PRINCIPAL’S REPORT

EDUCATION WEEK is upon us. The 2015 theme for Education Week is “Celebrating Local Heroes”. In speaking to Primary Assembly this week I talked to Years 3-6 students about the fact that it is good to have heroes to look up to and to know their stories as they provide inspiration to us about simple things that we can do to help make our school, our community, our state and our country a better place in which to learn, live and work. Most heroes, be they men or women, girls or boys, display respect, care and concern for others and quite often want to make a difference or bring about change to make the world a better place. Many times they strive continuously to give their best even in tough times, accept challenge, share the workload and celebrate combined success.

This week our teachers and students are sharing what is going on with regard to student learning K-6 at Cromer PS in their classrooms with parents and other family members. Quality teaching and learning is at the forefront of our work in this school. We are very proud to be a school that is part of the Public Education System in NSW. Importantly I would like to say a big THANK YOU to parents and grandparents who visited their children/grandchildren’s classrooms today.

Public Schools open their doors to all children zoned in their intake areas. We accept that children come in all shapes and sizes, come from different cultural backgrounds and have different learning and wellbeing needs. Our students have different strengths, abilities and talents that we cater for through the provision of a wide range of educational programs and extra curricula experiences and opportunities. We also work to build a strong home school partnership in the best educational interest of our students and their learning.

Every school relies on its entire staff to support students to grow and develop as confident and resilient individuals. The people who work in schools endeavour to be role models for students. We are fortunate at CPS that we have dedicated and multi-talented staff: Executive, Teaching, Administration and Cleaning Teams. Together they are deeply committed to giving of their best for our students and their families. I thank them sincerely for being ‘Education Heroes’.

It always delights me when I come across former students who are now adults who talk with such fondness about their teachers and how the teachers and/or office staff really made a difference in their lives and how different staff believed in them and how they will never be forgotten. I think teaching is a profession that is in a privileged position as not every profession gets the opportunity to make a difference in young people’s lives.

I am always impressed at end of year presentation assemblies when staff members really thank their classes for being such wonderful young people and praise them for the way they have worked together and supported each other throughout the year. Your children also make a difference in their teachers’ lives and teachers genuinely are proud of the children they have taught and know they will miss them greatly after the year of being together.

As previously advised the Department of Education and Communities became the Department of Education on 1st July. Earlier in the year the Director General of Education received a change of title. Dr Michelle Bruniges became the Secretary of Education. I have included her thoughts on Education Week in the following paragraph:

“Education Week is a time to celebrate our achievements across the entire public school network. The commitment and dedication of our principals, teachers, SAS staff, and state and regional office staff ensures that public schools provide quality education in NSW. As educators it is our job to inspire and excel in public education. I am proud of what we have all achieved and take the opportunity this week to acknowledge your valuable contributions. I know you all work tirelessly in your respective roles each day – with the common goal to constantly improve the education we offer to our students in NSW. I hope that you take the time this week to celebrate public education and share your successes with the community.”

We are also proud to be a partner school in the Peninsula Community of Schools. As a PCS school we are one of ten primary and three high schools who work together to provide unique learning opportunities K-12 and beyond. As we share so much we come together in Education Week to celebrate nine years of award winning Public Education. I have included the publicity that the PCS has in this week’s Manly Daily to celebrate Education Week in the newsletter for parents’ information.

Next Tuesday, 4th August we will be participating in the second night of the PCS Music Festival to be held at Pittwater High School. The theme is: “Broadway on the Peninsula” I thank the P&C Association for rescheduling their meeting on 4th August to 11th August to allow staff and parents to attend the Music Festival.

This year Cromer PS is being showcased with our School Captains, Bea and Keeghan, who will be the Masters of Ceremony on Tuesday night. The Junior Choir as part of the Combined PCS Choir, the Chamber Ensemble and the Senior Band are all performing. Mrs Susie Witts, Miss Caroline Coram and Mr Kelvin Anderson have been working with the Choir, Ensemble and Band to enhance our students’ performance skills. They are very proud of students’ efforts and hard work. I know Mrs Johnson, Miss Herrmann and I are really looking forward to being in
HELP PLEASE! In the coming week, we will be submitting our projected enrolments for next year. This has an impact on our Staffing levels for 2016. If by chance you have not advised us of your child who is eligible to commence Kindergarten next year can you please ring the Office and talk to Mrs Hand early next week as a matter of urgency. This truly will help us greatly because at this stage we only have documentation to form three Kindergarten classes (3x20). We can only submit numbers against what we have been informed about. Going on previous years' experience we believe we have families out there who have not as yet got around to this important task.

