PRINCIPAL’S REPORT

PARENT TEACHER INFORMATION EVENINGS

Both Monday (ES1 & S2) and Wednesday’s (S1 & S3) Parent Teacher Information Evenings were well attended. Class Teachers certainly appreciated the number of parents who attended to find out relevant general, stage and class information. Stage Supervisors, Mrs Louise Green (ES1 – Kindergarten), Mrs Karen Mitchell (S2 – Years 3&4), Miss Nicole Herrmann (S1 – Years 1&2) and Mrs Nancy Chaffer (S3 – Years 5&6) are acknowledged for their organisation of the evenings. Many of the teachers also spoke at the general information sessions and all spoke back in classrooms and I appreciate the time they devoted to this very important communication exercise.

During the evenings Class Teachers distributed sheets asking parents to record their email addresses so this can eventually be passed onto the Class Parent for each class. At this stage we have had quite a number of volunteers to be the Class Parent for younger grades but we would like to have one for each class so parents of older years please consider volunteering and get your nomination back to the Class Teacher as soon as possible. This year Katie Pratt will be the Class Parent Co-ordinator of the Class Parent Network which is an important sub-committee of Cromer PS Parents & Citizens Association. This year Class Parents will meet on a Thursday morning in the Staff Room at 9.00am. A date for the first meeting has been set for Week 7, Thursday 10th February. When all the nominations have been returned you will be advised who will be the Class Parents.

MUFTI DAY FOR THE HOLLAND FAMILY BOYS

Many members of our school community would be aware that the Holland family who reside in Cromer and have been great supporters of their sons’ primary school lost everything in a recent fire. The parents (Amanda & Matt), grandmother (Brenda) and two teenage boys (Jack & Kai) lost all their personal possessions. Kai was in Year 6 last year so has only just left us. Information about their loss has been in the Manly Daily (9/2/16) and on television and radio.

One of our parents Karen Downman with other parents has been diligently seeking support from the community to help the family at this truly difficult time. I am sure the family appreciate the way so many people have made financial, clothing and household goods donations. To find out more about donating please refer to the following social media page [facebook.com/helpthehollands](http://facebook.com/helpthehollands). One of the things the family lost were their photographs so it would certainly be appreciated if families with older children would go through their photographs as they may have some doubles that could be passed on.

In talking to Karen we have decided to hold a Mufti-Day specifically for the boys, Jack and Kai so some of the things the boys prized can be replaced. Next Thursday, 18th February students will be allowed to wear casual clothing (Mufti) to school for a gold coin donation. We hope we can raise a significant amount to replace their computer and x-box. This is all about kids helping kids. At tonight’s Canteen Committee meeting I will also be discussing with the Committee if we can run a Red Day (occasional foods) at the Canteen in conjunction with the Mufti-Day.

I know the Holland family has been overwhelmed by the Cromer community’s generosity since the fire. As a school we thought targeting our efforts for Kai and Jack would be a way to let them know of our care and support for them at this difficult time in their young lives.

DEPUTY PRINCIPAL’S REPORT
Term One is now well and truly underway and the students have quickly settled into their new classes. Staff are now getting to know the varied personalities, learning styles and academic abilities of each of the children in their class. They are also in the process of designing their teaching and learning programs to best suit the needs of the students in their class.

CURRICULUM NEWS
We have lots of new and exciting programs planned for 2016, including the continued expansion of our technology program integrated with 21st Century learning, and also a whole school focus on writing, starting this term.

Technology
Technology has opened up new forms of learning and creative expression for students at our school. It has allowed our students to take greater control of their learning. At Cromer, we are providing learning experiences through the expansion of technology for all of our students to develop their creativity, collaboration, communication and critical thinking skills, as well as continuing to improve learning outcomes.

Mrs Mitchell and Mr Tasker are leading the Technology committee this year and have been extremely busy over the past three weeks ensuring that all our students have greater access to technology within their classrooms, not just our technology based literacy classes. New laptops (57 in total), have been set up in the Year 5 and 6 classrooms, PC computers have been moved from the Stage 3 rooms (Years 5 & 6) to enable all the Year 3 and 4 classrooms to have access to approximately 6 PC computers in their room. IPads have been distributed to the K-6 classes enabling the younger students to have access to technology in small group activities as well.

Many thanks to Mrs Mitchell and Mr Tasker for all their hard work in ensuring all students at Cromer have greater access to technology within their classrooms.

