On Tuesday night Cromer Public School certainly showcased our talented students at the Peninsula Community of Schools’ Music Festival. This year’s theme was “Broadway on Peninsula”. The Music Festival was held over two nights and was the culmination of a great deal of hard work and effort on behalf of students from Peninsula schools. The students were ably supported by their Junior Choral Directors and the teachers who trained individual items. Each PCS school had a teacher who was a member of the Music Festival Organising Committee.

Cromer is very fortunate to have Mrs Susie Witts as our Festival Committee representative. Mrs Witts not only has developed a love of choral music and performance among Junior Choir members but has liaised with other groups within the school to ensure all performers had a wonderful experience. Each year a different school is showcased to a greater degree. Two schools during the festival are invited to host the evenings and more than one of the school’s performance groups are given the opportunity to perform.

Our School Captains, Keeghan M-W and Beatrice McG, did an amazing job in being Tuesday night's Masters of Ceremonies (MCs). The MCs had a massive script to deliver to the very large audience. They managed to introduce 19 sections of the show in a clear and accurate manner telling the audience about the items to follow. At the end of the show it was lovely to see audience members congratulate Bea and Keeghan on their excellent diction, the way they informed everyone and how they kept the show moving smoothly. Well done, Captains!

The Senior Concert Band under the direction of Mr Kelvin Anderson opened the Music Festival and presented “Themes from New World Symphony” and “Jazzoo”. Mrs Nancy Chaffer supported band members making sure they were set to go on stage. I was sitting next to the Head Teacher CAPA from Narrabeen Sports High School who was amazed at the band’s skill level, the range of instruments and how cohesive the band was together. Great job, Senior Concert Band!

Then the Junior Choir commenced performing as part of the massed choir after the band. Mrs Witts was so incredibly proud of her Junior Choir members. They had a large repertoire of songs that were presented in ten medleys. Mrs Johnson, Miss Herrmann and I were so impressed with the Junior Choir’s mastery of the songs. They had a lot to learn, but you could see the joy on each choir members’ faces as they performed. Their enthusiasm knew no bounds. It was also fantastic to have Mackenzie H from 3S actually chosen to perform a solo in “Maybe” with Riley from Collaroy Plateau PS who did a solo in “Castle on a Cloud”. Congratulations, Mackenzie! Both soloists certainly did their schools proud and I am sure it will be something that they never forget. You were all stars, Junior Choir!

The Senior Chamber Ensemble under the direction of Miss Caroline Coram was also fantastic! They presented two pieces “Bring back the Fifties” and “Bugsy and Sam”. Their pieces really fit with the theme of the festival. I actually heard the Chamber Ensemble at their audition. They had only had the pieces for a few weeks and I was already impressed but I could tell on Tuesday night they had worked really hard to perfect their performance. Excellent work, Senior Chamber Ensemble!

Needless to say we had many proud Cromer parents and grandparents in the audience. You certainly deserve to be congratulated for the ongoing support you give to your children and their endeavours in Creative and Performing Arts. I may be a tad biased but in CPS being showcased at the PCS Music Festival on Tuesday night I think audience members would have been impressed with the depth of our students’ talents and the way they are nurtured by staff through educational and extra-curricular programs.

Year 6 Parents were formerly advised that we would be participating in The Middle Childhood Survey (MCS) in Term 3 being conducted by the University of New South Wales and a number of other Australian universities. All education systems are involved with all Year 6 students of every primary school in NSW being invited to participate in a survey of child mental health and wellbeing. The MCS will gather a snapshot of child mental health and wellbeing within a longitudinal research study of children (The NSW Child Development Study) who were assessed using the Australian Early Development Index as they entered school in 2009.

Students at Cromer will participate in the on-line survey at school in the week commencing 24th August 2015. No child will be identified by name and the information gathered remains confidential (accessible only by the research team). Students will be asked about their thoughts, feelings, actions and experiences at a critical stage of their development so the needs of this age group can be better understood and programs and policies can be improved to promote this age group’s healthy development into adulthood. Any findings from the research will be reported in such a way that individuals, schools and small communities cannot be identified.

All Year 6 students have been issued with an information pamphlet today. Parents are asked to read the information provided. The NSW Department of Education is in full support of its Year 6 students being involved as are the CPS Year 6 Team and myself. After reading the information provided, if you want your child to participate you do not need to do anything else. However, after reading the information if you choose for your child to participate...
pate please fill in the Parent/Caregiver WRITTEN OPT-OUT/WITHDRAWAL form and return it to your child’s class teacher before 24th August. The pamphlet clearly explains the process involved. I endorse the Middle Childhood Survey to all parents as the information that will be gathered will hopefully help the Government to provide better services for young people especially as they enter adolescence.

Congratulations to 4L who have raised funds within their class to adopt Rocky and Rickina two young orangutan orphans who have been rescued and now live at the Orangutan Emergency Centre, Keptapang, West Kalimantan, Indonesia. The Orangutan Project encourages school aged students to sponsor these endangered animals and help them to live a better life based on Compassion…Protection…..Freedom. Well done, 4L!

In closing, I am really looking forward to attending the Mimosa Instrumental Concert at the Opera House tonight. Members of Senior Strings will be performing once again in this prestigious Arts Unit event. I thank Mrs Jill Bradford and Miss Nicole Hermann for accompanying our Strings and supporting their performance. I am sure Mrs Kathryn Crossing will be sending her love to our Strings.

Joshua B who plays the double bass will take to the stage tonight for a third night of the Instrumental Concerts this week. It is an incredible honour to be asked to perform over four nights. We needed him at the PCS on Tuesday, so this week he has been on stage at the Opera House on Monday night, Pittwater on Tuesday night, back to the Opera House on Wednesday night and back on stage tonight! This is a super human effort, Josh! You certainly deserve our congratulations!

KINDERGARTEN ENROLMENTS

It is now time to enrol your child for Kindergarten in 2016. Our Kindergarten Orientation/Transition Program will begin in mid-September with a parent information evening on Thursday 17th September in the school Hall from 7pm. The school visits for pre-school children will take place in early October during the first 4 weeks of Term 4.

To ensure your child can be placed in an orientation group with pre-school friends please enrol them well before the end of August.

Letters will be sent home to parents regarding the Transition Program once we have enrolment details, in time for the 17th September meeting.

ROAD SAFETY

Mrs Johnson and Miss Herrmann, along with the daily teachers on Bus Duty, have had to speak to a number of students this week about road safety both on the way to and from school. It seems that some of our older students are running, scootering or riding across busy roads without looking or acting responsibly! A student was even talking on his mobile phone as he crossed the road straight in front of a car. We have spoken to the students regarding road safety strategies and would ask parents to also reinforce correct road safety procedures (crossing at the Pedestrian Crossing, looking right and left before crossing and using 2 eyes and 2 ears around roads)! Many thanks for your support in this important safety matter.

2016 PLANNING

It is that time of year again when we begin our planning for 2016. We look carefully at the numbers of students in each grade as to what classes (straight or composite) that we can run with.

If you know your child/children are not returning to Cromer PS in 2016 please let Miss Herrmann or Mrs Johnson know in writing as soon as possible. This will allow us to send the correct number of students per grade into the Department of Education for staffing numbers.

PCS FESTIVAL OF MUSIC SUCCESS!!

Huge congratulations to the Senior Band, Senior Chamber Ensemble (SCE) and Junior Choir students who performed so wonderfully at the annual PCS Music Festival on Tuesday evening. We were very proud Deputies as we watched the talented Cromer students perform with great enthusiasm and pride! Well done!

A very special thank you to Mrs Suzie Witts (Choir), Miss Caroline Coram (SCE) as well as Mrs Nancy Chaffer and Mr Kelvin Anderson (Band) who supported each group superbly!

Congratulations to our school captains, Bea Mc and Keegan MW for their outstanding job as the evening’s MCs.
P&C MEETING
Just a reminder to our Cromer Community that the P&C Meeting that was cancelled for Tuesday 4th August, will take place in the Staffroom from 7:30pm on Tuesday 11th August. All welcome!

PSSA SEMIS and FINALS
We wish our wonderful Winter PSSA coaches and Cromer teams’ good luck as they prepare for the PSSA Semi-Finals on Friday and then Finals the following week. We are very proud with the way our students represent our school at these games – on and off the field. Individual team results will be in next week’s Newsletter!

BABY HAS ARRIVED!!
We’d like to take this opportunity to congratulate Mrs Kathryn Crossing and her husband on the birth of their beautiful daughter, Mia Elsa. Mum, Dad and bub are all doing well!

Have a wonderful weekend with your family.

Julie Johnson and Nicole Herrmann

**ICAS MATHS TEST**

The **ICAS Maths** test will be held on **Tuesday 11th August**, after school. Students are to go directly to 3/4/5M’s classroom straight after the bell to have their names marked off the roll.

Please provide a **lead pencil (HB or 3B), a ruler, an eraser** and afternoon tea for your child as they will be given a short break before the commencement of the test. The test will be finished by 4:15pm.

Your child will need to be picked up from 3/4/5M’s classroom **promptly at 4:15pm by an adult**. Students attending Cromer after school care will be walked to care.

PARENT/GRANDPARENT READING HELPERS

Throughout the school we have a number of students who have been targeted as requiring extra support to progress with their literacy skills. To give these students the best opportunity to move forward with their reading we desperately need volunteers to work with them one on one. If you are able to spare 30 - 40 minutes in a morning or afternoon we would love to hear from you. We would also love to hear from any aunts, uncles, grandparents or friends who might be able to spare some time. Each student will be working on a structured individualised program and you will receive training in how to support them.

If you would like to help out with these programs, or if you have any questions, please contact me via the school email (cromer-p.school@det.nsw.edu.au) or by phone on Monday, Tuesday or Thursday (9971 0499).

Thank you for your assistance.

MS READATHON

The MS Readathon is an event in which people of all ages can read as much as possible during the month of August and make a difference in the lives of people with Multiple Sclerosis. Funds raised will go towards providing vital support and services for people living with MS. Each year we encourage our Cromer students to participate in this event. We have a number of staff members and students who have relatives suffering from Multiple Sclerosis.

You can follow the link to register. Please support this very worthy cause. When registering select Individual Registration and then enter Cromer Public School in the school details section of the online registration form.

EARN AND LEARN

Our school is taking part in the Earn and Learn promotion that Woolworths is running. Please keep your stickers if you shop at Woolworths and send them to school with your child. Each class has some sticker sheets in their rooms for the children to stick the stickers on if you don’t have any at home. The collection box for the full sticker sheets is in the Front office.

School Administration
This week at Kids Club our theme has been “Street Art”. In the kitchen, the children made their own graffiti toast and graffiti muffins. In the centre, the children made a graffiti style art work of their name and outside, a group of children worked together on a chalk mural.

This week we also introduced a new “Children’s Ideas Board” where the children can write down any ideas they may have for the centre including cooking, craft, games or themes.

Woolworths Earn and Learn is back again this year and Kids Club is involved with collecting the stickers. Kids club can then benefit from the program by boosting our supplies and earning us some new resources for the centre. You can drop them into us or have the children give them to a staff member. Once the program is finished we are going to let the children choose what they would like to have at the centre from the points we have earned.

This week at Kids Club we will be conducting a fire drill at the centre. This is to ensure all the children and staff are aware of the procedures that are in place if an evacuation was to occur.

Next week at Kids Club our theme is “Green” which was an idea from one of the children. We are going to incorporate a variety of green experiences including cooking, craft and the outdoors.

Have a great weekend.
