PRINCIPAL’S REPORT

I hope everyone had an enjoyable long weekend. I spent last Thursday and Friday attending what was the North Sydney Region’s Primary Principals Conference. It was good to catch up with colleagues from other networks. The theme of the conference was “Brave New World” which provided much food for thought about what has already been achieved in the first fifteen years of the 21st century and some of the exciting things that are in development and should be realised within the next twenty years. Our world is certainly changing and the influence of technology cannot be denied.

On Tuesday it was lovely to welcome Year 2’s grandparents to school for a visit. Grandparents started their visit in the Hall with a Special Assembly. Year 2 performed “When I’m 64!” with gusto. Two grandparents, Mrs Moss and Mr West, told Year 2 classes (2B, 2CN, 2K and 2W) about their memories of growing up. Our students were really interested and also enjoyed the “Show and Tell” from grandparents that took place back in classrooms. I found a short poem that I used in my welcome address that says it all in my book:

Grandparents and grandchildren
Together they create a chain of love
Linking the past
With the future
The chain may lengthen
But it will never part

During Term 3, Year 6 students’ parents will be asked to give permission for their children to participate in an on line Middle Childhood Survey as part of a state-wide longitudinal study of child mental health and wellbeing of all NSW Year 6 children who were assessed using the Australian Early Development Index in 2009. The NSW Child Development Study is being conducted with cross-sector representation from the NSW Department of Education and Communities, Catholic Education Commission, and the Association of Independent Schools of NSW. Findings will be used to develop new policies and programs that support and improve mental health and wellbeing of all Australian children. The school fully supports the participation of Year 6 in the study. The on-line survey should take no more than 30 minutes to complete. More information will be issued to parents next term.

Our best wishes go to the Junior and Senior Girls Dance Groups who will participate in the Sydney North Public Schools Dance Festival at Glen Street Theatre next week. I am really looking forward to their performances on Monday night. The Juniors (Yrs 1-3) trained by Mrs Leah Wood and Mrs Louise Jacob will perform “Get into the Swing” and the Seniors (Yrs 4-6) trained by Miss Alison Quinn and Miss Kate Murphy will present “Olympus”. Good Luck, girls!

PRINCIPAL’S AWARDS K - 2

DEPUTY PRINCIPAL’S REPORT

WINTER UNIFORM AND ACCESSORIES

Please ensure that your child’s school jacket is clearly labelled with their name and current class, as the Lost Property pile seems to be growing daily!

For continued pride in our school and our school uniform, just a reminder - girls hair accessories should reflect our school colours of dark and light blue, and sports uniforms should only be worn on grade sport days. Thank you!

KINDERGARTEN ENROLMENTS

It is now time to enrol your child for Kindergarten in 2016. Our Kindergarten Orientation/Transition Program will begin in September with a parent information evening. The school visits for pre-schoolers will take place in October and November.

To ensure your child can be placed in an orientation group with pre-school friends please enrol them well before August. Letters will be sent home to parents regarding the Transition Program once we have enrolment details next term.
SYDNEY NORTH DANCE FESTIVAL BEGINS!
Congratulations to our talented and dedicated dance choreographers; Miss Alison Quinn, Miss Kate Murphy, Mrs Leah Wood and Mrs Louise Jacob and the Senior and Junior Dance groups as they begin their Sydney North Dance Festival next week. Both groups have been successful in auditioning for this prestigious event. They will perform at both matinee and evening shows. As they say in the theatre…..break a leg girls!

GALA DAY
Good luck to our Rugby, Soccer and Netball teams competing in Friday’s Combined Zone Gala Day! We would like to thank Miss Julia Waugh, Mrs Sarah Riddington, Miss Rachel Gregory, Mr Ben Tasker and Mr Tim Shepherd for taking these teams for the day!

NAIDOC VISITOR PERFORMANCE
We are very excited with our up and coming Week 9 K-6 Performance from Fred Reid. Mr Reid’s performance is tailored to the age group of each audience and participation is greatly encouraged. All sessions begin with an acknowledgement and welcome dance and conclude with question time.

The children will be involved in dances of Australia’s unique animals - demonstrated and explained as is the didgeridoo and its many sounds. Fred tells a Dreamtime story and talks about traditional dress, shows different artifacts and explains how they were used. He explains the designs and symbolism of his body-paint.

Please ensure that you have paid for your child to attend this incredibly special experience!

K-6B ATHLETICS CARNIVAL
On Wednesday, Mrs Soraia Barry and Mrs Helen Brady escorted our K-6B Support Class students to their special Athletics Carnival at Homebush Olympic Stadium. Every student came home with a ribbon and despite the weather everyone had a fabulous day.

Well done K6B, you represented your school well and you can be proud of your efforts. Thank you to our lovely parent helper Mrs Vicky Magklis. Your help was much appreciated!!

We hope everyone enjoys time with their families over the weekend!
Nicole Herrmann and Julie Johnson

Please provide afternoon tea for your child as they will be given a short break before the commencement of the tests. The tests will be finished by 4:00pm.

Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

From 2015, all Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the Disability Discrimination Act 1992 and Disability Standards for Education 2005. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

Privacy Protection

The NSW Department of Education and Communities follows the requirements of the Privacy and Personal Information Protection Act 1998 and the Health Records and Information Privacy Act 2002. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students’ personal details will be kept confidential.

Under Clause 52 of the Commonwealth Australian Education Regulation 2013, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the Commonwealth Privacy Act 1988 when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department’s website at http://education.gov.au/notices.

If you have any questions about the data collection please do not hesitate to contact Katie Woodley or Nicole Herrmann.

“All things British” was our theme this week at Kids Club. In the kitchen the children made Yorkshire puddings, Scones and Trifle.

Last week we were lucky enough to have a visit from Alicia Terry (Jude’s mum KR). Alicia is involved with the Guringai Festival and part of the festival is the Weaving Bridges Project where community groups are helping to create public artwork which will then be placed on Queenscliff Bridge. Kids Club is now a part of this project and Alicia is helping the children to create their own wire bird using material to weave around the wire and create a colourful bird for the bridge. This will be an ongoing project for the next few Wednesdays at Kids Club. We are looking forward to seeing the finished birds on the bridge! A BIG Thank you to Alicia for involving Kids Club with this great project.

Next week we are going to have children’s choice and the children can decide on what recipes we cook in the kitchen, group games we play and craft ideas for the centre.

**Vacation Care:**

It’s time to book into our fantastic Vacation Care! These holidays we have a jam packed program filled with some really exciting excursions, incursions, and in house days.