Writing
Studies have shown that writing helps boost student achievement and actively engages children. It requires them to take in information, organise their thoughts, sort through all of the information they’ve received and then process it. Not an easy task!

In keeping with the school’s Strategic Direction based upon **Quality Teaching and Learning**, the main focus this year will be on enhancing the quality of writing across the school, by improving **vocabulary, sentence structure & punctuation**.

Over the next two weeks, students will be engaged in a whole school writing assessment using a Visual Literacy stimulus. This will enable staff to look at the particular needs and abilities of the students in their class, across the stages and developmentally across the whole school. Following on from this, staff will be engaged in professional learning sessions looking at “What exactly is a good piece of writing”; “How to improve aspects of student writing”; “The four stages of writing – 1. Modelled; 2.Shared; 3.Guided; and 4.Independent Writing” and “Providing quality feedback on student writing”.

SCHOOL UNIFORM
Thank you in advance for ensuring that your children are always dressed in the correct school uniform (and with a school hat), that they are equipped for class activities and are punctual to school. As always, please label all clothing and equipment with your child’s, so if lost, it can be quickly returned to your child.

SCHOOL ATTENDANCE
Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options.

NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.
Family Holidays and Travel

- Families are encouraged to travel or go on holiday during school holidays.
- Family holidays and travel taken outside of school holidays are now counted as an absence.
- If travel during school term is necessary, please discuss this with the school.
- Parents/carers are required to seek written approval from the principal prior to the travel/holiday on a form entitled 'Application for Extended Leave', for 6 or more school days, available from the school office.
- Principals have been advised that they 'should not accept a reason for travel during school term if it is not in the best interests of the student'. Educational, social and participation reasons, should be specified on the application.
- Where the Principal considers that the travel is appropriate a Certificate of Extended Leave will be issued and returned to parents.
- Absences relating to travel will be marked as leave on the roll and therefore contribute to your child’s total absences for the year.
- When families are travelling or holidaying, they are to carry the Certificate of Extended Leave with them.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. Please discuss this with the school Executive. Further information about Distance Education is available from the following link: Distance Education

For further details regarding travel and absences, please see the NSW DEC website at http://www.schools.nsw.edu.au/studentsupport/programs/attendance.php

We hope you have a wonderful weekend with your family and friends.

Kindest regards
Julie Johnson and Nicole Herrmann

P&C INFORMATION

The Cromer P&C Association will be holding our Annual AGM Meeting on Tuesday 23rd February at 7:30pm in the Staffroom. A General meeting will immediately follow the AGM.

All are welcome, however if you would like to be nominated for a position on the P&C or vote you must be a financial member of the P&C Association. Attached is a registration form which must be filled out along with a 50 cent membership fee. This must be done before the AGM Meeting. You can bring with you to the meeting or leave at the office in an envelope marked P&C.

All current financial members since our last AGM in 2015 are eligible to vote however you must renew your membership at the meeting or before to be eligible to vote at future meetings after the AGM. All positions become vacant and need to be voted on. Main roles are:

- President
- Vice Presidents - 2 Positions
- Secretary
- Treasurer - 2 Positions
- District Representative
- Fundraising Sub-Committee
- All other sub-committee roles will also need to be formalised

If anyone has any accounts/admin experience and could spare an hour or so here and there, the P&C would really appreciate the help. We would love to see you there and would welcome any new members.

Amanda Carroll
P&C Secretary

During the first few weeks back at Kids Club we have been playing a game called “Marvellous Me” at roll call time. The children get chosen to play and tell us something about themselves, which has been a great way for the children to get to know one another.

This week our theme has been Valentine’s Day. In the kitchen we have made Valentine’s Day cupcake cones and Oreo truffle hearts. We took craft outside on Tuesday and painted our feet red to make footprint cards, which was a very messy (but fun) experience for the children. We have also made handprint cards & marbled our own mugs.

**KINDY PARENTS**

On Monday night Lou Hegarty spoke to you about the centre and our “famous” OOSH bands. If your child hasn’t received their band, please come down to the centre and ask our staff for one.

Also, just a reminder to all our families that this year we have launched our new enrolment system (QK Enrol) which gives you online access to make your bookings and enrolment for your child all within a parent portal called My Family Lounge. All families, existing and new need to now enrol for the year through this new system. Existing families will have had an email sent through regarding this new program and new families can access the portal through our website. Please see the centre staff if you have any concerns.

Have a great weekend!