Please, please if you have not told us about your child who is eligible for Kindergarten we need to know as soon as possible. Operating with unknown numbers is incredibly difficult especially as we have a large Year 6 cohort of 120+ leaving at the end of this year and at this stage we look like losing at least 2 classes. Such a loss will impact on Class Teacher, Specialist and Ancillary positions within the school as Staffing allocations are based on student enrolments.

I would also appreciate if you have neighbours who have an eligible Kindergarten child who will be the family’s first child attending Cromer PS if you would ask them to please contact us on 9971 0499 early next week if they have not already done so. At the end of 2014, we picked up 7 additional students for this year’s Kindergarten in the last week of school. These children all had siblings already in the school. The children did not attend the Transition Program so we did not get an opportunity to really get to know them before starting big school. Participation in Transition is an important part of school readiness and it is unfortunate that some children miss out.

In closing, I wish students, staff and parents all the best as Education Week concludes. At this week’s Primary Assembly I thanked all students for their participation in the Athletics Carnival and we presented 1st, 2nd and 3rd place ribbons for Finals in Track and Field. Our Sports Captains also must be congratulated for their leadership. It was also good to see students receiving their Principal’s Awards from Class Teachers. Assistant Principal, Karen Mitchell presented the ICAS Certificates to students for the Technology (Computers) and Science Tests. We had a small number of High Distinctions (top 1% in Australia and Asia), so many Distinctions presented that I lost count and a large number of Credits. Well done, boys and girls! It has been lovely to celebrate your achievements and success this week.

Maureen Gray

PARKING ON SCHOOL PREMISES

Parents are reminded that there is no parking available on school premises at any time unless this is associated with recognised disability and has been authorised by the Senior Executive. We cannot accommodate car spaces for all staff who work on site within our grounds and a number of staff park outside the grounds.

We have Assisted Student Travel vehicles that are the exception. These cars transport students with intellectual disabilities to and from school and utilise the top entrance on Carcoola Road. We have experienced some difficulty of late with cars pulling into this area to drop other students off and this is far from ideal because cars are entering and leaving at various times. It is essential that all children remain safe. Parents are asked to use the designated Drop Off Zones and ensure their children use the defined pathways to gain entry. As you are aware the main entrance on Carcoola Road has a boom gate as we have delivery vehicles throughout the school day making deliveries. Sport providers with large equipment also access this area. Again children’s safety is paramount. Before and After School Care parents are reminded to park outside and to come in via pathway access to drop off and collect their children. Please do not take short cuts through the car entrances so we can reinforce pedestrian safety for both children and adults.

Many thanks for your co-operation in this important matter.

DEPUTY PRINCIPAL’S REPORT

EDUCATION WEEK
Education Week is a major celebration on the calendar of every public school in NSW. It is a time where we invite families and friends to observe the wonderful learning and teaching that takes place every day in our school. It is a time to celebrate the success of our students and teachers and the staff who support them.

As we wandered around the school this morning, it was great to see so many family members and friends in the classrooms to celebrate Education Week and to talk to the students about what they had been learning.

We’d like to take this opportunity to congratulate the Cromer staff on the outstanding job they do in educating the Cromer students.

2016 KINDERGARTEN ENROLMENTS – HAVE YOU ENROLLED YOUR KINDER CHILD YET?
We are now accepting enrolments for 2016 Kindergarten students. If you have a sibling who will be starting with us next year, could you please assist the school by collecting an enrolment form from the Administration office and returning it BY THE END OF AUGUST.

Kindergarten Transition to School Groups will be formed early September with letters sent home soon after this, to invite you to attend the 2016 Kindergarten Transition to School Parent Information Evening at the end of this term.

