching.
- One-on-one technical and high performance coaching is supported by individual video analysis applications to support our junior cricketers pathways.
- As well as a Sydney domain, we also have an extensive regional NSW focus with our cricket programs.
- Lyon Cricket is headed up by Brendan Lyon, a Cricket Australia Qualified Level 2 Coach and trained PDHSPE teacher.
- Brendan has had extensive coaching experience including coaching appointments at leading grade cricket clubs in Sydney, Perth and Canberra. He has also coached at the Cricket NSW Emerging Blues Programs.

For more information on individual cricket coaching sessions and the next cricket clinics please contact Mark McInerney:
