As advised last Friday, our students were placed into their new classes by the end of Week 1. We had hoped to move straight after lunch on Friday but were delayed with thunder storms and heavy rain. Student safety naturally was our priority. We were lucky the storms passed.

This week **Year 1 - 6 students are busy getting to know their new classmates and settling in with their new teachers.** Every teacher is very happy with his/her class and looking forward to having a fantastic year.

The **Teaching Staff** of Cromer Public School is **very experienced and multi-talented.** They bring their teaching expertise into classrooms combined with dedication and commitment, wanting to nurture their students’ academic growth and social development. It is important that parents are positive with children about the changes they encounter at the start of the new school year. I can assure you a great deal of time and effort has gone into class organisation and we want students to be not only successful but resilient.

The **Kindergarten Team** with Assistant Principal Mrs Louise Green, Miss Rowena Rien, Miss Kate Murphy, Mrs Kym Oram and Mrs Nicola Stratton (shared class) completed the Best Start Assessment on Monday. They have **welcomed their new Kindergarten students over Tuesday and Wednesday of this week.** Things are very settled and we appreciate the support of parents. Many of you have told me how lovely the teachers are and that everything is very exciting.

This is a very important time for our youngest students as they commence their primary schooling. It is also a very important time for Kindergarten parents as they build their relationship with their child’s first teachers and get to know the school. I believe it will not take long for new parents to settle in to this school community.

I encourage all parents to attend next week’s **Parent Information Evenings** where grade/stage information will be provided to all parents at the beginning of the evening and then parents will move off to their classrooms with their child’s teacher/s. Class Teachers will provide an overview of class routines and organisation. These evenings are not for students but for parents.

It is an opportunity to meet your child’s Class Teacher and get to know him/her a little better but is not an individual interview time. If you need an interview time to discuss something of a confidential nature this certainly can be arranged at a mutually convenient time. We will look forward to seeing parents on Monday (Early Stage 1 - Kindergarten and Stage 2 - Years 3 & 4) and Wednesday (Stage 1 – Years 1 & 2 and Stage 3 – Years 5 & 6) evenings.

**SWIMMING CARNIVAL**

Many thanks go to **Mrs Sharon Newling** and **Mrs Nicola Stratton** who organised the school Swimming Carnival yesterday at the Warringah Aquatic Centre. From all reports students, staff and parents had a great day. A number of students achieved their personal best times, swimmers enjoyed earning points for their houses, our new Sports House Captains did a great job and staff and parent helpers kept everything running smoothly. **Congratulations, Cromer!**

CLASS PARENTS

Class parents play an important role in the interface between, students, parents, class teachers, the Parents & Citizens (P&C) Association and the school executive.

As some of you may be aware, after many years of the being the class parent co-ordinator, and due to work commitments, Mrs Fiona Aldred is unable to continue in this role. On behalf of the school community, we’d like to thank Fiona for all the
co-ordination and organisation of class parent volunteers over the past few years.

We’d also like to take this opportunity to congratulate and welcome Mrs Katy Pratt to the Class Parent co-ordinator role for 2016.

WOULD YOU LIKE TO BE A CLASS PARENT?
It’s that time of year again when we look for volunteers to be class parents. Ideally it would be great to have at least 2 class parents per class. See the attached note for all the details.

We hope you have a wonderful weekend with your family and friends.
Kindest regards
Julie Johnson and Nicole Herrmann

THANK YOU FOR PARTICIPATING IN TOYS ‘N’ TUCKER 2015
Together we were able to provide Christmas food and gifts to thousands of families who would otherwise have gone without. Many thanks for your wonderful support!

Mrs Judy Geeves
Co-ordinator
Welcome back to 2016. We would like to give a BIG WELCOME to all our new families joining Kids Club this year and welcome back all our existing families. If you have any questions that need to be answered or would like to come down to the centre for a chat or to meet the staff, Dana the team leader will be available at before school care after 8:30am, or in the afternoon after 3:15pm throughout the week.

This year we have launched our new enrolment system (QK Enrol) which gives you online access to make your bookings and enrolment for your child all within a parent portal called MY Family Lounge. All families, existing and new need to now enrol for the year through this new system. Existing families will have had an email sent through regarding this new program and new families can access the portal through our website. Please see centre staff if you have any concerns.

This week our theme at Kids Club has been Chinese New Year. In the kitchen we have made egg tarts and fruit roll up fortune cookies. In the centre we have made oriental paper fans, finger painting dragons and dragon masks.

It has been a very busy week at Kids Club and the children are settling in well.

Have a great weekend!

Would you like to be a class parent?
It's that time of year again when we look for volunteers to be class parents. Ideally we would like to have at least 2 class parents per class.

We are always looking for new and old volunteers. If you haven't had the opportunity to be a class parent before and would like to give it a go please do so. **We try to make the process as fair as possible by giving preference to parents who haven't been class parents before.**

Being a class parent is a rewarding role. The roles and responsibilities vary from class to class depending on the teacher’s needs. However, the common theme is to provide an interface between parents and their children, teachers, the school community and the school executive.

Attached to this note is a role description for a class parent. If you volunteer, you will be provided a pack with a list of suggestions to assist you in this role including templates to send to your class to collect information from them. We hold 2 meetings per term usually in week 5 and week 9 for all the class parents to share ideas and suggestions.

If you would like to volunteer please complete the form below and give it to your child’s class teacher by **Friday 12th February.**

Once we have the names of all the nominated volunteers **by Friday 12th February,** the School Executive and myself will formulate the list of class parents; giving preference to parents who haven’t been class parents before.

If you have any questions or would like more information please don’t hesitate to contact me.

Chess Stimulates Minds

Chess Club aims to provide an opportunity for children to learn and utilise chess skills and to develop related skills such as fair play, strategic decision making and focus. There are significant benefits that accrue to a child’s broader learning from playing chess including:

- Improving critical thinking skills and concentration
- Learning good sportsmanship – the ability to win and lose with grace
- Developing decision-making and planning skills
- Making new friends and having fun!

We are fortunate to have secured professional coach George Winter to guide our club. George has played competitive chess for 45 years and has experience coaching the primary school age group.

Classes will be split into two streams: a beginners and a more advanced group, so each child can play and learn at an appropriate level.

If your child has not played with our club before, they are most welcome to come along for a free trial.