SCHOOL ATTENDANCE
Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options.

NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

Family Holidays and Travel – Attendance Policy Change
- Families are encouraged to travel or holiday during school holidays.
- If travel during school term is necessary, please discuss this with the school.
- As of this year, an Application for Extended Leave (see attached) will need to be completed NOT an EX-EMPTION application.
- Where the Principal considers that the travel is appropriate a Certificate of Extended Leave (see attached) will be issued.
- Absences relating to travel will be marked as leave on the roll and therefore contribute to your child’s total absences for the year.
- When families are travelling or holidaying, they are to carry the Certificate of Extended Leave with them.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. Please discuss this with the school Executive. Further information about Distance Education is available from the following link: Distance Education

FESTIVAL OF INSTRUMENTAL MUSIC
We are thrilled and very excited to be yet again participating in the NSW Festival of Instrumental Music with 24 of our Senior Strings students from Year 4 – 6.

These students auditioned for their spot on the Opera House main concert hall. It is a once in a lifetime experience for these students and their families. Mrs Jill Bradford and Miss Nicole Herrmann will be accompanying these 24 students for the full day rehearsal and then performance in the evening. We thank Mrs Kathryn Crossing (Cromer PS Strings Director) for all her hard work, passion and encouragement with the Senior String Ensemble and wish her a wonderful new adventure ahead as she awaits the arrival of her first baby next week!!!
Thursday 6th August will certainly be a date to remember for all involved! More information and photos will be in next week’s Newsletter.

EARN AND LEARN

Our school is taking part in the Earn and Learn promotion that Woolworths is running. Please keep your stickers if you shop at Woolworths and send them to school with your child. Each class has some sticker sheets in their rooms for the children to stick the stickers on if you don’t have any at home. The collection box for the full sticker sheets is in the Front office.

PARENT/GRANDPARENT READING HELPERS

Throughout the school we have a number of students who have been targeted as requiring extra support to progress with their literacy skills. To give these students the best opportunity to move forward with their reading we desperately need volunteers to work with them one on one. If you are able to spare 30-40 minutes in a morning or afternoon we would love to hear from you. We would also love to hear from any aunts, uncles, grandparents or friends who might be able to spare some time. Each student will be working on a structured individualised program and you will receive training in how to support them.

If you would like to help out with these programs, or if you have any questions, please contact me via the school email (cromer-p.school@det.nsw.edu.au) or by phone on Monday, Tuesday or Thursday (9971 0499).

Thank you for your assistance.
Mrs Katie Woodley
Learning and Support Teacher

CATHOLIC SCRIPTURE NEWS

An information evening will be held at St Rose Church, Collaroy Plateau at 7pm Monday 7th September 2015. To be eligible for enrolment in this program, your child must be baptised and be in Year 2 at school. If you are considering enrolling your child in the Sacramental Program, it is essential that a parent attend this information evening.

For further information about the Sacramental Program, please visit our parish website: www.lakesparish.org.au or contact the parish office on 9982 1058.

Mass will be celebrated in the school hall during normal scripture time as follows:

Years 5 and 6:  5th August  1:30pm
Years 3 and 4:  12th August  2:05pm

Parents and friends are warmly invited to attend.

MS READATHON

The MS Readathon is an event in which people of all ages can read as much as possible during the month of August and make a difference in the lives of people with Multiple Sclerosis. Funds raised will go towards providing vital support and services for people living with MS. Each year we encourage our Cromer students to participate in this event. We have a number of staff members and students who have relatives who are suffering from Multiple Sclerosis.

You can follow the link to register. Please support this very worthy cause. When registering select Individual Registration and then enter Cromer Public School in the school details section of the online registration form.

Email: manager@ooshnb.com.au

This week at kids club our theme was Sports. In the kitchen we made skateboard biscuits which the children decorated to look like a skateboard, banana split sundaes and cupcakes decorated to look like a basketball.

In the playground the children had their own mini Olympics with all types of races. We also had our usual group game and other games going on throughout the afternoon. Sports trivia was also done before the children had their afternoon tea.

Next week our theme is going to be Street Art. We will focus on creating different art works using a range of techniques.

Have a great weekend.
